Changes in Regulations

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on **21 July**.

(a) Establishment of the Oxford University Rugby Fund

Explanatory Note

These regulations establish the Oxford University Rugby Fund, following receipt of £500,400 to be used toward the promotion of participation in the sport of rugby union football in particular among student members of the University.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §327 as follows, and renumber existing §327 onwards by plus one:

‘§327. Oxford University Rugby Fund

1. The University receives with gratitude the initial sum of £500,400 to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either permanent or expendable endowment to be held on the same trusts. The assets so held will be known as the Oxford University Rugby Fund (“the Fund”).
2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).
3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, toward the promotion of participation in the sport of rugby union football in particular among student members of the University (“the Trust Purpose”). For so long as the Oxford University Rugby Football Club (“the Club”) exists and continues to have exclusively charitable objects, the University shall advance the Trust Purpose

exclusively through the application of funds to the Club.

4. The administration of the Fund, and the application of its income, shall be the responsibility of a board of management comprised of three individuals: two appointed by the University; and one appointed by the Club with the approval of the University.
5. The University may in its absolute discretion in the period ending 21 years from the date this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund.
6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Trust Purpose.
7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.
8. Regulations 1-10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.
9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:
 - (1) cease to be exclusively charitable according to the law of England and Wales; or
 - (2) be outside the objects of the University.
10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

(b) Establishment of the Nasmyth Laboratory Fund

Explanatory Note

These regulations establish the Nasmyth Laboratory Fund, following receipt of a donation from an anonymous donor, for the purpose of supporting the programme of research and teaching carried out in the laboratory of Professor Kim Nasmyth, within the University’s Department of Biochemistry.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §261 as follows, and renumber existing §261 onwards by plus one:

‘§261. Nasmyth Laboratory Fund

1. The University receives with gratitude the sum of £1,200,000 from an anonymous donor to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as expendable endowment to be held on the same trusts. The assets so held will be known as the Nasmyth Laboratory Fund (“the Fund”).
2. The University shall apply the income and, in its discretion, the capital of the Fund, toward the costs of the programme of research and teaching carried out in the laboratory of Professor Kim Nasmyth, within the University’s Department of Biochemistry (“the Programme”). Such costs include, without limitation, the cost of: consumables; staff; student scholarships or bursaries; travel; and equipment. Any part of the Fund remaining unspent after 31 May 2024 shall be applied to provide stipend awards for graduate students in the University’s Department of Biochemistry who work on chromosome biology or cell division. For the avoidance of doubt, such awards shall be for maintenance stipends only, and shall not be applied to cover the cost of University or college fees.
3. The administration of the Fund, and the application of its income and capital, shall be the responsibility of a management committee formed for that purpose (“the Management Committee”). For so long as

Professor Kim Nasmyth is an employee of the University, the Management Committee shall consist of the members of the Biochemistry Departmental Board from time to time and Professor Nasmyth. At a time when Professor Nasmyth is not a University employee, the Biochemistry Departmental Board shall act as the Management Committee.

4. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

5. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Programme.

6. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

7. Regulations 1–9 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

8. Subject to regulation 9, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

9. Any amendment to regulation 2 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

(c) Establishment of the Robert and Valerie Appleby Research Scholarship Fund

Explanatory Note

These regulations establish the Robert and Valerie Appleby Research Scholarship Fund, following receipt of the legacy of Valerie Joan Appleby to be used toward

scholarship awards to be known as the Robert and Valerie Appleby Research Scholarships, which shall support the study of vertebrate palaeontology by students in the Department of Zoology, or, in the event that no suitable candidate can be found within the Department of Zoology, by students in other departments or museums of the University.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §8 as follows, and renumber existing §8 onwards by plus one:

‘§8. Robert and Valerie Appleby Research Scholarship Fund

1. The University receives with gratitude the legacy of Valerie Joan Appleby to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Robert and Valerie Appleby Research Scholarship Fund (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, toward scholarship awards to be known as the Robert and Valerie Appleby Research Scholarships (“the Scholarships”). The Scholarships shall support the study of vertebrate palaeontology by students in the Department of Zoology or, in the event that no suitable candidate can be found within the Department of Zoology, by students in other departments or museums of the University as are most appropriate.

4. The administration of the Fund, and the application of its income, shall be the responsibility of a Board of Management comprising the Head of the Department of Zoology, the Head of the Department of Earth Sciences, and the Director of the Oxford University Museum of Natural History.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part

of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Scholarships.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.’
