Council considers the resolution unacceptable to it. A debate will therefore be held at the Congregation Meeting on 10 February.

At its meeting on 19 January, Council gave careful consideration to the resolution first published on 15 January. Council welcomes the conclusions of the Environmental Statement on the Castle Mill Development.
that: With the improvements proposed in the Design Mitigation Strategy (Option 1), the advantages of the development would outweigh any residual harm; and that: ‘...for economic and social reasons anything more than the minimum required to achieve a measure of environmental improvements would have a disproportionate effect and should not be pursued on these grounds’. Council proposes, subject to local authority planning processes, to proceed with mitigation work consistent with Option 1 and deems unacceptable the demand for the implementation of Option 3, which the Environmental Statement independently costs at £30 million, five times the estimate for Option 1.

Arrangements for the meeting

The meeting will be held at 2pm on Tuesday, 10 February, in the Sheldonian Theatre. Attendance at the meeting is open to members of Congregation and to nominated representatives of the Oxford University Student Union (OUSU) as agreed in advance by the Vice-Chancellor. Admittance to the Theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the Sheldonian Theatre will open at 1.45pm. The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

Advance notice by speakers

Those wishing to speak at the meeting will be expected to limit their contributions to five minutes. As the meeting is expected to close by 4.30pm, it may not be possible to call all those who wish to speak. If you wish to speak at the meeting, you are asked to indicate this intention in advance by emailing congregation.meeting@admin.ox.ac.uk as soon as possible, and by noon on Friday, 6 February, at the latest. It would be helpful if members of Congregation intending to speak would explain in no more than 25 words what issues they wish to cover. This information will be used to provide the order in which speakers are called. Names of those who have indicated a wish to speak, together with the issues they wish to raise, will be published on the Congregation website shortly in advance of the meeting. If time permits, those who have not indicated in advance may have an opportunity to speak. The Vice-Chancellor will also invite two nominated representatives of OUSU to speak.

Voting

Following the speeches, a vote will be taken. The Vice-Chancellor and the Proctors have determined that voting during the meeting will take place by paper ballot. Members of Congregation will be required to identify themselves on their voting slips by name and signature and by college/department or faculty and to deposit their own voting slips in ballot boxes at the doors of the House. Slips will be sorted and counted by the Proctors, and will subsequently be kept confidentially by the Proctors for six days, after which they will be destroyed.

Transcript

It is intended that a transcript of the meeting will be published in the Gazette of 19 February and, before then, on the Congregation website. As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication. Speakers are asked to provide their written texts by email to congregation.meeting@admin.ox.ac.uk by 9am on Wednesday, 11 February.

The Congregation website is at: www.admin.ox.ac.uk/councilsec/governance/congregation.

1The transcript may be edited for legal reasons.

General Notices

University seeks accreditation as living wage employer

The University is seeking accreditation as a living wage employer. For many years Oxford has ensured that all those employed by the central University are paid the living wage. Accreditation means that the University is committing to pay the living wage not only to its employees but also to contractors who work regularly on University premises. The University expects to accredit in April 2015 and to move all contractors over to the living wage within the next two years. The living wage is calculated according to the basic cost of living, and is intended to allow people to provide for themselves and their families. It currently stands at £7.85 per hour, approximately 20% more than the national minimum wage of £6.50 per hour.
