Council and Main Committees

Council of the University

Council has made the following changes in regulations, to come into effect on **9 June**.

Regulations for the Review Panel

Explanatory Note

The revised Statute XII was approved by Her Majesty in Council at its meeting on 15 February 2017 (see *Gazette* No 5160, 23 February 2017, p289). Under Part D, section 28, if an academic member of staff appeals against a decision by the Vice-Chancellor that a disciplinary complaint does not involve academic freedom and thus should be determined by a Staff Employment Review Panel, the Vice-Chancellor shall refer the appeal to a Review Panel comprising two elected members of Council, the procedures for which shall be described in regulations. The regulations set below have been made following consultation with the University and College Union.

Text of Regulations

Insert new Council Regulations as follows:

'Regulations for the Review Panel

1. In these regulations, references to sections are to sections of Statute XII unless otherwise indicated.

Establishing a Review Panel

2. (1) Where the Vice-Chancellor refers an appeal under section 28 (1), the Registrar shall select by lot two elected members of Council from all such members of Council who are:

(a) required to engaged in academic teaching and/or research either by their written contracts of employment or by established and agreed practice; and

(b) are not ineligible to serve under the provisions of section 9 (3).

(2) Personnel Services shall designate a secretary to coordinate all arrangements necessary for the hearing.

Arrangements for an oral hearing

3. No case shall be determined by the Review Panel without an oral hearing at which the member of academic staff is entitled to make representations and to be accompanied by a colleague in the University or trade union representative, except in the circumstances set out in regulation 6 (b) below.

4. The documents for the hearing shall consist of:

(a) the notice of appeal;

(b) the letter sent under section 26 (2) giving notice of the Vice-Chancellor's decision that the complaint be heard by a Staff Employment Review Panel (SERP);

(c) any additional material that has been provided to the Vice-Chancellor as relevant to the case, by the member of academic staff, the department, faculty and/or divisions, including any investigation report;

(d) any further submissions, which are considered necessary by the panel.

5. It shall be the responsibility of the Secretary to:

(a) send any documents to the Review Panel and to the member of academic staff;

(b) invite any further submissions that the Review Panel considers necessary under regulation 4 (d) above, to be provided within such period as the Review Panel may specify;

(c) set a date for the hearing, which shall take place as soon as is practicable after the deadline for the submission of further documentation under regulation 5 (b) above, and give reasonable notice of that date to the member of academic staff.

6. (1) Subject to the provisions of Statute XII and these regulations, the Review Panel shall have general power to manage its own proceedings, including to:

(a) postpone or adjourn a hearing, if it considers that there are reasonable grounds to do so;

(b) proceed with the case on the basis of the written material, if:

(i) due to the unavailability of the member of the academic staff or their chosen colleague or trade union representative, it is not possible to convene an oral hearing within a reasonable period of time;

(ii) the member of academic staff elects not to attend the hearing.

(2) No adverse conclusions shall be drawn from absence from the oral hearing of the member of academic staff.

Function of the Review Panel

7. The Review Panel shall consider whether or not there is a reasonable prospect that the determination of the complaint will or may involve an issue of academic freedom as defined in section 4.

Decision of the Review Panel

8. The Review Panel shall produce its decision in writing as soon as is reasonably practicable after the hearing and send it to the Vice-Chancellor and the member of academic staff concerned.

9. In the event that the Review Panel cannot reach a unanimous decision, it shall uphold the appeal.

10. The decision of the Review Panel shall be final.

General Purposes Committee of Council

Changes in Regulations

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on **9 June**.

Moritz-Heyman Scholarship Fund

Explanatory Note

The proposed change amends the trust regulations for the Moritz-Heyman Scholarship Fund to reflect the fact that the administration of the fund is now handled by the Board of Management of the Oxford Undergraduate Scholarship Fund.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, in §250 amend regulation 3 as follows (new text underlined, deleted text struck through):

'3. The University shall appoint a committee of management to implement its powers in respect of the administration of the Fund and the application of its income, ~~consisting of which shall be the Board of Management of the Oxford Undergraduate Scholarship Fund.~~

(1) the Pro-Vice-Chancellor (Education) (in the chair);

(2) the Director of Undergraduate Admissions;

(3) the Director of Student Administration and Services; and

(4) the Chairman of the Admissions Executive

or the holders of equivalent offices from time to time.'

**Legislative Proposal: Statute XIV:
Employment of Academic and Support
Staff by the University**

A legislative proposal and explanatory note on changes to Statute XIV (together with associated regulations) were published in *Gazette* No 5164, 23 March 2017. A notice of opposition and two notices of amendment to that legislative proposal were received, which were set out in Supplement (1) to *Gazette* No 5166, 27 April 2017.

A Congregation meeting took place on 2 May in the Sheldonian Theatre. At the meeting both amendments were rejected and the legislative proposal was carried (see *Gazette* No 5168, 11 May 2017, p454, for full results).

Postal vote on Amendment 1

Since more than 50 members of Congregation have requisitioned a postal vote on Amendment 1, the rejection of Amendment 1 in Congregation on 2 May is not confirmed, and a postal vote on Amendment 1 will now take place.

Voting papers

Voting papers were dispatched on 11 May. If any member of Congregation has not received a voting paper, they should contact the Council Secretariat at congregation.meeting@admin.ox.ac.uk as soon as possible. Every member of Congregation may vote in the postal vote regardless of whether they voted at the meeting on 2 May. Completed voting papers must be returned to the Registrar's Office (University Offices) to arrive no later than **noon on Thursday, 25 May**. Voting papers received after this time will not be counted.

Further details

Further details of the meeting on 2 May are available on the Congregation website at www.admin.ox.ac.uk/councilsec/governance/congregation/congregation2may2017statutexiv.

A transcript of the 2 May debate was published as Supplement (1) to *Gazette* No 5167.

Any queries should be addressed to congregation.meeting@admin.ox.ac.uk.

If the postal vote results in a change to the decision taken on Amendment 1 at the meeting on 2 May, then there would need to be further consideration of the legislative proposal itself. Should that be the case, details would be published in the *Gazette*.

Congregation

13 June

¶ Members of Congregation are reminded that any two members may, not later than **noon on 5 June**, give notice in writing to the Registrar that they wish to oppose or amend any of the resolutions at (1) or (2) below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the items have been adjourned, the resolutions shall be declared carried at the meeting.

(1) Voting on a Resolution authorising the use of space at 3-5 Hythe Bridge Street

Explanatory Note

The Saïd Business School (SBS) established the 'Launchpad' approximately two years ago, to provide a central environment for Oxford University Entrepreneurs to co-work. For this purpose, SBS provided an area within the business school of approximately 140 sqm net usable area (NUA). This has been successful, with a user membership in excess of 1,000 from across the University attending training, networking, mentoring and events. Due to the success of the Launchpad it has significantly outgrown its space and the space limitations are starting to have an impact on the activity that can be undertaken. SBS has particular concern that this could result in the user base decreasing. The current space provides 19 staff desks and 12 co-working desks. The 1,000 potential users are currently required to compete for the 12 co-working desks.

The SBS ambition is to provide a central point of connection, networking, training and support to enable Oxford students to develop their entrepreneurial ideas and skills. To achieve this ambition and to resolve the current space constraints, SBS propose the creation of a new entrepreneurship space for the University – the Oxford Foundry. It is intended that the Oxford Foundry will include: co-working space for up to 30 teams (comprising four people, requiring approximately 120 desks in total); meeting space for teams, founders and mentors; presentation space for workshops and lectures; informal space for students; design/making space for prototyping and learning about design approaches; office space for the staff that run the foundry; and hot-desking space for people delivering ad hoc programming.

SBS, the Social Sciences Division and Estates Services have been in discussion with Nuffield College and have identified a suitable space currently known as the Glee

Club (3-5 Hythe Bridge Street) of which Nuffield is the landlord. This building is ideally located in close proximity to SBS's main building on Hythe Bridge Street and a convenient location for access by staff and students across the University. Nuffield is keen to work with SBS as part of its strategy to rejuvenate the 'Island Site' and to strengthen its relationship with the Social Sciences Division. This space could provide flexible and configurable space to accommodate the foundry.

Text of Resolution

That approximately 743 sqm NUA in 3-5 Hythe Bridge Street be allocated to the Saïd Business School with effect from June 2017 for a period of five years.

(2) Voting on Resolutions authorising the use of space for the Department of Experimental Psychology and Department of Zoology following the closure of the Tinbergen Building

Following the unexpected closure of the Tinbergen Building on 13 February 2017, over 790 staff, doctoral students and associated facilities (including laboratory facilities, testing space, meeting and teaching space and support space) for the Department of Experimental Psychology and Department of Zoology required relocation. Estates Services has worked with the departments to identify space across the University and externally to provide immediate space solutions. Because of the need to act quickly so that academic activities could continue, a number of moves were effected in March, for which resolutions are now brought forward for endorsement.

DEPARTMENT OF EXPERIMENTAL PSYCHOLOGY

(a) Ewert House

Explanatory Note

Ewert House, located in Summertown, is predominately occupied by the Department for Continuing Education, but also houses a number of small University groups and commercial tenants. Approximately 275 sqm net usable area (NUA) has remained vacant following the relocation of the former Land Agents Office to the Malthouse. A further 125 sqm NUA is also available for use further to a decision by IT Services to release this space and relocate into existing space in the Gibson Building. The Department of Experimental Psychology occupied this space on 17 March 2017, accommodating approximately 43 people and testing space. In addition, the Department for Continuing Education and

the Department of Population Health have temporarily released approximately 152 and 72 sqm NUA respectively within Ewert House for occupation by the Department of Experimental Psychology. This space was occupied on 22 March 2017, accommodating approximately 29 people and testing space, bringing the overall amount of space made available within Ewert House to 624 sqm NUA.

The Department of Experimental Psychology occupied this space on 17 March 2017, accommodating approximately 43 people and testing space.

Text of Resolution

That approximately 624 sqm NUA in Ewert House (building number 364) be allocated to the Department of Experimental Psychology from 17 March 2017 until a medium-term solution is available, estimated to be Trinity term 2018.

(b) New Richards Building

Explanatory Note

The New Richards Building, located on the Old Road Campus, is a temporary modular building which was erected for occupation by those decanted as part of the demolition of the Rosemary Rue Building and construction of the Big Data Institute (BDI). The Department of Population Health occupied the first and second floor and released this space on occupation of the BDI in February 2017. The ground floor is currently occupied by the Department of Primary Care Health Sciences. The first and second floor (approximately 750 sqm NUA) was identified as suitable space for occupation by the Department of Experimental Psychology.

The Department of Experimental Psychology occupied this space on 10 March 2017, accommodating approximately 73 people and testing space.

Text of Resolution

That approximately 750 sqm NUA in the New Richards Building (building number 695) be allocated to the Department of Experimental Psychology from 10 March 2017 until a medium-term solution is available, estimated to be Trinity term 2018.

DEPARTMENT OF ZOOLOGY*(c) New Radcliffe House**Explanatory Note*

New Radcliffe House is located on the Radcliffe Observatory Quarter (ROQ) and comprises three floors; the ground floor is occupied by the Jericho Health Centre, the first floor by Oxford University Press and the second floor remains unallocated following vacation by the Department of Primary Care Health Sciences. The second floor provides approximately 1,095 sqm NUA of office and meeting space, and was identified as a suitable location for occupation by the Department of Zoology.

The Department of Zoology occupied this space on 10 March 2017, accommodating approximately 154 people.

Text of Resolution

That approximately 1,095 sqm NUA in New Radcliffe House (building number 553) be allocated to the Department of Zoology from 10 March 2017 until a medium-term solution is available, estimated to be Trinity term 2018.

*(d) Wytham Field Station**Explanatory Note*

The Wytham Field Station has historically been occupied by the Department of Zoology, although many activities were relocated in 2014. It was identified by the department as an ideal location to decant several groups as the department already has a presence within the building and site.

The Department of Zoology occupied this space on 13 March 2017, accommodating approximately 69 people and some laboratory facilities.

Text of Resolution

That approximately 728 sqm NUA in Wytham Field Station (building number 267) be allocated to the Department of Zoology from 13 March 2017 to 12 March 2022.

(3) Topic for discussion: what should the Audit and Scrutiny Committee scrutinize in the coming year?

Congregation elects three of its members to the Audit and Scrutiny Committee, which oversees the University's audits and conducts "structured inquiry or investigation into failures or alleged failures of the University's operations." While members of Congregation and others can contact Committee members, there is no formal mechanism by which elected members report back to Congregation.

The undersigned, which include the current elected members, propose holding a discussion in which Congregation can hear from and talk with its elected members, and discuss the Committee's scope, how it might help improve the operation of the University, and potential themes for scrutiny for the next academic year (2017-18).

It is anticipated that the discussion may raise issues which may be addressed not only by the Committee, but by other bodies and officers of the University; it is hoped the discussion will be useful to all such bodies and officers. It should also be noted that issues may still be raised by the usual confidential channels, including those to the Committee, the Proctors, Council, and others.

Review of the University's implementation of the Prevent duty

The Counter-Terrorism and Security Act 2015 creates a statutory duty for specified public authorities, including universities, to 'have due regard to the need to prevent people from being drawn into terrorism' (the Prevent duty). In complying with the Prevent duty, universities must 'have particular regard' to both 'the duty to ensure freedom of speech' and 'the importance of academic freedom'.

The University established a steering group, including representatives from the academic divisions, Congregation, UAS and the Conference of Colleges, to consider in detail how the University should respond, and give effect to, the statutory duty. As part of the risk assessment and action plan submitted to HEFCE (the body responsible for monitoring universities' compliance with the duty) in August 2016, Council undertook to conduct an annual review to:

'ensure that changes to University regulations and procedures associated with the Prevent legislation and any actions taken in relation to Prevent are not undermining, remain subject to, and are operating in a manner to secure and protect the rights of academics, students, staff and visiting speakers under existing law, including the Education (No 2) Act 1986, the Human Rights Act 1998, the Equality Act 2010 and data protection legislation.'

This review is being undertaken by Professor Hugh Collins, Vinerian Professor of English Law, All Souls. Professor Collins will consult with relevant parties (including, but not limited to, Student Welfare and Support Services, OUSU, the Equality and Diversity Unit and the Proctors' Office) on their experience of the University's implementation of the Prevent duty. Members of staff or students who have any comments or issues which they would like to be considered as part of this review within the terms of reference set out above should email these to prevent-review@admin.ox.ac.uk before **4pm on 9 June**. Comments should be sufficiently detailed

to allow the reviewer to give them full and proper consideration but will be treated in confidence.

As the University and each of the colleges are being separately monitored by HEFCE, this review will necessarily focus on the University's implementation of the Prevent duty. However, if any generic issues come to light as part of this review, which may have implications for the collegiate University as a whole, they will be shared with the Conference of Colleges as appropriate. Many college governing bodies are conducting similar internal reviews and any comments on college-specific matters should therefore be directed to the relevant college in the first instance.

Further information on the Prevent duty and on the University's approach can be found at <https://www1.admin.ox.ac.uk/councilsec/prevent>.

The Very Revd Professor Percy, Dean of Christ Church, Faculty of Theology
M D Damazer, Master of St Peter's
A M S Prochaska, Principal of Somerville, Faculty of History
A J Bate, Provost of Worcester, Faculty of English Language and Literature

E G W Keene, Christ Church, Faculty of Social Studies
R S R Mitter, St Cross, Faculties of History, of Oriental Studies and of Social Studies
A J C Parker, Faculty of Clinical Medicine
L A Roper, Oriel, Faculty of History

Candidate statement:

I am an Associate Professor in History of Art and a Student (Fellow) of Christ Church. I helped establish Oxford's undergraduate degree in Art History and I have held positions of responsibility in my faculty, at my college, and in the central University, including Head of Department, Tutor for Admissions, and Associate Head of the

Humanities Division. This has given me a clear understanding of how to get things done at Oxford.

Oxford faces many challenges. Some are long-standing, such as how to integrate more successfully the University's strengths with those of the colleges. Other challenges are more recent, such as the need to develop a coherent and comprehensive internationalisation strategy that looks beyond the immediate concerns surrounding Brexit. We must also consider the effectiveness of our current career progression system for academics and the difficulties of maintaining a healthy work-life balance given the increasing demands on staff at all levels. More generally, we must find better ways of engaging all members of the academic community in planning for the future, in terms of both our facilities and the people who will work and study in them.

My experiences at Oxford and at other academic institutions in the UK, Europe, and North America give me a valuable perspective on key issues facing the collegiate University. Serving on Council would let me develop innovative and effective proposals to address some of Oxford's most pressing problems, whilst not forgetting the impact such proposals can have on individual academics, students, and support staff.

Julia H M Smith, MA Camb, DPhil Oxf, Fellow of All Souls, Faculty of History

Nominated by:

M H Conway, Balliol, Faculty of History
E R F Harcourt, Keble, Faculty of Philosophy
K E O'Brien, University College, Faculty of English Language and Literature
M J Smith, University College, Faculty of Oriental Studies

Candidate statement:

If elected to Council, I will bring considerable experience of university governance and leadership in an ancient university at a time of rapid change. Prior to my appointment as the Chichele Chair of Medieval History in 2016, I held the Edwards Chair of medieval history at the University of Glasgow. In this position, I served as Deputy Dean of the Faculty of Arts (2009-10) then, after restructuring, as Deputy Head of the College of Arts (2010-12). In this role I participated in strategic leadership at a time of great change, represented the College of Arts on university-level committees and on Senate, and led initiatives on equalities and mentoring, work-load, undergraduate and graduate internships and internationalisation. I

chaired Faculty/College Board and Faculty Council as needed. I gained experience of working with colleagues from all sectors of the university, including administrative and support services as well as the University of Glasgow's four Colleges (=Divisions). From 2017, I will serve as director of research for the Oxford History faculty.

One member of Congregation elected by Congregation from members of the faculties in the Divisions of Mathematical, Physical and Life Sciences and of Medical Sciences

<i>Current/Retiring Member</i>	<i>To hold office from</i>	<i>To hold office until</i>
Professor L Tarassenko, St John's	MT 2017	MT 2021

Professor L Tarassenko, St John's

The following nominations have been received:

Tim Coulson, BSc York, PhD Dip Imp, Fellow of Jesus, Faculty of Zoology

Nominated by:

D D C Bradley, Jesus, Faculties of Physics and of Engineering Science
Y S Malhi, Oriel, Faculty of Anthropology and Geography
P N Mirfield, Jesus, Faculty of Law
B C Sheldon, Wolfson, Faculty of Zoology

Candidate statement:

I am a biologist based in the Zoology department with interests in understanding the dynamics of the natural world, in predicting the consequences of anthropogenic change on these dynamics, and in characterizing their impact for humanity. I am Professor of Zoology, Associate Head of Department, and a member of the Fellowship of Jesus College. I moved to Oxford from Imperial College in 2013, and now feel I have a sufficient understanding of the workings of the University that I can make useful contributions via Council membership. My motivation for standing for Council is a strongly held belief that senior academics have a duty to contribute to the governance, administration, and financial and asset management of the University. The next few years are likely to pose significant challenges for the University as Brexit plays out, and council will have to consider how best to meet these challenges. I believe my experience of researching the dynamics and consequences of change, albeit in a different setting, provide me with a skillset appropriate for a member of Council during such times.

Freddie C Hamdy, MB ChB Alexandria, MA Oxf, MD Sheff, Fellow of Balliol, Faculty of Clinical Medicine

Nominated by:

Sir John Bell, Christ Church, Faculty of Clinical Medicine
Dame Kay Davies, Hertford, Faculties of Physiological Sciences and of Clinical Medicine
G A P Holländer, Jesus, Faculty of Clinical Medicine
S H Kennedy, Green Templeton, Faculty of Clinical Medicine
I M C Tracey, Pembroke, Faculties of Psychological Studies and of Clinical Medicine

Candidate statement:

As a practising academic surgeon and trainer of surgeon scientists, head of the Nuffield Department of Surgical Sciences and Director of the Division of Surgery & Oncology at the Oxford University Hospitals NHS Trust, I will bring to Council skills from an old academic discipline, which is becoming critically important through innovation technology and cutting edge minimally invasive interventions, closing the loop from basic science to the bedside and operating room. This has been achieved by strong, multidisciplinary inter-departmental and cross-divisional links, successfully forged over the past 8 years. I also sit at the heart of an important interface between academia and healthcare delivery, bridging the gaps between the University and the NHS at Oxford and beyond. With insight into the many opportunities, difficulties and financial challenges faced by our academic institution in research, teaching, training and administration, I will be pleased and well-placed to serve Council.

Professor Jennifer J Kurinczuk, BSc MB ChB MD Leic, MSc Lond, Faculty of Clinical Medicine

Nominated by:

J M Armitage, Faculty of Clinical Medicine
B S Casadei, Faculty of Clinical Medicine
Professor Sir Rory Collins, St John's, Faculty of Clinical Medicine
J M Green, Faculty of Clinical Medicine
C P Jenkinson, Harris Manchester, Faculty of Clinical Medicine
M Knight, Faculty of Clinical Medicine
M J Parker, St Cross, Faculty of Clinical Medicine
M A Quigley, Faculty of Clinical Medicine
S Shepperd, Kellogg, Faculty of Clinical Medicine
S B Ziebland, Green Templeton, Faculty of Clinical Medicine

Candidate statement:

As an institution which prides itself on academic excellence the University requires access to the very best researchers and teachers to enable delivery of the highest quality research and teaching. A central focus of my work is on ensuring that my generation of researchers and teachers is replaced by the very best of the next generation. To do this, we need to remove structural and cultural barriers, and positively support the development of all staff and students, particularly early career researchers. With encouragement from the Athena SWAN Charter many of the STEMM Units and Departments, including my own, have made great strides in this direction. However, it is vital that leadership, and investment, for the development of a positive and supportive culture, and systemic change to ensure that all University staff work in an environment which values equitably their contribution and supports them to achieve their best comes from the very top of the organisation. I want to participate in achieving this goal and is one of the reasons I am standing for election to Council.

As Director of the National Perinatal Epidemiology Unit I have successfully led national and international research collaborations bringing together multi-disciplinary groups to work together. This involves leadership of individuals and groups who often start from a different perspective. We live in politically and economically turbulent times and in responding to, and pre-empting, events the University will require flexible and innovative leadership. I look forward to contributing to that leadership if elected to Council.

One member of Congregation, not necessarily being a member of any division and not in any case being nominated in a divisional capacity, elected by Congregation

<i>Current/Retiring Member</i>	<i>To hold office from</i>	<i>To hold office until</i>
Professor Sir Rick Trainor, Exeter	MT 2017	MT 2021

The following nominations have been received:

Tania Boyt, MBA Open, Department of Physiology, Anatomy and Genetics

Nominated by:

C A Manning, University College, Faculty of Psychological Studies
J Y Martin, Department of Pharmacology
D J Paterson, Merton, Faculty of Physiological Sciences
M S Wilkins, Sir William Dunn School of Pathology

Candidate statement:

I am currently the Head of Administration and Finance in the Department of Physiology, Anatomy and Genetics. Since joining the University in 2001, I have been the Departmental Administrator/Head of Administration and Finance for five different departments across two divisions. Undertaking these roles has provided me vast experience in all the key departmental administrative areas including HR, finance, research, infrastructure, teaching and student administration. My background is in human resources but I am able to cover all aspects of university administration.

During my University departmental experience, I have relished the variety of challenges that each department has offered. I pride myself of being able to work across the whole width and breadth of administration from strategic to the cold face and across every discipline.

As a member of Congregation, I believe it is important and an obligation to participate in the operation of the University community. I currently sit on numerous University sub-groups and working parties and these add to my growing breath of knowledge. I feel I would be a valued member of the Committee and would welcome the opportunity to bring my operational expertise and experience to assisting the wider University.

Professor Brian Foster, BSc Lond, MA DPhil Oxf, Fellow of Balliol, Faculty of Physics

Nominated by:

Professor Sir Drummond Bone, Master of Balliol, Faculty of English Language and Literature
R J Cashmore, Brasenose, Faculty of Physics
S C Cooper, St Catherine's, Faculty of Physics
A M Cooper-Sarkar, St Hilda's, Faculty of Physics
F C Kirwan, Balliol, Faculty of Mathematics
I P J Shipsey, St Catherine's, Faculty of Physics

Candidate statement:

I believe that my experience on the Councils of a Research Council (PPARC), the Institute of Physics and currently the Royal Society give me the experience and insight to contribute strongly to Council. In the uncertainty of the evolving Brexit, my international perspective as a leader of large international collaborations and my knowledge of European science institutions, particularly in Germany, where my research is currently based, will be of use to Council's discussions on future international relationships. I also have experience with funding arrangements in many other countries, particularly the USA, China and Japan. I am currently a member of the Royal Society Higher Education and Research contact group, concerned with issues such as the Higher Education Bill and the future of REF and TEF. As a member of Main Panel B and Chair of the Physics Committee for REF2014, I have experience with research evaluation methodologies. I am also a member of Royal Society working group with the French and German Scientific Academies on Research Evaluation. I serve on the Royal Society's Public Engagement Committee and have been strongly involved in public engagement throughout my career. As the founder and Chair of Trustees of the Oxford May Music Festival, a registered charity, I have experience of the interconnections between the sciences, arts and humanities and of the voluntary sector. If elected I will work hard to ensure that Oxford's core values of scholarship, internationalism and openness to all talents are maintained and strengthened in these challenging times.

Antone Martinho, AB Harvard, MA DPhil Oxf, Fellow of Magdalen, Faculty of Zoology

Nominated by:

P D Elbourne, Magdalen, Faculty of Philosophy
A Kacelnik, Pembroke, Faculty of Zoology
D T LaValle, Magdalen, Faculty of Classics
G Varelli, Magdalen, Faculty of Music
R C S Walker, Magdalen, Faculty of Philosophy

Candidate statement:

I am standing for Council because I believe in this university: its deep and storied history and the promise of a future still more successful and exciting. I will bring energy and industry to this role and dedicate myself to improving our university and keeping it in its deserved spot atop world rankings.

I am particularly interested in improving the experience of our graduate students to ensure that Oxford is an enticing academic home for the best blossoming scholars. We have a great asset in our varied Colleges, which support well-fitted, nurturing environments for excellence.

I believe in making the blessings of an Oxford education available to deserving students regardless of their financial circumstances, and will advocate for improved financial aid for those in need, a resource critical to our continuing to keep pace with the provisions offered by our peer institutions.

Oxford's unique character and academic resources have made it home to top class scholarship and attracted the world's great thinkers for centuries. We must continue to ensure that a career at Oxford remains an attractive and promising prospect to researchers worldwide. This is particularly true of our junior academics and post docs, whose better provision and intergration into university life I would make a priority.

Our university faces uncertainties in the coming years, and will require committed and energetic leadership to ensure we are an unimpeachable community of learning. I believe I can contribute to upholding this responsibility of good stewardship of this ancient and modern institution.

K J Humphries, All Souls, Faculty of History
K E O'Brien, University College, Faculty of English Language and Literature

Candidate statement:

I'm Director of the Department for Continuing Education and President of Kellogg College; this experience means I bring a fresh perspective to the deliberations of council regarding the future direction of the University. I'm fully supportive of the University's *Strategic Plan*, which, beyond teaching and research embraces a commitment to civic engagement. As Professor of Innovation & Knowledge Exchange, I believe in the importance of interdisciplinarity and widening engagement activities which look outwards beyond academe.

The growth in the Department for Continuing Education over the past nine years means Oxford is leading developments in this area globally. I'm committed to strive for recognition of how such activities can increase the diversity of the student body and enrich the culture of the University - and the lives of participating students, plus through media and other channels, influence policy makers and politicians.

As head of house, I participate in Conference of Colleges. I'm a co-opted member of the Social Sciences Divisional Board and also serve on the following University Committees: Education, Finance, Student Number Planning, Student Fees & Support, Impact & Knowledge Exchange, and the Natural History Museum Board. Richard Ovenden, BA Durh, MA Lond, MA Oxf, Fellow of Balliol, Faculty of History

Nominated by:

Dame Hermione Lee, President of Wolfson, Faculty of English Language and Literature
A J Carr, Worcester, Faculty of Clinical Medicine
H F Hamerow, St Cross, Faculty of History, Subfaculty of Archaeology
L How, Bodleian Libraries Directorate
A J Hurrell, Balliol, Faculty of Social Studies
T F Melham, Balliol, Faculty of Computer Science

A E Trefethen, St Cross, Faculty of Computer Science
L Van Broekhoven, Linacre, Faculty of Anthropology and Geography
I A Walmsley, St Hugh's, Faculty of Physics

Candidate statement:

I would like to offer myself as a candidate for election to Council.

I have been in Oxford since 2003, in a variety of roles in the Bodleian, since 2014 as Bodley's Librarian. I have held fellowships at two colleges, and have enjoyed and greatly benefitted from those two communities. I have also had experience of working with colleagues on projects and initiatives in all Divisions, including major research projects, and have an appreciation of the challenges that face the University from a variety of perspectives: academically, financially, operationally, and also from the collegiate, and institutional perspectives. Over the years I have served on Personnel Committee, Research Committee, BESC, and IT Committee and would like to bring this experience, drawn from my perspective of knowledge across the institution, to bear on the decisions made in Council.

In my role I am fortunate to see the best aspects of the University: the sheer intellectual power of the place, the extraordinary size and range of our endeavours, the enormous dedication of staff at all levels, and the way in which our decision-making structures, unique and imperfect though they are, have tended to support our continued intellectual success.

I would like to have the opportunity serve the University, at this especially challenging time, by contributing to the work of the University on Council.

Balázs Szendroi, BA CASM PhD Camb, Fellow of St Peter's, Faculty of Mathematics

Nominated by:

M D Damazer, Master of St Peter's
M R Bridson, Magdalen, Faculty of Mathematics
A M Etheridge, Magdalen, Faculties of Statistics and of Mathematics
D S Gangjee, St Hilda's, Faculty of Law
C S Mawson, Wadham
P Rothwell, St Peter's, Faculty of Medieval and Modern Languages

U L Tillmann, Merton, Faculty of Mathematics
A A Williams, St Peter's, Faculty of English Language and Literature

Candidate statement:

I have been a University Lecturer at the Mathematical Institute and Fellow and Tutor in Pure Mathematics at St Peter's College since 2005, with Professorial title awarded in 2014. I have served my College as Tutor for Admissions (2008-2013) and Senior Tutor (since 2015), and have had long stints on a variety of College and Departmental Committees including Academic Affairs, Investment and Art. My research interests lie in algebraic geometry; I was awarded the Royal Society Leverhulme Trust Senior Research Fellowship in 2013.

For a number of years, I have been coordinating various research training and development activities in Africa, working with an annual budget in the region of \$100K p.a. raised from a variety of sources. I have served on the Council of the African Institute of Mathematical Sciences, Cape Town, since 2014, and have recently been engaged by the Swedish International Development Coordination Agency to evaluate two of their programmes in East Africa. Professor R G Ratcliffe, MT 2017
New College

The following nominations have been received:

Paul C Adams, Department of Pharmacology

Nominated by:

K A Dora, Worcester, Faculty of Physiological Sciences
N J Emptage, Lincoln, Faculty of Physiological Sciences
C J Garland, Magdalen, Faculty of Physiological Sciences
J Y Martin, Department of Pharmacology

Candidate statement:

I have worked within the University for nineteen years; formerly at the Department of Chemistry and, since 2009, at the Department of Pharmacology.

I would like to offer the committee my ten years' worth of experience in the role of a Building and Facilities Manager - a role in which I experience the day-to-day reality of the practices, regulation and decisions made by BESC and other Estate's committees from a 'customer' perspective. This is a perspective I believe the committee may lack at present.

Professor Martin C J Maiden, BA R'dg, MA status Oxf, PhD Camb, Fellow of Hertford, Faculty of Zoology

Nominated by:

W N Hutton, Principal of Hertford
R H V Jones, Estates Services
P Klenerman, Green Templeton, Faculty of Clinical Medicine
B C Sheldon, Wolfson, Faculty of Zoology

Candidate statement:

I joined the Department of Zoology as a Wellcome Trust Senior Fellow in 1997, having spent 9 years (1988-1997) working as a Senior Scientist for the NHS at the National Institute for Biological Standards and Control in Hertfordshire. In October 2004 was appointed Professor of Molecular Epidemiology and a Governing Body Fellow of Hertford College, where I am currently Tutor for Graduates. As a medical microbiologist, I have a long-standing interest in laboratory infrastructure and I have particular experience in

the construction refurbishment and maintenance of containment laboratories. Since the closure of the Tinbergen Building on 10th February 2017, I have been working very closely with many members of the Estates Department on the decant of the building and the provision of short and medium term solutions my Department. I have wide experience of working within the MPLS Division and have collaborated extensively with colleagues in the Division of Medicine. Through my work at Hertford I have enjoyed close working relationships with colleagues from the Humanities and Social Sciences and I am confident that I am well placed to represent the interests of both graduate and undergraduate students. I am strongly of the view that it is important that academics active in both teaching and research should contribute to the wider administration of the University and that the development and maintenance of an excellent estate is central to the University's success.

CURATORS OF THE UNIVERSITY LIBRARIES

One member of Congregation elected by Congregation

<i>Current/Retiring Member</i>	<i>To hold office from</i>	<i>To hold office until</i>
--------------------------------	----------------------------	-----------------------------

Dr L J Smith, MT 2017
Harris Manchester

The following nominations have been received:

Emma Smith, MA DPhil Oxf, Fellow of Hertford, Faculty of English Language and Literature

Nominated by:

Professor Sir Rick Trainor, Rector of Exeter, Faculty of History
W N Hutton, Principal of Hertford
H R Woudhuysen, Rector of Lincoln, Faculty of English Language and Literature
M J Snowling, President of St John's, Faculty of Psychological Studies
M H Conway, Balliol, Faculty of History
S J Wheale, Bodleian Special Collections

Candidate statement:

I've been a Bodleian reader for almost thirty years. More recently I have worked with colleagues across its many different departments: collections, exhibitions, publications, communications, digital, fundraising, and conservation. This has given me an increased awareness of the importance of the Bodleian Libraries, not just to my own and other scholarly research,

but to the University's wider cultural engagement. I also know something of the financial pressures under which this work is taking place. The libraries have worked hard to absorb these constraints but cannot continue their work if annual budgets are always being reduced. We need to remind ourselves that the Libraries are an extraordinary international asset – and have been for centuries. I'd be keen to be part of the Libraries' work towards a sustainable financial strategy, perhaps underpinned by endowment income.

I would bring my love of the Bodleian Libraries together with my experience as an academic involved in teaching and research. I also have administrative understanding from the University's Education Committee, and from the Education IT Board and the Taught Degrees Panel, both of which I chair. Since 1602 the Bodleian has been at the heart of the University, as a laboratory for generating and interrogating knowledge across all the disciplines. It has always adapted, and must to continue to do so, but there are also some fundamental ways in which it needs to remain the same. As a Curator, I think I could be an advocate for the Libraries and help to balance these competing necessities.

Professor Lesley Smith, BSc MSc LSE, MA DPhil Oxf, Fellow of Harris Manchester, Faculty of History

Nominated by:

R Waller, Principal of Harris Manchester, Faculty of Theology
L J Gullifer, Harris Manchester, Faculty of Law
S A Killoran, Harris Manchester
N F Palmer, St Edmund Hall, Faculty of Medieval and Modern Languages

Candidate statement:

I'm standing for re-election as a Curator of the University Libraries as I hope to build on the knowledge I've gained during my first term. Excepting illness and dates that coincided with undergraduate Admissions, I've been to every meeting and taken part in the Away Day on the five-year strategic plan. I've learned a lot about the range and depth of the Libraries' business, which includes not only book provision, but digitization projects, big data management, and managing Oxford's Open Access requirements. In addition, I've been to some of the Libraries' technical services departments to find out how the staff deal with the 3,000+ items that arrive every week.

As a regular reader of Special Collections, I already knew a lot about that side of the

Libraries' provision, but I'm now much more able to comment on the needs of other users, including those who never physically come to a library building. I've also taken it as one of my duties during these three years to try to consider the needs of the Libraries' staff and to make sure these are considered by Curators. As cuts continue, but demands increase, this is a crucial period for Libraries' development, including the newest requirement for public engagement. Libraries' strategy has been (rightly, in my view) not to retrench; but it's important that this not be at the expense of staff morale.

Professor N J Kruger, Pembroke	MT 2017	MT 2023
--------------------------------	---------	---------

The following nominations have been received:

Richard Briant, MA Camb, MA Oxf, Fellow of St Cross, Saïd Business School

Nominated by:

J Friedrichs, St Cross, Faculty of Social Studies
D N J MacCulloch, Kt, St Cross, Faculties of History and of Theology
R E Makepeace, St Cross
S Strand, St Cross, Faculty of Social Studies

Candidate statement:

The University Parks give great pleasure to a great number of people, all year round and in many different ways. The Parks are wonderful and I love them! My aim is to help ensure that they continue to be an excellent resource for our diverse communities.

Nicholas J Kruger, MA Oxf, PhD Camb, Fellow of Pembroke, Faculty of Plant Sciences

Nominated by:

L Dolan, Magdalen, Faculty of Plant Sciences
N P Harberd, St John's, Faculty of Plant Sciences
R G Ratcliffe, New College, Faculty of Plant Sciences
J A C Smith, Magdalen, Faculty of Plant Sciences

Candidate statement:

I have been a Curator of the University Parks since 2011, and I welcome the possibility

of serving for a second term. My aims over the past six years have been to ensure that the University Parks can be enjoyed as a valuable outdoor amenity by members of the University as well as the wider local community, and to support the activities of the Superintendent of Parks and his team in developing and maintaining the Parks (as well as many other areas throughout the university for which they are responsible). If re-elected I would continue with similar objectives.

Having trained as a plant biologist, I have an informed interest in the University Parks, and being based in the Department of Plant Sciences, I am ideally located to monitor activities in the Parks as I have done regularly throughout my tenure as a Curator. Moreover, as the son of a Parks Superintendent, I have been aware from an early age of the challenges involved in meeting the contrasting requirements of these areas as horticultural havens and sites for recreational activities.

With the imminent retirement of the current Superintendent after many years of successful guardianship of the Parks, a major responsibility of the Curators in the immediate future will be to support the induction of his replacement to ensure continued effective stewardship of this precious resource and the other work of the Parks staff. Continuity within the membership of the Board of Curators will help in facilitating this transition.

Luke Pitcher, MA Oxf, PG Cert Durh, Fellow of Somerville, Faculty of Classics

Nominated by:

A J Parker, Somerville
S M Rayner, Somerville, Faculty of Physics
F J Stafford, Somerville, Faculty of English Language and Literature
A M V Suerbaum, Somerville, Faculty of Medieval and Modern Languages

Candidate statement:

The Parks are the pride of the University, and the chief adornment of the City. Commitment and experience are needed for their oversight. As a Somerville College resident, I live within five minutes' walk from the Parks, and therefore have a personal interest in their proper running. I have previous experience of the Board from my recent term as University Assessor, in which I became familiar with every aspect of University governance. I hope, then, that I can count on your votes as your representative in caring for the Parks that we love.

Professor Dame Valerie Beral, Green Templeton, Faculty of Clinical Medicine
C P Conlon, Oriel, Faculty of Clinical Medicine
C W Pugh, Kellogg, Faculty of Clinical Medicine
S Shepperd, Kellogg, Faculty of Clinical Medicine

Candidate statement:

I wish to stand for election for the Medical Sciences Board because I believe I can make a valuable contribution to strategic planning and management of the Medical Sciences Division. I am Director of the MRC Population Health Research Unit (PHRU; 53 staff), and Deputy Director of the Clinical Trial Service Unit and Epidemiological Studies Unit (250 staff), both of which are part of the Nuffield Department of Population Health (NDPH). I have experience in all aspects of directing a large medical group, including funding and budgeting, directing scientific and administrative staff, career development and training, and strategic planning. I have raised over £80 million in funding during my career. I was responsible for coordinating the REF 2014 return for the NDPH, in collaboration with the Department of Primary Health Care Sciences, which was rated top nationally in Population Health and Primary Care, and believe that I would be able to make a strong contribution to

planning for the next REF exercise. I serve as joint Athena SWAN coordinator for NDPH, and during my tenure we have successfully obtained bronze and silver awards. I have served on national funding panels, and I am currently vice-Chair of the BHF Clinical Studies Committee, and as Director of MRC PHRU I am involved in discussions within the MRC about national funding strategy. In summary, I believe that my experience and skills will be valuable to the Division in maintaining its competitive strength, and would welcome the opportunity to serve on this Divisional Board.

Professor Jonathan L Rees, BM BS MD Lond, MA Oxf, Fellow of Pembroke, Faculty of Clinical Medicine

Nominated by:

A J Carr, Worcester, Faculty of Clinical Medicine
A M Furger, Pembroke, Faculty of Biochemistry
J C Taylor, St Edmund Hall, Faculty of Clinical Medicine
B P Wordsworth, Green Templeton, Faculty of Clinical Medicine

Candidate statement:

I have been part of the Faculty of Medicine in the Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Science (NDORMS) for the last 12 years. For part of that time I have been Head of Education in NDORMS and also Director of the undergraduate medical student programme for Orthopaedics, Rheumatology, Trauma and Emergency Medicine.

I have also sat on Royal College Research Committees, National Surgical Society Councils and other national committees. I have been involved at this level in strategic planning and the delivery of new projects. I have authored a number of national guidelines, national reports and national policies that standardise and improve patient care.

I now want to use these experiences and the skills learnt to make a greater contribution within the University and the Medical Sciences Division.

Professor Kevin Talbot, BSc MB BS Lond, DPhil Oxf, Faculty of Clinical Medicine

Nominated by:

K M Channon, Exeter, Faculty of Clinical Medicine
G A P Holländer, Jesus, Faculty of Clinical Medicine
I M C Tracey, Pembroke, Faculties of Psychological Studies and of Clinical Medicine
M J A Wood, Somerville, Faculty of Physiological Sciences

Candidate statement:

In my current role as Head of the Division of Clinical Neurology, within the Nuffield Department of Clinical Neurosciences, I am responsible for overseeing the academic leadership of basic and clinical research in neurology and related disciplines. I have a strong track record of mentoring the careers of others, and in undergraduate teaching at both pre-clinical and clinical level, including serving on the examination boards of the pre-clinical (BM) exams and the MSc in Neuroscience. I have considerable experience in managing cross-departmental research projects, and for 10 years my research group was based in DPAG, before moving to the Headington campus. I am therefore one of a very few clinician scientists in Oxford who has direct experience of both the South Parks Rd and hospital based research environments in the Medical Sciences Division, and I am strongly committed to improving integration across the Division. As a clinically active academic I am well versed in navigating through the challenges of delivering high quality research and education within the NHS environment. I am currently a member of the Joint University/OUHFT R and D Committee. I would now like to build on this experience through membership of the Medical Sciences Divisional Board.
