Change in the regulations governing the Batchelor of Theology: communication from the Board of the Faculty of Theology

Ref:

Subject to approval on behalf of the divisional board, which is now sought, and by Education Committee, the following change in regulations has been made:

Humanities Divisional Board

Bachelor of Theology

Brief note about nature of the change(s): The proposed change will (a) enable those writing long essays to work on a wider range of New Testament texts, such as the Catholic Epistles, while ensuring that a broad sweep of the syllabus is also covered; (b) will rule out titles being accepted for this paper on the set texts for paper A.2, which has been a perennial problem.

With effect from 1 October 2012 (for first examination in 2013)

1 In Examination Regulations, 2010, p. 473, l. 43, delete ‘also’.

Explanatory note

Vested interest is not affected and there are no resource implications.
