Proposals for Honorary Degrees to be conferred at the Encaenia in 2017, and for Degrees by Diploma

Encaenia honorary degrees are conferred at the University's annual ceremonial event and degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred.

The Honorary Degrees Committee is charged with considering nominations received and making recommendations to Congregation (after consultation with Council). When considering possible honorands, the Honorary Degrees Committee will focus on individuals in the following categories:

- 1** those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
- 2** those distinguished in the visual, literary, musical and performing arts
- 3** those distinguished in business and industry
- 4** those who have played a distinguished role in public life, for example in contributing to progress and change in society
- 5** those who have made a significant contribution to the activities of the University of Oxford – such individuals would normally also fall into one of the categories above.

Within those categories the Honorary Degrees Committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University's activities. The Honorary Degrees Committee has adopted a target that half of the final list of names proposed to Congregation for the conferment of honorary degrees be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward. Further information is available from the Secretary to the Honorary Degrees Committee (contact details are given below).

Nominations for honorary degrees at the Encaenia in 2017 and for degrees by diploma should be submitted on the approved application form. The form can be downloaded from www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs (single sign-on required). Alternatively, copies may be obtained from the Secretary to the Honorary Degrees Committee (tel: (2)80092, email: ellen.hudspith@admin.ox.ac.uk). The completed form should be sent to the Secretary to the Honorary Degrees Committee, University Offices, Wellington Square, or by email to ellen.hudspith@admin.ox.ac.uk by **Friday, 6 May**, under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the Honorary Degrees Committee, which submits its report to Council at the beginning of Michaelmas term. After discussion, Council will report back to the Honorary Degrees Committee, which will arrive at a list of honorands to put to Congregation.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred may be found in the 2015–16 *University Calendar*, pp540–543.

This year's honorands are:

Monsignor Professor Tomáš Halík
the Rt Hon Lord Mance
Mr Pedro Almodóvar
Professor Paul Krugman

Professor Kazuyo Sejima
Dr Cornelia Bargmann
Professor Mildred Dresselhaus
Sir Jonathan Ive
Ms Jessye Norman
Mr Arvo Pärt

External Membership of Council

INVITATION TO CONGREGATION TO SUBMIT NOMINATIONS FOR CONSIDERATION

Procedure for election of external members of Council

There will be a vacant place on Council for an external member from Hilary term 2017. An external member is defined in Council Statute I as 'a person who is not the resident holder of a teaching, research or administrative post in the University or in any college, society or Permanent Private Hall'.

Members of Congregation are invited to submit nominations for consideration by the Nominations Committee for the place on Council, taking account of the criteria set out below, on a form available at www.council.ox.ac.uk/nominate-external-member or from Council Secretariat (01865 270012). The Nominations Committee expects that nominations will be made without any communication by the nominator with the nominee. Nominators should indicate on the nominations form if any informal communication has taken place. The closing date for nominations is **Monday, 16 May**.

The Nominations Committee will act in accordance with Council Regulation 15 of 2002 (www.admin.ox.ac.uk/statutes/regulations/520-122q.shtml). Current Council members are listed at www.council.ox.ac.uk/people. The committee is being assisted by Saxton Bampfylde recruitment consultants.

The committee will consider all nominations and applications received by the closing date as well as any candidates proposed by its own members and by the search consultants; it will select from them having due regard to the principles of equality and diversity and the published selection criteria, and it will then make recommendations to Council. Council will

consider all recommendations received from the Nominations Committee and will either propose a candidate for approval by Congregation or will ask the committee to submit further names for its consideration. If a candidate is rejected by Congregation the committee will propose a further candidate or candidates to be put to Council in accordance with the above procedures until the vacancy is filled. The appointment will be for four years, extendable for a further four years.

Responsibilities of members of Council

While Congregation is the University's sovereign body, Council is the University's executive governing body. It is responsible for the advancement of the University's objects, for its administration, and for the management of its finances and property. Council is therefore responsible for the academic policy and strategic direction of the University, subject to the powers of Congregation. Legally, the members of Council are charity trustees and are bound by fiduciary duties. Each must comply with the duties of a charity trustee, and when doing so must exercise the proper standard of care.

Criteria for external members of Council

All members of Council will have a strong personal commitment to higher education and to the values, aims and objectives of Oxford as a collegiate University (ie the University and its colleges).

In considering nominations for external membership of Council, personal qualities will be the primary consideration, but successful candidates will need to be able to demonstrate significant levels of relevant experience. The Nominations Committee will consider demonstrable evidence of the following:

- significant experience in a position or positions requiring the exercise of high levels of responsibility;
- substantial experience in the governance of large complex organisations in the public, private or not-for-profit sectors;
- the ability to engage with issues such as educational policy, strategic planning, risk management, IT and information systems, property, investment, financial management, and legal issues, in order to ensure a balance of skills and experience on Council;
- a willingness to represent the values, aims and objectives of the University to those who are not part of the institution and to bring a better understanding of

issues outside the institution to the members of the collegiate University;

- the capacity to act fairly and impartially in the interests of the University as a whole, using independent judgement and maintaining confidentiality as appropriate, and avoiding conflicts of interest;
- the willingness to listen, engage, understand and interact with members of the collegiate University at all levels; and
- the willingness to play a role in liaising between key stakeholders and the University and in fundraising.

The role also requires the willingness and ability to devote a significant amount of time on a voluntary basis. External members of Council are expected to spend one to two days per month in Oxford. It is expected that the people appointed to these roles will become involved in the life of the University, and may be asked to become members of other committees. All members have a responsibility for ensuring that Council conducts itself in accordance with accepted standards of behaviour in public life, embracing selflessness, integrity, objectivity, accountability, openness, honesty and leadership. They must also play an appropriate part in ensuring that the business of Council is carried out effectively, efficiently, and in a manner appropriate for the proper conduct of public business.
