In *Examination Regulations* 2014

Detail of change

On p. 780, l. 25-48, amend the text as shown below:

(i) **(b) Major corrections** If the examiners are satisfied that the candidate's thesis is of sufficient potential merit to qualify for the degree but consider, nevertheless, that before the thesis is deposited the candidate should make major corrections (which are not sufficiently substantial to justify reference back for re-examination and which should be capable of completion within six months), they should report this preliminary recommendation to the board with a description of the major corrections which they require the candidate to make before they confirm their recommendation. Where the examiners make this recommendation, and the board, considering the extent and nature of the major corrections, takes the view that the recommendation ought to be reference of the thesis back to the candidate in order that he or she may revise it for re-examination, the board may, exceptionally, ask the examiners to review their recommendation. If the candidate has not completed these corrections within six calendar months of the date of receipt of the list of major corrections from the examiners, his or her name shall be removed by the Registrar from the Register of Students for the Degree of Doctor of Philosophy, provided that the board may, on good cause shown by the candidate, grant an extension of time of up to three further calendar months in which the candidate may fulfil this requirement before the removal of his or her name from the Register. No subsequent extension shall be granted, but it shall be open to a candidate who has failed to fulfil this requirement within those six or nine months in total, to apply to the board for reinstatement as a Student for the Degree of Doctor of Philosophy, with the support of his or her society and supervisor,

upon submission to the Registrar of a copy of his or her thesis incorporating the required corrections, and upon payment of such reinstatement fee as may from time to time be prescribed by Council by decree. Permission to supplicate shall not be granted until this fee has been paid.
