Effective date

For students starting from MT 2019

Detail of change

2. Amend citation 1.18 as follows:

~~3. *Research Methods in Visual, and Material Anthropology and Museum Ethnography*~~
Research Methods in Visual, Material, and Museum Anthropology

Explanatory Notes

The amended title 'Research Methods in Visual, Material, and Museum Anthropology' fully reflects the title of the degree. The old title was maintained in the regulations partly in error when two former separate degrees in 'Visual Anthropology' and 'Material Anthropology and Museum Ethnography' were discontinued and the single degree in 'Visual, Material, and Museum Anthropology' established.
