~~11~~ 12 REGULATIONS FOR THE DEGREE OF MASTER OF FINE ART

~~§2. Status of Student for the Degree of Master of Fine Art~~

~~1. Any person who, in the opinion of the Committee for the Ruskin School of Drawing and Fine Art, is well qualified and well fitted to undertake the course of study for which application is made, may be admitted to the status of Student for the Degree of Master of Fine Art.~~

~~2. It shall be the duty of the Registrar to keep a Register of those admitted to the status of Student for the Degree of Master of Fine Art.~~

§3 2. Admission of Candidates

1. A candidate seeking admission as a Student for the Degree of Master of Fine Art shall apply to the Committee for the Ruskin School of Art. Candidates for admission shall be required to provide such information as the Committee may determine from time to time by regulation. Applicants shall in addition be required to undertake such other tests and meet such conditions as, subject to the approval of the Education Committee, the Committee may determine by regulation.

2. Applications shall be made through the Registrar, and it shall be the duty of the Registrar to

submit each application to the Committee and to inform the candidate of the outcome, as soon as may be.

3. No person shall be admitted as a Student for the Degree of Master of Fine Art under these provisions unless he or she is also a member of some college, hall, or other approved society, and unless the application for admission as a Student for the Degree of Master of Fine Art has the approval of that society. The Registrar shall forward the application to the candidate's society or to the society to which the candidate wishes to apply for membership, as appropriate; and admission by the Committee shall be conditional upon admission by an approved society.

4. A student registered for any other higher degree or diploma in the University may apply for transfer to the status of Student for the Degree of Master of Fine Art. The Committee shall have power to make such transfer, provided that it is satisfied that the student is well-qualified and well-fitted to undertake the course of study for which application is made, and that the application has the support of the candidate's society. A candidate who transfers status in this way shall be reckoned as having held the status of Student for the Degree of Master of Fine Art from the time of admission to his or her previous status, unless the Committee shall determine otherwise.

§4 3. Supervision of Students

1. Every candidate on admission as a Student for the Degree of Master of Fine Art shall be placed by the Committee for the Ruskin School of Art under the supervision of a member of the University or other competent person selected by the Committee, and the Committee shall have power for sufficient reason to change the supervisor of any student or to arrange for joint supervision by more than one supervisor, if it deems necessary.

2. It shall be the duty of the supervisor of a student entered upon a course of study to direct and superintend the work of the student, to meet the student regularly, and to undertake such duties as shall be from time to time set out in the relevant Policy and Guidance issued by the Education Committee.

3. The supervisor shall submit a report on the progress of a student to the Committee three times a year, and at any other time when the Committee so requests or the supervisor deems expedient. The supervisor shall communicate the contents of the report to the student on each occasion that a report is made, so that the student is aware of the supervisor's assessment of his or her work during the period in question. In addition, the supervisor shall inform the Committee at once if he or she is of the opinion that the student is unlikely to reach the standard required for the Degree of Master of Fine Art.

4. It shall be the duty of every Student for the Degree of Master of Fine Art to undertake such guided work and to attend such seminars and lectures as his or her supervisor requests; to attend such meetings with his or her supervisor as the supervisor reasonably arranges; and to fulfil any other requirements of the relevant Policy and Guidance issued by the Education Committee.

§5 4. Residence and other Requirements

1. No full-time Student for the Degree of Master of Fine Art shall be granted leave to supplicate unless, after admission, he or she has kept statutory residence and pursued his or her course of study at Oxford for at least forty weeks.

2. No full-time Student for the Degree of Master of Fine Art shall retain that status for more than two years in all.

3. A Student for the Degree of Master of Fine Art shall cease to hold that status if:

(a) he or she shall have been refused permission to supplicate for the Degree of Master of Fine Art;

(b) the Committee for the Ruskin School of Art shall, in accordance with provisions set down by regulation by the Education Committee, and after consultation with the student's society and supervisor, have deprived the student of such status;

(c) he or she shall have been transferred under the relevant provisions to another status; or

(d) he or she shall not have entered for the relevant examination within the time specified under this sub-section.

§6 5. Examination of Students

1. The examination for the Degree of Master of Fine Art shall be under the supervision of the Committee for the Ruskin School of Art. The subjects of each examination shall be determined by regulation by the Committee, which shall have power to arrange lectures and courses of instruction for the examination.

2. No candidate shall be permitted to take an examination under the preceding clause unless he or she has been admitted as a candidate for the examination in question by the Committee and has satisfied any other conditions prescribed in the regulations for that course.

3. Unless otherwise provided in this sub-section, the number and distribution of examiners shall be as set out in the relevant regulation.

4. A candidate who has failed to satisfy the examiners in the examination may enter again on one, but not more than one, subsequent occasion for that part of the examination which he or she failed.
