#### COUNCIL

#### VISITORS OF THE ASHMOLEAN MUSEUM

Details are in 'Elections' section below.

## Congregation

17 June 2pm

¶ Members of Congregation are reminded that any two members may, not later than **noon on Monday, 9 June**, give notice in writing to the Registrar that they intend to oppose or amend the resolutions at 1–4 below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the resolutions shall be carried and the meeting may be cancelled.

### (1) Voting approving the deprivation of a graduate of a degree

#### Explanatory Note

The Special Disciplinary Panel has found that a member of the University, Dr George Osei (Mansfield College), breached the Proctors' Disciplinary Regulations Concerning Conduct at Examinations by committing plagiarism in a thesis submitted for the degree of Doctor of Philosophy in Michaelmas term 2001. The Panel has decided to recommend that the degree of DPhil be removed from Dr Osei.

Under Part 3 of Council Regulations 22 of 2002 only Congregation may deprive a graduate of the University of his or her degree or degrees, and Council accordingly submits to Congregation the following resolution to effect the de-gradation in this case. Under those regulations the procedure to be followed in each case shall be determined by Council, and the procedure so determined is set out at item 3 in the resolution.

#### Text of Resolution

That this House:

- 1 (a) take note of the finding of the Special Disciplinary Panel that a member of the

University, Dr George Osei (Mansfield College), breached the Proctors' Disciplinary Regulations Concerning Conduct at Examinations by committing plagiarism in a thesis submitted for the degree of Doctor of Philosophy in Michaelmas term 2001; and

(b) accept the Special Disciplinary Panel's conclusion that one of the appropriate penalties in this case is deprivation of the degree; and

2 therefore agree to deprive Dr Osei of the degree of Doctor of Philosophy; and

3 take note of Council's determination that the procedure to be followed in this case should be for a notice to be published in the *University Gazette*, which should consist of this resolution.

### (2) Voting on Resolutions authorising the use of space at the Old Road Campus

#### Explanatory Note

The original Old Road Campus was acquired by the University from the NHS in 1996. The site has developed as a location for University medical research and, in 2013, was extended through the acquisition of the Park Hospital site. The location of the site adjacent or close to Oxford's main hospitals has seen the strengthening of links between cutting-edge research and clinical treatment.

Two new buildings are now proposed for construction on the Old Road Campus: the Big Data Institute and an amenities building.

The Big Data Institute (BDI) forms Phase II of the Li Ka Shing Centre for Technology and Health Informatics, Phase I being the Target Discovery Institute. The BDI sets out to be an international centre of excellence for the analysis of very large and complex biomedical data sets. The Institute will combine world-class academic leadership with a core infrastructure of cutting-edge technology and high-calibre scientists. Built upon Oxford's internationally leading expertise in epidemiology, genomics, imaging, computer science, and infectious disease surveillance, the BDI will be a national resource for the development of new analytical methods to facilitate the

generation, storage, analysis and sharing of data in very large clinical studies.

The amenities building is an essential enabling project for the site. The building will incorporate central catering space to replace those currently provided in the Rosemary Rue Building, teaching space and other facilities (such as a shop, a gym, central goods inwards and storage). The site will also house the City Deal Bioescalator facility, designed to provide high-quality affordable bioincubator space to the region, and 459 car parking spaces.

#### *Text of Resolution*

(i) That Plot B5 of the Old Road Campus be allocated to the Medical Sciences Division as the site of a building currently estimated at 7,760 sqm gross internal area for the Big Data Institute. This allocation is to be effective from 25 June 2014 for 30 years.

(ii) That 15,400 sqm gross internal area on Plot B4 of the Old Road Campus be allocated to University Administration and Services for the construction of an amenities building. This allocation is to be effective from 25 June 2014.

### **(3) Voting on a Resolution authorising the temporary use of space in Beaver House (Hythe Bridge Street)**

#### *Explanatory Note*

The School of Geography and the Environment requires temporary accommodation while refurbishment works are carried out in the Dyson Perrins building. Space on the second floor of Beaver House has been identified as suitable for this purpose.

#### *Text of Resolution*

That approximately 810 sqm net usable area on the second floor of Beaver House be allocated to the School of Geography and the Environment as temporary decant space from 17 June 2014 until 3 October 2014.

### **(4) Voting on Resolutions authorising expenditure from the Higher Studies Fund**

#### *Text of Resolutions*

(i) That the University be authorised to expend, from the element of the Higher Studies Fund earmarked for Social Studies, funding in the amount of £200,000 over the three-year period 2014/15 to 2016/17, to support new professors coming into the Social Sciences Division.

(ii) That the University be authorised to expend, from the element of the Higher Studies Fund earmarked for Social Studies, funding in the amount of £100,000 over

the three-year period 2014/15 to 2016/17, to support new professors coming into the Humanities Division.

(iii) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, funding in the amount of £100,000 over the three-year period 2014/15 to 2016/17, to support new professors coming into the Humanities Division.

(iv) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, £100,000 over the three-year period 2014/15 to 2016/17, to support new professors coming into the Medical Sciences Division.

(v) That the University be authorised to expend, from the unearmarked element of the Higher Studies Fund, £100,000 over the three-year period 2014/15 to 2016/17, to support new professors coming into the Mathematical, Physical and Life Sciences Division.

<sup>1</sup>Exceptionally, GIA, rather than NUA, is used for these site allocations as each project is at too early a stage for net usable area to be defined.

### **Congregation**

#### **(1) Encaenia**

Mr Vice-Chancellor invites Pro-Vice-Chancellors, Heads of House, Heads of Division, holders of the Oxford Degrees of Doctor of Divinity, Civil Law, Medicine, Letters, Science, and Music, the Proctors, the Assessor, the Public Orator, the Registrar, the outgoing President of the Oxford University Student Union, and the Presidents of the Junior and Middle Common Rooms of Merton, Linacre and Wadham (as being the colleges of the Proctors and the Assessor) to partake of Lord Crewe's Benefaction to the University, meeting him in the Fellows' Garden of Exeter College at 10.30am on Wednesday, 25 June. Thence they will go in procession to the Sheldonian Theatre, where will be spoken the Oration in Commemoration of the Benefactors of the University according to the intention of the Right Honourable Nathaniel, Lord Crewe, Bishop of Durham.

*Note.* Pro-Vice-Chancellors, Heads of House, Heads of Division, and Doctors who propose to accept Mr Vice-Chancellor's invitation, and to be present in the Sheldonian Theatre, are requested to inform the Events Office at the University Offices, Wellington Square by email ([events.office@admin.ox.ac.uk](mailto:events.office@admin.ox.ac.uk)) or telephone (Oxford 280524) no later than **Wednesday, 11 June**. ## Consultative Notices

### Consultation on possible revisions to Statute XII

On 27 February 2014 the Personnel Committee launched a consultation of individuals and bodies within the collegiate University on the desirability of possible revisions to Statute XII, which governs the employment of academic and academic-related staff. The consultation paper is available on the Statute XII consultation website at [www.ox.ac.uk/statuteXII](http://www.ox.ac.uk/statuteXII).

A set of Questions and Answers, addressing the questions that have been asked most frequently in the course of the consultation so far, has now been added to this website.

The Personnel Committee welcomes responses from all members of the University until the close of the consultation period on **4 June 2014**. Responses should be sent to [sarah.thonemann@admin.ox.ac.uk](mailto:sarah.thonemann@admin.ox.ac.uk) and should state whether the respondent wishes to remain anonymous.

### Socially Responsible Investment Review Committee

#### STATEMENT ON THE FOSSIL FUEL DIVESTMENT CAMPAIGN

The Socially Responsible Investment Review Committee (SRIRC) is considering a representation from Oxford University Student Union (OUSU) for divestment from all fossil fuel investments held by Oxford University Endowment Management (OUem) on behalf of Oxford University. For the text of the SRIRC's full notice and OUSU's resolution, see [www.admin.ox.ac.uk/councilsec/governance/committees/srirc/srircstatementonthefossilfueldivestmentcampaign](http://www.admin.ox.ac.uk/councilsec/governance/committees/srirc/srircstatementonthefossilfueldivestmentcampaign) or *Gazette* No 5057, 24 April 2014.

The SRIRC is responsible for forming an opinion on the question of socially responsible investment that the divestment resolution raises and for advising Council accordingly. At its meeting on 6 March 2014, the SRIRC began detailed discussions on this subject and invites interested parties to submit evidence or views:

- that might inform the committee's consideration of the question of possible divestment from companies 'that participate in exploration for and/or extraction of fossil fuel reserves'; and/or
- on whether there are alternative ways in which the University should engage in the debate about climate change.

The SRIRC will review submissions at its next meeting on 2 July 2014, and will publish a summary of the views received on its website, ensuring that such views are given proper consideration in the eventual recommendation that is made to Council.

Interested parties should send their submissions to [fossilfuelsconsultation@admin.ox.ac.uk](mailto:fossilfuelsconsultation@admin.ox.ac.uk). The deadline for submissions is **23 June**.

# Elections

## Contested elections

12 June

The following elections will be contested.

### Council (Mathematical, Physical and Life Sciences and Medical Sciences Divisions)

One member of Congregation elected by  
 Congregation from members of the faculties  
 in the divisions of Mathematical, Physical  
 and Life Sciences and of Medical Sciences

<i>Current/Retiring Member</i>	<i>To hold office until</i>
--------------------------------	---------------------------------

Professor P A Robbins, Queen's	MT 2018
--------------------------------	---------

*The following nominations have been  
received:*

**Helen McShane**, BSc MB BS PhD Lond,  
 Faculty of Clinical Medicine

*Nominated by:*

*R Waller*, Principal of Harris Manchester,  
 Faculty of Theology

*A M Buchan*, Corpus Christi, Faculty of  
 Clinical Medicine

*KE Davies*, Hertford, Faculties of  
 Biochemistry, of Physiological  
 Sciences, and of Clinical Medicine

*P J Donnelly*, St Anne's, Faculty of  
 Statistics

*L J Gullifer*, Harris Manchester, Faculty  
 of Law

*A V S Hill*, Magdalen, Faculty of Clinical  
 Medicine

*J S Payne*, Merton, Faculty of Law

*L Tarassenko*, St John's, Faculty of  
 Engineering Science

*IM C Tracey*, Pembroke, Faculties of  
 Psychological Studies, and of Clinical  
 Medicine

*E S C Weiner*, Kellogg, Faculty of English  
 Language and Literature

*Candidate statement:*

For the last 13 years I have led a research  
 group in the University, currently consisting  
 of 20 people, combining basic immunology  
 and the development of new vaccines  
 against tuberculosis. This has translated  
 basic science to address a major global  
 public health problem. For this research  
 I initiated and maintained international  
 collaborations in Europe, the US, and Africa.  
 From 2008 I led a consortium of funders,  
 universities and industry, which tested one  
 of our new vaccines in a trial of 3000 South  
 African infants, with a budget of US\$30m.

I would hope that the skills I have developed  
 in leading such collaborations: an ability to  
 engage with ethical, financial and regulatory  
 issues and frameworks, the judgement  
 to identify where trade-offs are needed,  
 and the ability to focus the skills of many  
 disciplines and partner organisations on a  
 common goal, would also be helpful for the  
 work of Council.

Balancing the strengths of a University  
 where pooling skills and resources may  
 achieve the greatest research impact, with  
 maintaining the strengths of independent  
 Colleges and disciplines, is essential.  
 Maintaining excellence in teaching  
 whilst being one of the world's leading  
 research universities is a balance Council  
 has to help optimise. A Fellow of Harris  
 Manchester College, I lecture and supervise  
 undergraduates, MSc students and DPhil  
 students and am a consultant HIV physician.

I am committed to the principles of  
 transparency of process, fairness and  
 consistency. I would be delighted to have  
 the privilege of serving the wider collegiate  
 University by sitting on Council.

**Michael Wooldridge**, BSc CNAA, PhD Manc,  
 Faculty of Computer Science

*Nominated by:*

*JD Bone*, Master of Balliol, Faculty of  
 English Language and Literature

*WN Hutton*, Principal of Hertford

*A M Etheridge*, Magdalen, Faculties of  
 Statistics, and of Mathematics

*P S Grant*, St Catherine's, Faculty of  
 Materials

*A N Halliday*, Wadham, Faculty of Earth  
 Sciences

*SD Howison*, Christ Church, Faculty of  
 Mathematics

*A W Roscoe*, University College, Faculty  
 of Computer Science

*Candidate statement:*

I am a Professor of Computer Science, and  
 a Fellow of Hertford College. My research  
 area is artificial intelligence, and my main  
 research interests could be described as  
 building computers that can collectively  
 solve problems, in much the same way  
 that human teams do. I joined Oxford with  
 an ERC Advanced Grant that funds my  
 research for five years. Before Oxford, I was a  
 Professor at the University of Liverpool for 12  
 years, where I was Head of Department and

then Head of School. I served on University Council at Liverpool for six years. I will be Head of the Department of Computer Science with effect from October 2014, and I serve on MPLS Divisional Board. I was lead author of Liverpool's Computer Science RAE submissions in 2001 and 2008; at Oxford, I wrote the REF-2014 environment statement for my Department.

Serving on Council is an enormous responsibility for an institution of Oxford's international standing, and a huge challenge given the size, diversity, and byzantine complexity of the collegiate university. If elected, I would aim to challenge thinking that does not respect or advance our core academic values. I would strive to maintain and support all that is good about our unique historical environment, while accepting that we work in the modern world, with pressures and challenges that previous generations could never have anticipated. Above all, I would aim to be open-minded and non-partisan, representing the best interests of the whole collegiate university.

#### Council (non-divisional)

One member of Congregation, not necessarily being a member of any division and not in any case being nominated in a divisional capacity, elected by Congregation

<i>Current/Retiring Member</i>	<i>To hold office until</i>
--------------------------------	-----------------------------

Dr HR Dorkins, St Peter's	MT 2018
---------------------------	---------

*The following nominations have been received:*

**Judith Maltby**, BA Illinois, MA Oxf, PhD Camb, Fellow of Corpus Christi, Faculties of History, and of Theology

#### *Nominated by:*

*ND Brown*, Principal of Linacre, Faculty of Plant Sciences  
*E J Garnett*, Wadham, Faculty of History  
*D MacCulloch*, St Cross, Faculties of History, and of Theology  
*P E McCullough*, Lincoln, Faculty of English Language and Literature  
*L A Roper*, Oriel, Faculty of History  
*J L Watts*, Corpus Christi, Faculty of History  
*W H Whyte*, St John's, Faculty of History  
*L H Zedner*, Corpus Christi, Faculty of Law

#### *Candidate statement:*

The governance structures of the University of Oxford are complex and inter-locking. If elected to Council, my hope would be to bring to its deliberations a substantial knowledge of its structures in both in the central and collegiate University. The

self-governance and individuality of the colleges, as well as the self-governance of the University is to be valued and celebrated: Oxford's future is best secured in constructive collaboration between its constituent parts.

My relevant experience for serving on Council on behalf of Congregation includes: service as Junior Proctor (2004–5); Chair of the Management Committee for the University Counselling Service; membership of the Lucas Review of the Permanent Private Halls (2007) as well as current membership of the Supervisory Committee for the PPHs. I was recently Chair of the Graduate Committee for Conference of Colleges and am currently Vice-chair of the University's Personnel Committee. I am familiar with giving tutorials, examining and supervising doctoral students. In my own college, I have served as Tutor for Graduates and my work as a college chaplain and Dean of Welfare ensures that I have daily interaction with undergraduates and graduates on non-academic matters and informs the work I do in the areas of welfare, equality and diversity in the wider University.

*S L Mapstone*, St Hilda's, Faculty of English Language and Literature  
*J A Noble*, St Hilda's, Faculty of Engineering Science  
*R Ovenden*, Balliol, Faculty of History  
*P Tufano*, Balliol, Faculty of Management  
*S C West*, Magdalen, Humanities Division

#### *Candidate statement:*

As Director of the Oxford e-Research Centre (OeRC), for six years I led the development of an interdisciplinary research centre focussed on digital research collaborating with researchers across the four Divisions.

The Centre creates an environment where interdisciplinary collaborations can flourish, and which stimulates the synergy of discipline research questions and technology innovations, allowing us to consider questions that are beyond the reach of any one discipline. This leads directly to engagement with - and therefore attracts funding from - all the research councils (AHRC, BBSRC, EPSRC, ESRC, MRC) and JISC, as well as industry and the EU.

While Director of OeRC I became a member of the University Research Committee and I am now also a Curator of University Libraries.

In 2012 I was appointed Chief Information Officer (CIO) for the University. This has proved a challenging but rewarding role where I have worked with colleagues to facilitate significant organisational change and a new approach to IT. I have led the development of the University IT Strategic Plan, and since IT now touches almost everything we do, this has meant engagement with colleges, departments, and administration.

If elected, I would bring to Council a leadership style that is consultative and collaborative, with a focus on clear decision-making. I believe my experience in a diversity of roles will prove valuable in determining approaches to the challenges we face.

*Note:* Full details of Council's remit, composition, functions and powers can be found at: [www.admin.ox.ac.uk/statutes/783-121.shtml](http://www.admin.ox.ac.uk/statutes/783-121.shtml).

Elected members of Council will ordinarily be expected to serve on a small number of other committees (typically between one and three, usually including at least one of the main committees of Council: ie PRAC, GPC, Education Committee, Personnel Committee, Research Committee).

**Craig Clunas**, MA Camb, PhD Lond, Fellow of Trinity, Faculties of History, and of Oriental Studies

#### *Nominated by:*

*C P H Brown*, Worcester, Ashmolean Museum  
*R R R Smith*, Lincoln, Faculty of Classics, Sub-faculty of Archaeology  
*I A Walmsley*, St Hugh's, Faculty of Physics  
*S C West*, Magdalen, Humanities Division

*Candidate statement:*

Since appointment to the Chair of the History of Art in 2007, I have already served one term as a visitor of the Ashmolean Museum, which I now seek to renew for a further term. I have also served as Chair of the Ashmolean Museum's research and teaching committee since 2012, and was a member of the Committee on Museums and Scientific Collections from 2009–2012. I have relevant expertise in the Museums sector, having begun my career in a national museum (I was a curator of Chinese art at the Victoria and Albert Museum from 1979 to 1994), and being currently involved in a curatorial partnership with the British Museum. I am strongly committed to upholding the Ashmolean Museum's role as one central to the teaching and research activities of the university, as well as to its interaction with and enrichment of local, national and international communities. I am particularly concerned to see the museum function effectively as a centre of world-leading research in the disciplines of art and archaeology, and to see that research brought to a wide audience through the medium of outstanding exhibitions, as well as through publication. I believe that for these reasons I am fitted to make a contribution to the Ashmolean Museum's effective governance, and to ensuring its continued position as the world's pre-eminent university museum.

**Ashok I Handa**, MB BS Lond, MA status Oxf, Fellow of St Catherine's, Faculty of Clinical Medicine

*Nominated by:*

*R W Ainsworth*, Master of St Catherine's, Faculty of Engineering Science  
*L E Fawcett*, St Catherine's, Faculty of Social Studies  
*R J Parish*, St Catherine's, Faculty of Medieval and Modern Languages  
*A G Rosser*, St Catherine's, Faculty of History

*Candidate statement:*

I am the University Tutor in Surgery and a Vascular Surgeon. I am the Tutor for Graduates for St Catherine's College and as part of this chair the Graduate Scholarships panels for both Arts and Sciences panels.

I have served on a number of committees including the Visitors of the Science Museum and the Board of the Wellcome Unit for the History of Medicine. I have chaired a number of committees in the NHS as well as exam boards in the Medical School.

I would bring a different dimension to the Ashmolean Museum from a medical sciences background as I believe in the

enormous strengths of a broad University education rather than a purely vocational perspective.

**Mark Jones**, BA Oxf, MA Lond, Master of St Cross

*Nominated by:*

*CPH Brown*, Worcester, Ashmolean Museum  
*R R R Smith*, Lincoln, Faculty of Classics, Sub-faculty of Archaeology  
*IA Walmsley*, St Hugh's, Faculty of Physics  
*SC West*, Magdalen, Humanities Division

*Candidate statement:*

The Ashmolean Museum, with its great collections, wonderful new building and displays and its strong programme seems to me a great asset to the University. As someone with experience as a curator in the British Museum, and as a former director of the National Museum of Scotland and more recently the Victoria and Albert Museum, I hope that I could bring useful experience to the role of Visitor. I am interested in the academic purpose of museums, in particular the way in which objects can be understood and used as historical evidence, and collections can be made more widely available for teaching and research through the development of better storage and facilities for students. But I also believe that, in a period when there is so much emphasis on driven and purposeful activity, museums should remain palaces of wonder and places of contemplation and repose. The Ashmolean needs resources to do its job properly so I am also keen to see the museum continue to increase its already impressive visit numbers by reaching those who are not habitual visitors, and to help find ways to increase income generation from commercial activities and donations.

**Helen Leith Spencer**, BA Newc, MA DPhil Oxf, Fellow of Exeter, Faculty of English Language and Literature

*Nominated by:*

*FA Cairncross*, Rector of Exeter, University Offices  
*CA J Ballinger*, Exeter  
*HR Dorkins*, St Peter's, Faculty of Physiological Sciences  
*AB Zavatsky*, St Edmund Hall, Faculty of Engineering Science

*Candidate statement:*

I was formerly a Visitor of the Ashmolean in 2012–13 when I served as Assessor. It was a great privilege to become familiar with the workings of this great museum and to be able to contribute to the discussions taking place in a time of change. This was the year in which the museum established

its subsidiary at Broadway, as part of a wide-ranging programme of outreach activities, including open evenings and other events to encourage students and local residents to become familiar with what the Ashmolean has to offer; it was also the year of massive fund-raising to purchase Monet's 'Mlle. Klaus', along with other significant acquisitions. There was also an exciting programme of exhibitions. The museum was also beginning to explore ways in which it could enhance its holdings of C20th and C21st visual art, and display more of this material.

If elected as a Visitor, I would do my part to encourage these and other initiatives. I am especially concerned that the Ashmolean, in common with the other museums in Oxford, lacks the high-quality storage facility which is urgently needed to preserve its important collections, and provide extra space for teaching and conservation. I would hope to be able to encourage further initiatives in using the museum's materials for teaching within the university across different subjects. As a medievalist, I am keenly aware of the benefits of dialogue between literature and the arts; I am also a practising painter who has exhibited in Oxford and elsewhere.
