**Approved:** 26th October 2012

**Title of Programme:** Biomedical Sciences (the examinations concerned include the Honour School of Cell & Systems Biology and the Honour School of Neuroscience).

**Brief note about nature of change:** To introduce a regulation to prevent candidates gaining credit for presenting essentially the same material on more than one occasion in the Part II Examinations.

**Effective date:** With effect from 1 October 2013 (for first examination in 2014)

**Location of change:** *Examination Regulations 2012*

**Details of change:**

1. In *Examination Regulations*, 2012, p. 166, after l. 41, insert on a new line:

   ‘5. If, in the Part II Examination, a candidate presents essentially the same information on more than one occasion, then credit will be given in only the first instance.’

2. Ibid., re-number existing cl. 5 as cl. 6.

3. Ibid., p. 382, after l. 27, insert on a new line:

   ‘4. If, in the Part II Examination, a candidate presents essentially the same information on more than one occasion, then credit will be given in only the first instance.’

4. Ibid., re-number existing cl. 4 as cl. 5.
