Council of the University

Changes in Regulations

Council has made the following changes in regulations, to come into effect on 20 March.

(a) Regulations relating to heads of units’ authorisation limits for non-capital and capital expenditure

Explanatory Note

Council, on the recommendation of the Planning and Resource Allocation Committee (PRAC) and of its General Purposes Committee, proposes that the level of authority for heads of departments and other units to make purchases in respect of (a) non-capital departmental expenditure, and (b) capital items not requiring University capital funding, should be reduced from the current level of £500k to £100k. The purpose of this change is to strengthen University financial controls.

Text of Regulations

In the Financial Regulations (Council Regulations 1 of 2010), amend regulation 1.5(2) as follows (new text underlined, deleted text struck through):

‘(2) Financial Limits to Authorise Expenditure Commitments

Tables B, C, D and E below summarise the upper internal limits on authority to commit to levels of expenditure (in contract or otherwise). Table B sets out those limits in respect of non-capital departmental expenditure (the rules concerning the authorisation and approval of research projects are set out in regulation 4.1.) Tables C and D set out limits in respect of capital expenditure together with reporting requirements. Table E sets out the limits applicable to investment decisions and Table F the limits applicable to the financial write-off of bad debts.

** For UAS capital projects, the Budget Subcommittee of PRAC is required to receive all proposals for review. University capital funding is defined as those funds set out in the University’s Capital Plan submitted to PRAC and includes funds from the Press and HEFCE as well as the University Capital Fund.

*** The Property Management Subcommittee of PRAC has a delegated authority level for sales and purchases involving amounts of up to £2m that are for property not held as an investment and are unrelated to capital projects.
(b) Regulations for the University Club

Explanatory Note

These changes disband the University Club Management Committee and establish an informal Club Forum, to include representatives of interested parties, to provide a more interactive, less formal method of engagement and communication with Club members. The founding principles of the Club and the regulations relating to admission for membership are not being changed.

Text of Regulations

In Council Regulations 2 of 2004, delete existing Part 9 and substitute as follows:

Part 9: University Club

9.1 The university club shall be a social and recreational facility principally for University staff and graduate students. The Club will offer social, catering and recreational facilities to its members and their guests, with particular reference to those members who do not have access to college facilities. It will aim to provide an environment in which all members can interact both socially and professionally, regardless of institution, employment grade or college affiliation.

9.2 Admission to membership of the Club shall be open to the following classes of persons:

(1) members of the University engaged within the University in advanced study or research, in teaching or in administration;

(2) employees of the University and those of Recognised Independent Centres;

(3) visitors, whether members of the University or not, who are temporarily in residence at Oxford for the purpose of advanced study or research in the University;

(4) persons registered as graduate students of the University; and

(5) other persons at the discretion of the Forum.

9.3 Consultation with interested parties will be through a Forum, the purpose of which will be to ensure engagement and communication.

9.4 The membership of the Forum shall include:

(1) the Director of Sport (or his or her nominee);

(2) the Director of Human Resources (or his or her or nominee);

(3) the General Manager of the University Club;

(4) the Head or Deputy Head of Strategic Facilities Management (Estates Services); and

(5) representative members of the University Club, including sporting facilities and clubs.

9.5 Others may be invited to attend meetings at the discretion of the Forum.

9.6 Day-to-day management and direction of the Club will be the responsibility of Estates Services.

9.7 Estates Services shall submit an annual report to the Director of Human Resources.

(c) Regulations to disband the Value for Money Subcommittee and revise the terms of reference of the Planning and Resource Allocation Committee

Explanatory Note

Council, on the recommendation of the Planning and Resource Allocation Committee (PRAC) and of its General Purposes Committee, proposes that (i) the Value for Money (VFM) Subcommittee of PRAC be abolished; (ii) responsibility for promoting and monitoring VFM activity should henceforward come directly under the aegis of PRAC; and (iii) PRAC’s own terms of reference be revised accordingly.

PRAC considers that the VFM Subcommittee has made significant progress in raising awareness about VFM issues and assuring the success of a number of important projects. It notes however that HEFCE advises that VFM activity should form part of routine management practice, and that the 2013/14 internal audit report recommends that responsibility for monitoring VFM activity should come directly under the aegis of PRAC. This recommendation has been supported unanimously by the VFM Subcommittee.

Text of Regulations

1 In Council Regulations 15 of 2002, concerning committees reporting directly to Council or one of its main committees, delete Part 34, concerning the Value for Money Subcommittee of the Planning and Resource Allocation Committee, and renumber existing Parts 35–37 as Parts 34–36.

2 Ibid, in Part 5, concerning the Planning and Resource Allocation Committee, delete regulation 5.1(19) and renumber existing regulation 5.1(20) as regulation 5.1(19).

3 Ibid, amend regulation 5.4(10) as follows (new text underlined, deleted text struck through):

‘(10) the development and implementation of strategy, policy and guidance to promote and embed embedding within the University’s processes and culture of greater economy (minimising the cost of an activity), greater efficiency (making the best use of available resources), the relationship between the output of goods and services and the resources used to produce them), and greater effectiveness (the extent to which objectives are met), collectively known as ‘value for money’ (VFM). The Committee shall provide an annual report for consideration by the Audit and Scrutiny Committee on:

(a) the University’s VFM strategy;

(b) the University’s VFM objectives, which will be specific, measureable and focused on the major resource areas; and

(c) the impact of VFM initiatives, through the monitoring of progress and the measurement of effectiveness’.
2.4. (1) The committee shall have power to make, amend and repeal regulations concerning the courses and examinations for undergraduates and graduate and other students (including Recognised and Visiting Students), and to approve regulations of that kind which the divisional boards and other bodies responsible for such courses propose to make under the relevant provisions.

(2) The committee shall have power to grant (or reject) applications in individual cases in respect of any of the following matters in regard to the statutes and regulations concerning the courses and examinations for undergraduates and graduate and other students (including Recognised and Visiting Students):

(q) regulations governing graduate students and second or higher degrees;
(r) questions arising from the reference back by divisional boards, faculty boards, and other bodies of students’ applications for leave to supplicate for research degrees;
(s) permission to make a further attempt at an assessment, beyond the provision of the regulations;
(t) extensions to submission dates for assessed work that are likely to take the submission date beyond the term of office of the current board of examiners;
(u) major adjustments to assessment on the grounds of disability;
(v) permission to change mode of study.

(3) Decisions on applications will be made on behalf of Education Committee by the Pro-Vice-Chancellor (Education) or his or her nominee.

(4) An applicant who is dissatisfied with a decision made on behalf of Education Committee, may, or his or her college or department may, appeal against it. An appeal must be made within fourteen days of the date of Education Committee’s decision. Any such appeal must be made in writing and sent to the Director of Education Policy Support. The appeal will be heard by two members of Education Committee with no previous connection to the case.

(d) Education Committee

Explanatory Note
The following changes, made on the recommendation of Education Committee, provide up-to-date regulations consistent with the range of cases dealt with by Education Committee as a dispensation from the regulations.

A change is also made to provide for an appeal route in relation to Education Committee decisions.

Text of Regulations

In Part 2 of Council Regulations 15 of 2002, concerning the Education Committee, delete existing regulation 2.4 and substitute (new text underlined, deleted text struck through):

2.4. (1) The committee shall have power to make, amend and repeal regulations concerning the courses and examinations for undergraduates and graduate and other students (including Recognised and Visiting Students), and to approve regulations of that kind which the divisional boards and other bodies responsible for such courses propose to make under the relevant provisions.

(e) Proctors’ Disciplinary Regulations for Candidates in Examinations

Explanatory Note
The following changes, made on the recommendation of Education Committee and the Proctors, provide a clearer and more comprehensive regulation that coheres better with Education Committee’s published guidance for students on plagiarism.

A change is also made to the preamble to clarify the link between the relevant Statute and the regulations and to correct a reference.

Text of Regulations

In the Proctors’ Regulations 1 of 2003, concerning Disciplinary Regulations for Candidates in Examinations, delete existing regulations 1–5 and substitute (new text underlined, deleted text struck through):

1. These regulations are made by the Proctors in the exercise of their powers under section 22 of Statute IX and are designated by Council as disciplinary regulations under section 62 (2) of Statute XI. In accordance with that Statute, candidates who deliberately or recklessly breach any of the following regulations may be subject to disciplinary procedures.

2. In these regulations: (1) “examination” includes where the context so permits the submission and assessment of a thesis, dissertation, essay, Transfer of Status materials, Confirmation of Status materials, or other coursework which is not undertaken in formal examination conditions but is a requirement for, counts towards or constitutes the work for a degree or other academic award; and (2) “examination room” means any room designated by the University’s Registrar or his or her deputy or approved by the Proctors as a place for one or more candidates to take an examination.

3. No candidate shall cheat or act dishonestly, or attempt to do so, in any way, whether before, during or after an examination, so as to obtain or seek to obtain an unfair advantage in an examination.

4. No candidate shall present for an examination as his or her own work any part or the substance of any part of another person’s work. No candidate shall plagiarise by presenting someone else’s work as their own, or by incorporating other people’s work or ideas into their own work without full acknowledgement. This includes: verbatim quotation, cutting and pasting from the internet, and paraphrasing without clear
acknowledgement; collusion; inaccurate citation; failure to acknowledge assistance; use of material written by professional agencies or other persons; and autoplagiarism.

5. In any written work (whether thesis, dissertation, essay, coursework, or written examinations) passages quoted or closely paraphrased from another person's work must be identified as quotations or paraphrases, and the source of the quoted or paraphrased material must be clearly acknowledged.

65. Unless specifically permitted by the special Subject Regulations for the examination concerned, no candidate shall submit to the Examiners any work which he or she has previously submitted partially or in full for examination at this University or elsewhere. Where earlier work by the candidate is citable, he or she shall reference it clearly.

\footnote{Duplicated in Part 19 of the Regulations for the Conduct of University Examinations in Examination Regulations.}

**1 Voting on Legislative Proposal:**

**Transport Studies Fund and Reader in Transport Studies**

**Explanatory Note**

The following proposal renames the Readership in Transport Studies as the **Associate Professorship in Transport Studies**. The change is necessary on the retirement of the present incumbent in September 2015 as the use of the title of readership is no longer in use for new conferrals. The opportunity has also been taken to rationalise the three current provisions relating to Transport Studies into one comprehensive provision and to remove superfluous material.

WHEREAS it is expedient to change the existing provisions governing the Transport Studies Fund and the Reader in Transport Studies, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.

In the Schedule to the Statutes delete Part 59 and substitute (new text underlined, deleted text struck through):

**Part 59: Reader Associate Professor in Transport Studies**

59.1. The sums contributed between 1958 and 1968 by the Chartered Institute of Transport acting on behalf of the contributors shall be applied to the establishment and maintenance of an **Associate Professorship in Transport Studies** (“the Associate Professorship”) and the promotion of transport studies in the University under the arrangements set out in sections 59.2 and 59.3 below.

59.2. (1) The first charge on the net income of the endowment shall first be applied towards the cost of the salary and expenses of the holder of the readership Associate Professorship and associated overheads.
(2) Such part of the income of the endowment in any year that remains following the discharge of the costs referred to at Part 59.2 is applied in accordance with Part d of statute XVI, but any amendment to Part 59.2 is an amendment to the main objects of the endowment fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

Regulations to be made by Council if the Statute is approved by Her Majesty in Council

1 In Sect III of Council Regulations 25 of 2002, concerning Trusts, delete §357 (Transport Studies Fund) and renumber the subsequent regulations accordingly.

2 In SCHEDULE A of Council Regulations 3 of 2004, concerning statutory professorships, delete 'Readership in Transport Studies'.

3 In Sect III of Council Regulations 24 of 2002, concerning Academic and Other Posts, delete §325 (Reader in Transport Studies) and renumber the subsequent regulations accordingly.

4 These regulations shall be effective from the date on which the Statute approved by Congregation on 24 March is approved by Her Majesty in Council.

(2) Voting on a Resolution authorising the use of space at the Begbroke Science Park

Explanatory Note

The University established the Begbroke Science Park in order to provide capacity for space-intensive research and support small and medium-sized science businesses to take their projects to market. Begbroke Science Park is home to research activities from across the Mathematical, Physical and Life Sciences Division and provides co-location of academic and industrial interests within an integrated campus, helping to promote interaction, synergies, the translation of knowledge and technology, and innovation.

The Begbroke Innovation Accelerator is one of four innovation centres funded through the Oxford and Oxfordshire City Deal. This new development will build upon the existing work at the Begbroke Science Park, providing further and much-needed capacity for research and business to be co-located in a single facility.

Text of Resolution

That a site immediately adjacent to the Centre for Innovation and Excellence on the Begbroke Science Park be allocated for the construction of the Begbroke Innovation Accelerator (Phase 1) building. The building is expected to have a gross internal area of 1,900 sqm.

(3) Voting on a Resolution authorising the use of the Old Power Station building, Arthur Street

Explanatory Note

The Old Power Station building on Arthur Street was acquired by the University in 1971 in order to provide space for the Department of Engineering Science and for museum storage purposes. While the Department of Engineering Science moved out in 2010, the museum storage usage remains. However, the functional suitability of this space is poor and the premises are in need of significant capital investment if this is to change.

The capital investment priorities of the University, covering building, equipment, IT infrastructure and provision for matching emerging opportunities, are set out in the Capital Masterplan approved by Council. Two of the capital priorities have bearing on the future of the Old Power Station building.

The first is a need for a Joint Museums’ Collections Study Centre – a facility that would bring together those parts of the museums’ collections which are not on display, or otherwise located, within their main premises (including artefacts currently located in the Old Power Station), in a state-of-the-art facility.

The second is a need for better and more centrally located facilities for the Executive Education programme offered by the Saïd Business School. That facility would provide space for teaching and social interaction, together with accommodation. The Old Power Station has been identified as an ideal location for this facility, being in close proximity to both the school and the railway station.
As each individual project within the Capital Masterplan remains subject to the usual approval processes within the University, Congregation's authority for this future use of space at the Old Power Station is now sought. Project approval, through Council and its Planning and Resource Allocation Committee, will be sought in due course.

**Text of Resolution**

That the Old Power Station building (building number 189), approximately 4,020 sqm net usable area, be allocated to the Said Business School for a period of thirty years, the allocation being effective upon the building becoming vacant and subject to Council giving approval for the project to convert the building into a new Executive Education facility to proceed to completion.

Elections

Convocation

19 June

Election of the Professor of Poetry

An election by Convocation will be held in Trinity term 2015 in order to elect the Professor of Poetry, to hold office for four years from the first day of Michaelmas term 2015. A meeting of Convocation will be held on Friday, 19 June 2015, to announce the results.

DUTIES AND STIPEND OF THE PROFESSOR

The duties of the professor are: normally to give one public lecture each term; to deliver an inaugural lecture; normally to offer one more event each term; to give the Creweian Oration at Encaenia every other year (a duty established by convention); each year, to be one of the judges for the Newdigate Prize, the Lord Alfred Douglas Prize and the Chancellor’s English Essay Prize; every third year to help judge the prize for the English poem on a sacred subject; and generally to encourage the art of poetry in the University.

The professor receives a stipend of £12,000 per annum plus £40 for each Creweian Oration. The professor may hold the post in conjunction with another professorship or readership within the University. The post enjoys an association with All Souls College but there may be occasions when the postholder is offered an association by another college (eg if the postholder has a prior association with another college).

Further particulars of the professorship are available on the University website (www.ox.ac.uk/poetryprofessor2015). Informal enquiries about the post may be made to seamus.perry@ell.ox.ac.uk. The nomination form may be downloaded from the University website (www.ox.ac.uk/poetryprofessor2015) or obtained from the Elections Office (email: poetry.election@ admin.ox.ac.uk). Nominations must clearly show for each signatory the name, date of birth, and college and year of matriculation (for degree-holders), or the college or department (for non-matriculated members of Congregation). Faxed nomination forms or electronic signatures will not be accepted. Please note that members also wishing to vote must also register their intention to vote (see ‘Voter registration’ below).

ELECTION PROCEDURES

Eligibility to vote in this election

All members of Convocation who wish to vote in this election must first register their intention to vote (see ‘Voter registration’ below).

Convocation consists of all the former student members of the University who have been admitted to a degree (other than an honorary degree) of the University, and of any other persons who are members of Congregation or who have retired having been members of Congregation on the date of their retirement.

Membership of Convocation is conferred automatically to members of Congregation whose names have been entered in the Register of Congregation and to degree holders after having attended a formal degree-ceremony (either in person or in absentia). Those wishing to verify their current status as members of Convocation are asked to contact their college secretary or departmental administrator.

The functions of Convocation are set out in the University Statutes (www.admin.ox.ac.uk/statutes/780-121.shtml).

Eligibility to stand for election

The single criterion for eligibility, in addition to not having held the Professorship on a previous occasion, is that candidates be of sufficient distinction to be able to fulfil the duties of the post.

Eligibility to nominate in this election

All members of Convocation are entitled to nominate a candidate in this election (see ‘Nominations’ below). Please note that members also wishing to vote must also register their intention to vote (see ‘Voter registration’ below).

Nominations

Nominations by 50 members of Convocation other than the candidate (who need not be a member of Convocation) must be received by the Elections Office at the University Offices, Wellington Square, up to 4pm on Wednesday, 6 May. Copies of the nomination form may be downloaded from the University website (www.ox.ac.uk/poetryprofessor2015) or obtained from the Elections Office (email: poetry.election@ admin.ox.ac.uk). Nominations must clearly show for each signatory the name, date of birth, and college and year of matriculation (for degree-holders), or the college or department (for non-matriculated members of Congregation). Faxed nomination forms or electronic signatures will not be accepted. The names of those nominators whose eligibility to nominate has been verified will be published online and in the University Gazette.
Nominations must also be accompanied by a statement signed by the person nominated consenting to the nomination, and including either his/her contact details or the name and contact details of the person he/she has nominated to act as his/her representative to the University throughout the election (the ‘authorised representative’). Faxed candidate forms or electronic signatures will not be accepted. Copies of the form for candidates may also be downloaded from the University website (www.ox.ac.uk/poetryprofessor2015) or obtained from the Elections Office.

**Candidate statements**

Each candidate for election, or authorised representative, may submit for publication a written statement, of no more than 500 words, setting out the candidate's reasons for standing. If they so wish, each candidate may include for publication one photograph of themselves and one URL to the candidate's own website. These statements must be received by the Elections Office at the University Offices, Wellington Square, by **4pm on Wednesday, 6 May**. In the event of a contested election, these statements shall be published in the University Gazette and on the official University website.

**Congregation flysheets**

Ten or more members of Congregation may arrange to have a flysheet circulated with the Gazette in regard to this election. The rules made by Council governing the circulation of flysheets are given in Appendix B of Congregation Regulations 2 of 2002 (www.admin.ox.ac.uk/statutes/regulations/529-122b.shtml#_Toc28141352).

**Voting arrangements**

If the election is not contested the result will be announced in the Gazette following the close of nominations. In the event of a contested election, a ballot will be conducted by the Electoral Reform Services in accordance with the following procedures and the results announced at a meeting of Convocation on Friday, 19 June.

**Voter registration**

In the event of a contested election, members of Convocation must register their intention to vote. The registration period will open on Monday, 13 April 2015, and close at noon on Monday, 8 June 2015 (BST). A website will be available during this period for prospective voters to register their intention to vote during the election. Once you have submitted your request to register and confirmed this via an emailed link to your email account, your details will be checked to ensure you are a member of Convocation and eligible to vote in this election. You will be notified by email if your request has been unsuccessful. If you are unable to register online, or have any queries about the registration process, a telephone helpline will be available during the registration period.

**Voting**

Registered voters will have the option of voting, either online or in person at the University Offices, from Friday, 22 May, until noon on Wednesday, 17 June (BST). Voters who have registered to vote online will be sent instructions on how to vote once their eligibility to vote has been verified. To allow time for verification of eligibility, members wishing to vote in person must register at least five working days before collecting their ballot paper from the University Offices at Wellington Square, Oxford, between 9am and 5pm Monday to Friday. Members voting in person must bring some form of photo identification, such as a University card, Bodleian reader’s card, new-style driving licence or passport.

**Result of a contested election**

The result of a contested election will be announced by the Proctors in a meeting of Convocation at 4pm on Friday, 19 June, in Convocation House. Members of Convocation wishing to attend the meeting are asked to note that the wearing of gowns is optional. The result will subsequently be reported on the University’s website and published in the Gazette.

**Further information**

Informal enquiries about the post may be made to the Chair of the Faculty of English (seamus.perry@ell.ox.ac.uk).

Further information about election procedures may be found in Council Regulations 8 of 2002 (www.admin.ox.ac.uk/statutes/regulations/1089-120.shtml).
