### Changes to Examination Regulations

---

For the complete text of each regulation listed below and a listing of all changes to regulations for this year to date, please see [www.ox.ac.uk/gazette/examinationregulations](http://www.ox.ac.uk/gazette/examinationregulations).

#### Planning and Resource Allocation and Education Committees

##### FEE PAYABLE BY CANDIDATES FOR HIGHER DEGREES

###### *Explanatory Note*

The Planning and Resource Allocation Committee (PRAC) and Education Committee have reviewed the fees payable by candidates for higher degrees (that is, the DSc, DLitt, DD, DCL and DMus). The review took into account the fee payable to judges for those degrees, which the committees have agreed should be increased in the light of recommendations from Education Committee's Graduate Panel. The review was also informed by details of the administrative costs associated with the handling of applications for higher degrees, and by benchmarking against the fees payable by candidates for higher degrees at other institutions. In the light of the review, PRAC and Education Committee agreed an increase in the fee payable by candidates from the current rate of £710 to a new rate of £1,050, with effect from the academic year 2014/15.

###### *Text of Regulations*

##### With effect from 1 October 2014

In Examination Regulations 2013, p1121, 122, delete '£710' and substitute '£1,050'.
