Detail of change

^{1.18}Any candidate whose native language is not English may bring a bilingual (native language to English) dictionary for use in any examination paper where candidates are required to translate Ancient Greek and/or Latin texts into English, and any examination paper involving Greek or Latin prose composition.

Explanatory Notes

Non-native speakers of English are currently allowed to use a bilingual (native language – English) dictionary in exams involving translation from Greek and Latin into English. The Faculty has decided that this policy should be extended to papers involving Greek or Latin prose composition.
