Corrigendum: Delegacy for Military Instruction

When amendments to the membership of the Delegacy for Military Instruction were made in 2012 (Gazette No 5007, 22 November 2012, p177), a consequential change within the regulations was overlooked.

In Part 5 of Council Regulations 2 of 2004, concerning the Delegacy for Military Instruction, delete existing paragraph (3) of regulation 5.3 and substitute (new text underlined, deleted text scored through):

'The period of office for the members under regulation 5.1 (6), (9), (10), (13), (20) and (21) above shall be four years and they shall serve no more than two consecutive full terms of office. Casual terms of office shall not count towards this limit.'

Consultative Notices

Review of the Roles of the Proctors and Assessor

Council's General Purposes Committee (GPC) has established a group to review the roles of the Proctors and the Assessor, with the following terms of reference:

'Taking into account the points raised by the outgoing Assessor in 2014 and the outgoing Senior Proctor in 2015 (see note below), the review group is asked to consult as appropriate, consider and make recommendations to GPC on:

(a) the balance of duties between each of the Proctors and Assessor;
(b) the office and status of the Assessor; and
(c) in the light of (a) and (b) above, any matters relating to the terms and conditions of the Proctors and the Assessor, for example eligibility and stipend.'

The review group has the following membership:

(1) Chair: The Very Revd Professor Martyn Percy, Dean of Christ Church
(2) Former Senior Proctor: Professor Martin Williams, New College (Chair of the Committee for the Proctors' Office)
(3) Former Junior Proctor: Professor Amy Zavatsky, St Edmund Hall
(4) Former Assessor: Dr Paul Martin, Wadham
(5) Member nominated by the Education Committee: Professor Margaret Stevens, Lincoln (Associate Head of Education, Social Sciences Division)
(6) Member nominated by the Conference of Colleges: Lucinda Rumsey, Senior Tutor, Mansfield

The review group would welcome for its review written comments on any matters falling within its terms of reference. Written
The outgoing Assessor in 2014 concluded that there were a number of aspects that made the role of the Assessor generally unsatisfactory:

(i) the original purpose of the role, to give the women's and graduate colleges access to University governance, was obsolete;

(ii) Assessors had concentrated on health and welfare issues. While this was a rewarding role, it was not in practice full time, and it meant that the committees in this area chaired by the Assessor face an annual change in chair, to the detriment of their longer-term development of policy and consistency in decision making;

(iii) beyond this the Assessor's duties were fragmented; Assessors might undertake special projects, but this was ad hoc and the project had to be one capable of being completed within the Assessor's year of office;

(iv) the University's legislation did not give the Assessor authority as it did for the Proctors. This means that, even within the health and welfare role of the Assessor, at certain points the Assessor had to pass cases over to the Proctors for determination; and

(v) although the Proctors and Assessor worked as a team, within their defined duties there was too much work for the Proctors, and not enough for the Assessor.

Note

The comments should be sent to the Secretary to the review group, Dr Nigel Berry, by no later than **Friday, 29 January 2016**.

While not ruling anything in or out at this stage, the review group is likely to concern itself with matters such as: the overall workload on the Proctors and the Assessor; whether there should be an adjustment in the roles and relative workload between the Senior Proctor, the Junior Proctor and the Assessor; whether the Assessor's role should continue in its present form; whether or not there is a case for having three Proctors, with or without the office of assessor; whether the assessor's role should continue in its present form; whether or not there is a case for having three Proctors, with or without the office of Assessor; the continued willingness or otherwise of academic staff to be elected to these three offices given the demands of both teaching and research; and changes in the internal and external environments that are impacting on the roles of these officers, such as the changed nature of welfare support in the collegiate University and its impact on the role of the Assessor and the creation of the Office of the Independent Adjudicator (OIA) and its impact on the role of the Proctors.
