This is a change which amends the regulations for the Degree of Doctor of Philosophy to give examiners the option of requesting minor corrections when recommending an examination outcome of leave to supplicate for the M.Litt. or M.Sc.(by Research). It also includes an amendment so that examiners wishing to recommend referral back for the lower degree only may indicate where appropriate, whether the candidate should resubmit for the M.Litt. or the M.Sc. (by Research).

In Examination Regulations 2013

On p. 855, l. 1-27, add the text underlined below:

(ii) that the board should offer the candidate a choice between (a) reference of the thesis back to him or her in order that he or she may revise it for re-examination for the Degree of Doctor of Philosophy, and (b) leave to supplicate for the Degree of Master of Letters or of Master of Science, as appropriate, on the basis that the thesis has not reached the standard required for the Degree of Doctor of Philosophy but has nevertheless reached that required for the Degree of Master of Letters or of Master of Science.

(a) If the board adopts this recommendation, and the student chooses to revise the thesis for re-examination for the Degree of Doctor of Philosophy, the student shall retain the status and obligations of a Student for the Degree of Doctor of Philosophy and shall be permitted to apply again for the appointment of examiners, in accordance with the procedure laid down in this sub-section, not later than the sixth term after that in which the board gave permission so to reapply. If such permission shall have been given by a board during a vacation, it shall be deemed to have been given in the term preceding that vacation. Accompanying the revised thesis at re-submission should be a separate report indicating the specific changes made. For students in the Humanities, Medical Sciences and Social Sciences Divisions and the Department for Continuing Education, the word limit for the accompanying report shall be 1000 words; for students in the Mathematical, Physical and Life Sciences Division, the word limit shall be 2000 words;

(b) If the board adopts this recommendation and the student chooses leave to supplicate for the Degree of Master of Letters or Master of Science by Research, the examiners may still determine that before the thesis is deposited the candidate should make minor corrections in accordance with the regulations under (i) above.
On p. 855, l. 1-28-42, add the text underlined below:

(iii) that the board should refer the student’s thesis back in order that he or she may present it for re-examination for the Degree of Master of Letters or of Master of Science, as determined by the examiners (if appropriate), only. If the board adopts the recommendation the student shall be transferred forthwith to the status of Student for the Degree of Master of Letters or Student for the Degree of Master of Science as the case may be, and shall be permitted to apply for permission to supplicate for the Degree of Master of Letters or Master of Science in accordance with the provisions of the appropriate regulation. If such permission shall have been given by a board during a vacation, it shall be deemed to have been given in the term preceding that vacation. The word limit for a thesis resubmitted under this provision shall be that specified by the DPhil regulations under which it was originally submitted;

On p. 856, l. 13-19, add the text underlined below:

(v) that the thesis has not reached the standard required for the Degree of Doctor of Philosophy but has nevertheless reached that required of the Degree of Master of Letters or of Master of Science, and that the candidate may be granted leave to supplicate for one of the latter degrees on the basis of the thesis as it stands; the examiners may still determine that before the thesis is deposited the candidate should make minor corrections in accordance with the regulations under (i) above.
