Establishment of the Degree of Master of Mathematics and Physics

Explanatory Note

The following legislative proposal establishes the new degree of Master of Mathematics and Physics. This degree is on the model of the final year of existing four-year courses that lead to master's awards, such as the Master of Computer Science (MCompSci), and the Master of Mathematics and Philosophy (MMathPhil). It differs from these in that the Master of Mathematics and Physics consists only of the Part C examination. It may be entered only by candidates registered on certain four-year courses that lead to master's awards, as specified in the Examination Regulations, who after their Part B examinations transfer, following application, to Mathematical and Theoretical Physics for their Part C examination. Initially this will be confined to candidates registered at the time of their Part B examination for the Master of
Mathematics in Mathematics, the Master of Physics in Physics, and the Master of Physics and Philosophy in Physics and Philosophy. 

WHEREAS it is expedient to establish the degree of Master of Mathematics and Physics, THE UNIVERSITY ENACTS AS FOLLOWS.

1 In section 1 of Statute X, after 'Master of Mathematics and Philosophy', insert 'Master of Mathematics and Physics'.

2 In regulation 4.2 of Congregation Regulations 3 of 2002, concerning the conduct of ceremonies in Congregation and certain other ceremonies, delete existing paragraph (21) and substitute (new text underlined):

'(21) Master of Biochemistry, Chemistry, Computer Science, Earth Sciences, Engineering, Mathematics, Physics, Mathematics and Computer Science, Mathematics and Philosophy, Mathematics and Physics, Physics and Philosophy, and Computer Science and Philosophy

Insignissime, etc., praesento vobis hos meos scholare in facultate Artium, ut admissantur ad gradum Magistri in Biochimia, vel Chimia, vel Scientia Computatoria, vel Scientis Terrenis, vel Ingeniaria, vel Mathematicisa, vel Physica, vel Mathematica et Scientia Computatoria, vel Mathematica et Philosophia, vel Mathematica et Physica, vel Scientia Computatoria et Philosophia prout in schedula a Registrario scriptum est; insuper auctoritate mea et totius Universitatis, do vobis potestatem legendi, et reliqua omnia faciendi quae ad eundem gradum spectant.'

Regulations to be made by Council if the Statute is approved

1 In regulation 2.1 of Council Regulations 22 of 2002, concerning academic precedence and standing, after 'Master of Arts, or Master of Biochemistry or Chemistry or Computer Science or Computer Science and Philosophy or Earth Sciences or Engineering or Mathematics or Mathematics and Computer Science or Mathematics and Philosophy' insert 'Master of Mathematics and Philosophy'.

2 Ibid, after 'Bachelor of Arts, or Master of Biochemistry or Chemistry or Computer Science or Computer Science and Philosophy or Earth Sciences or Engineering or Mathematics or Mathematics and Computer Science or Mathematics and Philosophy' insert 'Master of Mathematics and Philosophy'.

General notices

Regulations for the Activities and Conduct of Student Members

The Rules Committee has carried out its annual review of the Regulations for the Activities and Conduct of Student Members. These Regulations cover Clubs, Societies and Publications registering with the Proctors; defacement of property and unauthorised advertisements; behaviour after University examinations; overseas activities; and rowing on the river.

In addition to making a number of minor amendments (eg to reflect changes to the titles of various posts since last year), the Committee has decided to introduce the significant new requirement for all clubs, societies and publications which wish to register with the Proctors to do so on the basis of a standard form of constitution. The new provisions nevertheless allow for a small number of sports clubs (which meet the special requirements set out in section 1.11 (1) (a) of the Regulations) to register on the basis of constitutions customised to reflect their particular circumstances. Any student club, society or publication newly registering with the Proctors from 1 October 2013 onwards will have to do so on the basis of a standard form of constitution. Organisations currently on the Proctors’ Register will have the grace period of the academic year 2013-14 to bring their existing constitutions into line with the new arrangements.

For the full text of this year’s Rules Committee Regulations please see the supplement with this week’s Gazette.

Introduction of a Civil Parking Notice Scheme

The Buildings and Estates Sub-committee has approved changes to Section 6 (Car Parking) of the Standing Orders for functional sites and buildings and the University’s Car Parking Conditions, to come into effect on 1 August 2013.

These changes enable the introduction of a Civil Parking Notice (CPN) Scheme as the means of enforcing the University’s car parking arrangements. Under this Scheme vehicles parked in breach of the University’s car parking arrangements are liable to be issued with a CPN. A charge of £80 will be payable within 28 days in settlement of the CPN, reduced to £40 if settled within 14 days.

The relevant sections of the Standing Orders are reproduced below (new text underlined, deleted text struck through).

Extract from Section 6 concerning Car Parking

6.9 Enforcement

6.9.1 The University Security Services OUSS and its enforcement partner are the authorised operator of the university-controlled car parks. OUSS They will be responsible for the regulation of both departmental, and non-departmental spaces. Vehicles parked in university car parking spaces without an appropriate permit on display will be treated as trespassing and will be liable to be clamped. Vehicles parked in prohibited areas (as defined in the Car Parking Conditions issued by the Buildings and Estate Sub-committee) or parked in a manner which obstructs an emergency exit will be liable to be issued with a Civil Parking Notice. A fee will be payable for the settlement of the Civil Parking Notice. Permit holders wishing to unclamp or retrieval of the vehicle.

6.9.2 No person will park a motor vehicle on a section of a car park, or roadway marked with either a continuous, wide, single yellow line, denoting an emergency services access route, or a system of continuous double yellow lines. The continuous double yellow line system on university controlled car parks and roadways means that parking is prohibited at any time. Vehicles parked in the above circumstances will be subject to immediate issue of a Civil Parking Notice. The costs to be borne by the driver/person in charge. A fee will be payable for the settlement of the Civil Parking Notice.

6.9.3 Departments will be responsible for controlling the use of any spaces allocated to them.

Appendix B: University Car Parking Conditions

From 1 January 2000 to 1 August 2013 and until further notice, the following conditions apply to all drivers of vehicles parked in the University Parking Areas, and any other areas designated from time to time by the Buildings and Estates Subcommittee.

1. Parking is only permitted in designated parking spaces. The permit issued to you gives permission to park one vehicle listed on the permit but implies no undertaking that a space will be available.

2. Permits are normally valid for the calendar year. Applications for replacement permits must be made to the Departmental Administrator or Secretary before the end of the current year in accordance with instructions issued by the University Security Services.

3. Any change of registration number must be notified to the Departmental Administrator or Secretary, who should apply to the University Security Services for an amended permit. The old permit must accompany the application. Where the old permit has been lost or accidentally destroyed, a brief statement of the circumstances is to be made on the application form.

4. Only one permit per authorised holder will be issued. Permit holders wishing to use more than one vehicle must inform the Departmental Administrator or Secretary and must have the registration numbers of the vehicles entered on the permit. The permits should be kept in a transparent plastic holder or envelope and displayed so that the registration number is clearly visible through the windscreen of the vehicle in use.

5. Permits should be displayed in a manner that does not obstruct the driver’s view of the road.
6. All vehicles are parked at the owner’s risk.
7. Vehicles parked in breach of these conditions will be liable to be issued with a Civil Parking Notice. The payment required is chargeable for the settlement of a Civil Parking Notice. The release of a Civil Parking Notice and a charge of £80 must be paid within 28 days to the University’s enforcement partner, reduced to £40 if paid within 14 days. (The fee for the release of the clamp is £10 or £1.50 for each hour after the clamp was applied, whichever is the greater.)
8. Vehicles parked in the University Parking Areas and not displaying a valid permit will be treated as trespassing and will be liable to be issued with a Civil Parking Notice and a charge of £80 must be paid within 28 days to the University’s enforcement partner, reduced to £40 if paid within 14 days. (The fee for the release of the clamp is £10 or £1.50 for each hour after the clamp was applied, whichever is the greater.)
9. Vehicles parked on double yellow lines will be liable to be issued with a Civil Parking Notice and a charge of £80 must be paid within 28 days to the University’s enforcement partner, reduced to £40 if paid within 14 days. (The fee for the release of the clamp is £10 or £1.50 for each hour after the clamp was applied, whichever is the greater.)
10. Vehicles parked on pavements or on grassed areas without the express permission of University Security Services will be liable to be issued with a Civil Parking Notice and a charge of £80 must be paid within 28 days to the University’s enforcement partner, reduced to £40 if paid within 14 days. (The fee for the release of the clamp is £10 or £1.50 for each hour after the clamp was applied, whichever is the greater.)
11. Vehicles parked in fire lanes designated by broad yellow lines or obstructing emergency exits marked with a sign or yellow cross hatching will be liable to be issued with a Civil Parking Notice and a charge of £80 must be paid within 28 days to the University’s enforcement partner, reduced to £40 if paid within 14 days. (The fee for the release of a vehicle that has been towed away is £20 and the storage charge is £10 per day.)
12. Permits may be withdrawn at the discretion of the University Marshal.
13. These conditions may be varied from time to time at the discretion of the Building and Estates Sub-Committee.
