## General Purposes Committee of Council

### Changes in Regulations

The General Purposes Committee has made the following changes in regulations, to come into effect on **15 February**.

#### (a) Recording of the Joyce Mertz Gilmore Fund

##### *Explanatory Note*

These regulations record the Joyce Mertz Gilmore Fund for the purpose of contributing towards the salary and expenses of the Director of the Refugee Studies Centre and associated overheads.

##### *Text of Regulations*

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new § 191<sup>a</sup> as follows, and renumber existing §§ 191–396 as §§ 192–397:

#### '§191. Joyce Mertz Gilmore Fund

1. The University has received with gratitude a gift from the Mertz Gilmore Foundation to be held as permanent endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University to be held on the same trusts. The assets so held will be known as the Joyce Mertz Gilmore Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), towards the salary and expenses of the Director of the Refugee Studies Centre and associated overheads.

4. The administration of the Fund, and the application of its income and capital, shall be the responsibility of the Executive Committee of the Department of International Development.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

#### (b) Recording of the Leopold Muller Fund

##### *Explanatory Note*

These regulations record the Leopold Muller Fund for the purpose of contributing towards the salary and expenses of the Director of the Refugee Studies Centre and associated overheads.

##### *Text of Regulations*

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new § 210<sup>a</sup> as follows, and renumber existing §§ 210–396 as §§ 211–397:

#### '§210. Leopold Muller Fund

Further money or property may be paid or transferred to the University to be held on the same trusts. The assets so held will be known as the Leopold Muller Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), towards the salary and expenses of the Director of the Refugee Studies Centre and associated overheads.

4. The administration of the Fund, and the application of its income and capital, shall be the responsibility of the Executive Committee of the Department of International Development.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.<sup>1</sup>

### **(c) Establishment of the Bahari Curatorship of Persian Collections Fund**

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new § 16<sup>1</sup> as follows, and renumber existing §§ 16–397 as §§ 17–398:

#### **'§16. The Bahari Curatorship of Persian Collections Fund**

1. The University receives with gratitude the sum of £2,000,000 from Dr Ebadollah Bahari to be held as permanent endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be

held on the same trusts. The assets so held will be known as the Bahari Curatorship of Persian Collections Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund (if any), towards establishing and maintaining the Bahari Curatorship of Persian Collections in the University's Bodleian Libraries.

4. Bodley's Librarian shall be responsible to the Curators of the University Libraries for the administration of the Fund and the application of its income.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Curatorship.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.<sup>1</sup>

### The draft University Strategic Plan: topic for discussion

A Discussion on the topic of The University's Draft Strategic Plan (2013/14–2017/18) will take place at the Congregation meeting on 19 February (week 6) at 2pm.

The University's current Strategic Plan runs from 2008/9 to 2012/13. Council therefore established a steering group in Hilary term 2012, chaired by the Pro-Vice-Chancellor for Education, charged with the development of the Plan for the period 2013/14–2017/18. The group includes members from the Council, the divisions and the colleges, and was supported by separate groups considering in more depth the areas of research, education and widening engagement.

On 5 November 2012, Council approved the draft of the University Strategic Plan, published in the supplement to the *Gazette* of 29 November 2012 ([www.ox.ac.uk/gazette/2012-2013/29november2012-no5008/supplements](http://www.ox.ac.uk/gazette/2012-2013/29november2012-no5008/supplements)), as a document for wide consultation across the University during Hilary term 2013. In the same issue of the *Gazette*, submissions on the draft plan from all bodies within the collegiate University as well as from individuals were also

invited ([www.ox.ac.uk/gazette/2012-2013/29november2012-no5008/notices](http://www.ox.ac.uk/gazette/2012-2013/29november2012-no5008/notices)).

Following the Discussion at Congregation, and the wider consultation, the draft Strategic Plan will be amended in the light of comments received, and presented to Council and Congregation for approval by the end of Trinity term 2013.

### Arrangements for the meeting

The meeting will be held in the Sheldonian Theatre. Attendance at the meeting is open to members of Congregation, and to nominated representatives of the Oxford University Student Union (OUSU) as agreed in advance by the Vice-Chancellor. Admittance to the theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the theatre will open at 1.45pm.

The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

### Advance notice by speakers

Those wishing to speak at the meeting will be expected to limit their contributions to five minutes. As the meeting is expected to close by 4.30pm, it may not be possible to call all those who wish to speak. If you wish to speak at the meeting, you are asked to indicate this intention in advance by emailing [congregation.meeting@admin.ox.ac.uk](mailto:congregation.meeting@admin.ox.ac.uk). It would be helpful if members of Congregation intending to speak would explain briefly (in no more than 25 words) what issues they wish to cover. Names of those who have indicated a wish to speak, together with the issues they wish to raise, will be published on the Congregation website ([www.ox.ac.uk/congregation-meeting](http://www.ox.ac.uk/congregation-meeting)). This sharing of information may be of use both to other speakers and to those considering attending; it will also be used to provide structure to the order in which speakers are called. Speakers are asked to provide their information as soon as possible, and by **5pm on 15 February** at the latest, if they wish to be scheduled to speak. If time permits, those who have not indicated in advance an intention to

speak will still be free to do so. The Vice-Chancellor will also invite two nominated representatives of OUSU to speak.

### Transcript

It is intended that a transcript<sup>1</sup> of the meeting will be published in the *Gazette* on 28 February and, before then, on the University website ([www.ox.ac.uk/congregation-meeting](http://www.ox.ac.uk/congregation-meeting)). It is also intended to make a downloadable recording available on the same site<sup>1</sup>. As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication.

<sup>1</sup>The transcript and recording may be edited for legal reasons.

### Clubs Committee

#### ANNUAL REPORT 2011-12

The Clubs Committee is pleased to present its annual report for 2011-12, in accordance with section 4.6 of its terms of reference as set out in Council Regulations 2 of 2004. This report was considered by Council's General Purposes Committee on 21 January.

**1** During the academic year 2011-12, chaired by the successive Assessors (The Revd Dr Teresa Morgan and Dr Helen Leith Spencer) and with a membership made up of both staff and student representatives, the Clubs Committee continued to provide a range of support for the University's official student clubs and societies (ie those registered with the Proctors). This support was directed primarily towards non-sports clubs and publications, on the basis that sports clubs can generally look to the Sports Department for assistance.

**2** Funding for the committee's activities was provided from two sources in the usual way: an allocation from PRAS (£9k, slightly reduced from the previous year's level) and a net share (£10.09k) of the proceeds of the per-capita levy paid by all colleges to support both sports and non-sports clubs at University level.

**3** The committee continued to operate a Clubs Office (co-located within the Proctors' Office in the University Offices) staffed by a part-time Clubs Officer. In addition to being available to provide secretarial services on request to student organisations, the Clubs Officer advised on and assisted with registration procedures (including checking financial information submitted). During the year, around 200 clubs and societies registered and re-registered with the Proctors (those designated as Sports Clubs dealt with their registration through the Sports Department, while the remaining non-sports clubs and publications dealt directly with the Clubs Office).

**4** The committee also continued its cooperation with the Sports Department over the Driver Assessment and Vehicle Hire Scheme (administered from the Sports

Department but open to use by any club registered with the Proctors). This important scheme enables students to drive good-quality hired vehicles safely, insured by the University, when taking part in *bona fide* club activities such as travelling to sports fixtures or events outside Oxford. Some 696 hire-day bookings were made by clubs under the scheme, the great majority of these (682) being for sports purposes. During the year, driver assessments were carried out on 23 days (both new and refresher assessments). There were more than 250 approved student drivers on the scheme's database. Seventeen reportable insurance incidents occurred during the year (up slightly on the total of fifteen the previous year). These resulted mainly in damage occurring while drivers were manoeuvring vehicles at low speed; most importantly, no personal injuries were sustained. The driver assessment regime is being reviewed so as to address the causes of incidents of the kind experienced in recent years.

**5** Financial support was provided directly to clubs in the form of grants and interest-free loans. During the year the committee considered about 20 applications from non-sports clubs and publications. Of these, 13 applications were supported. Start-up awards (up to £200) were made to organisations as diverse as the Oxford Lithuanian Society, the Oxford Ceilidh Band, the Oxford Screenwriting Society, the Harry Potter Society, the Oxford Energy Society, the Oxford Nature Conservation Society, the CH Dodd Society and the OU Fashion Association. A grant of £230 was made to the OU Brass Band, to support its participation in the 2012 national student championships (where the band achieved a creditable eighth place). The committee also made four major grants of £1,000 each to well-established societies: to the OU Archaeological Society (to support its participation in a local dig); to the OU Space and Astronomical Society (to support the costs of renovating its observatory); to the OU Pakistan Society (to support the costs of hosting a major student conference in Oxford); and to Oxford Nightline (for the purchase of upgraded telephone equipment for use by its volunteers). The reports back

to the committee show that its funding, although often comparatively modest, makes a considerable difference to the viability of new clubs and to the success of the activities of those which have been in existence longer.

**6** The committee established a Working Group on Club Constitutions to consider a request from the Proctors for advice about particular aspects of clubs' constitutional arrangements. Having received the Working Group's report and proposals, the committee arranged for consultations to take place with a number of sports clubs which might be particularly affected if changes are implemented. The committee intends to finalise any recommendations for transmission in Hilary term 2013 to the body responsible for clubs' registration arrangements (*viz* the Rules Committee).

**7** As always the Clubs Committee benefited from the keen interest and lively contributions of its student members. The committee remains convinced that student clubs contribute hugely to the University's sporting, social, cultural and charitable activities and is pleased to be able to help to promote and support these.
