REVISED STATUTES

The Committee on Statutes before the Privy Council, acting under authority delegated to it by Council, is minded to give consent on behalf of the University to the revised statutes of St Edmund Hall, approved by the Governing Body on 6 October 2016, in so far as such consent is required by section 7 (2) of the Universities of Oxford and Cambridge Act, 1923. The consent of the committee to the amendments to the statutes will be effective 12 days after publication unless written notice of a resolution, signed by at least 20 members of Congregation, calling upon Council to withhold that consent, has been given to the Registrar by noon on **24 October**.

The effects of the amendments are to update the existing statutes of the college following advice from the Deputy Clerk of the Privy Council that it might be beneficial to review the statutes in their entirety. The revised statutes provide an up-to-date framework for the governance of the college, and relate to its Principal, Fellows, Officers, Members, Academic Staff and Investments, among other matters.
