Explanatory Note

The following legislative proposal removes provisions in the Goodger Scholarships Fund and Schorstein Research Fellowships Fund in Medical Science that are in breach of the Equality Act 2010 and broadens the objects of both Funds such that they can be managed together and applied for research scholarships in medical science generally.

WHEREAS it is expedient to change the existing provisions governing the Goodger Scholarships Fund and Schorstein Research Fellowships Fund in Medical Science, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.

Part 78: Refugee Studies Fund

1. The University holds as permanent endowment the assets known as the Joyce Mertz Gilmore Fund, the Leopold Muller Fund and the McCormack Legacy Fund on the trusts declared in this Part of the Schedule to the Statutes. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known collectively as the Refugee Studies Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

6. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with this Part.

7. Subject to section 8, Council may amend, repeal or add to this Part in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

   (1) cease to be exclusively charitable according to the law of England and Wales; or

   (2) be outside the objects of the University.

8. Any amendment to section 3 of this Part is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

(2) Voting on Legislative Proposal: Joyce Mertz Gilmore and Leopold Muller Funds

Explanatory Note

The following legislative proposal broadens the objects of the Joyce Mertz Gilmore Fund and Leopold Muller Fund such that they can be managed, along with the McCormack Legacy Fund, as a single fund for the support of the Refugee Studies Centre generally.

WHEREAS it is expedient to change the existing provisions governing the Joyce Mertz Gilmore Fund and Leopold Muller Fund, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), towards research scholarships and/or fellowships in medical science.

4. The administration of the Fund, and the application of its income, shall be the responsibility of a board of management consisting of three persons appointed by the Medical Sciences Divisional Board.

5. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

6. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with this Part.

7. Subject to section 8, Council may amend, repeal or add to this Part in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

   (1) cease to be exclusively charitable according to the law of England and Wales; or

   (2) be outside the objects of the University.

8. Any amendment to section 3 of this Part is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

The number is subject to the approval of other legislative proposals and may therefore change.
7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with this Part.

Are you a parent/carer of a young person, aged up to 25, who has harmed themselves? University of Oxford researchers would like to hear about your experiences and use what you tell us to support other parents and carers and to improve health professionals’ understanding and support for young people who self-harm and their families. The research will be published on the website www.healthtalkonline.org. To find out more, please contact Sue Simkin sue.simkin@psych.ox.ac.uk; 01865 226453 (Berkshire Research Ethics Committee 12/SC/0495).

Experiences of multiple conditions. As part of a National Institute for Health Research project, we are looking to interview both patients and GPs about their experiences of managing multiple conditions, and to seek their thoughts on what might help them to manage these conditions better. We are interested in speaking to patients with at least 2 of the following conditions: asthma, COPD, stroke, epilepsy, heart disease and diabetes. We would also like to speak to GPs about the issues they face with patients with these conditions, and what they feel could be changed to improve clinical management. For further information please contact Kate Neal, Health Services and Policy Research Group: kate.neal@phc.ox.ac.uk or 07775 003928.
