Oxford 1+1 MBA programme

Candidates registered on the Oxford 1+1 MBA programme will follow an additional two or three-month bridging programme at the end of their third term of the combined programme.

Each candidate will be appointed an academic advisor from the Saïd Business School to plan an individual course of study which will include as a minimum, the following three compulsory elements:

(i) Normally two meetings during the bridging programme with the senior advisor appointed by the Saïd Business School at the start of the Oxford 1+1 MBA programme.

(ii) A formatively assessed Integrative Development Plan of up to 3,000 words. Candidates would
be required to critically reflect on their learning from the Masters programme and relate this both
to their forthcoming MBA programme as well as to their career goals. The meetings with the
advisor will frame the design, delivery and discussion of the plan.

(iii) Attendance of the MBA pre-course as described in the joining instructions for the MBA class,
unless granted exemption by the MBA Committee on the grounds of prior formal study or work
experience.
