Mathematical, Physical, and Life Sciences Division

Approved by Chairman's action

Title of Programme

FHS in Physics

Brief note about nature of change: The regulations enable a candidate for the MPhys in Physics who wishes to do so, or who fails to obtain Honours in Part C, to supplicate for the Degree of BA in Physics, without having to undertake any further project work needed to satisfy accreditation requirements. This follows the accrediting body relaxing its requirement with regard to the amount of project, subject to Physics reporting to the Institute of Physics on the impact.

Effective date

1 October 2012 (for first Part B examination in 2013)

Location of change

In Examination Regulations 2011

Detail of change

Delete from p.424, l.32 to p.425, l.9, and substitute:

"(5) A candidate who has satisfied the requirements for Part A and Part B of the four-year course, but who does not start or enter Part C or who fails to obtain Honours in Part C is permitted to supplicate for the Degree of Bachelor of Arts in Physics (Pass, or Honours with the classification obtained in Parts A and B together, as appropriate); provided that no such candidate may later enter or re-enter the Part C year, or supplicate for the degree of Master of Physics; and provided in each case that the candidate has fulfilled all the conditions for admission to a degree of the University."

Explanatory Notes

The regulations enable a candidate for the MPhys in Physics who wishes to do so, or who fails to obtain Honours in Part C, to supplicate for the Degree of BA in Physics, without having to undertake any further project work needed to satisfy accreditation requirements.
This follows the accrediting body relaxing its requirement with regard to the amount of project, subject to Physics reporting to the Institute of Physics on the impact.
