## Council of the University

### Changes in Regulations

Council has made the following changes in regulations, to come into effect on **21 November**.

#### (a) Regulations for the Committee for the Proctors' Office

##### *Explanatory Note*

The proposed changes, recommended by the group established to review the Committee for the Proctors' Office, amend the remit and membership of the committee to strengthen the governance structures supporting the office such that the Proctors and Assessor are able to fulfil their roles effectively and with autonomy, whilst at the same time ensuring that the independence of the Proctors' Office is maintained.

##### *Text of Regulations*

In Council Regulations 2 of 2004, concerning other University bodies, delete existing Part 6 concerning the Committee for the Proctors' Office and substitute:

'6.1. There shall be a Committee for the Proctors' Office consisting of:

- (1) one member of Congregation with appropriate skills and experience appointed by the General Purposes Committee of Council who shall chair the committee;
- (2), (3) the Proctors;
- (4) the Assessor;
- (5), (6) two members of college or society governing bodies appointed by the Conference of Colleges;
- (7) one member appointed by the General Purposes Committee of Council, after consultation with the head of each division;
- (8) one student member representative appointed by the Executive of the Oxford University Student Union from among their own number.

6.2. The members appointed under regulation 6.1 (1) and (5)-(7) above shall hold office for five years and shall serve no

more than two consecutive full terms of office. Casual terms of office shall not count towards this limit. Notwithstanding this, the General Purposes Committee of Council may determine that one further consecutive period is permitted in an individual case.

6.3. In appointing the members at regulation 6.1 (5)-(7) above, the Conference of Colleges and the General Purposes Committee of Council shall always ensure that the members have the relevant skills and experience to provide an appropriate balance between (i) departmental or divisional and college representation; and (ii) undergraduate and graduate representation.

6.4. The student member representative appointed under regulation 6.1 (8) above shall serve for one year, and shall be eligible for reappointment. The participation by the student member in the business of the committee shall be subject to the same conditions as are prescribed for the student member representatives at meetings of Council under regulations 4-11 of Council Regulations 13 of 2002.

6.5. The Clerk to the Proctors shall be in attendance at meetings of the committee and shall act as secretary.

6.6. The committee shall meet not less than twice a year. Normally the two meetings shall be held at fixed times set in advance in the annual calendar.

6.7. The committee shall:

- (1) provide strategic oversight of the work of the Proctors' Office, ensuring it adequately supports the Proctors and the Assessor in carrying out their duties effectively and with autonomy;
- (2) provide support and advice to the Proctors' Office as necessary;
- (3) advocate on behalf of the Proctors' Office within the University; and
- (4) be available for informal consultation by the Proctors.

6.8. The committee shall be responsible for:

- (1) the appointment of the Clerk to the Proctors, who shall be responsible under the Proctors for supervising and directing

the staff of the office except for those members of staff, including the Proctors' Officers, for whom responsibility is allocated by the Proctors to the University Marshal; and

(2) the general oversight of budgeting for the Proctors' Office and expenditure within it, including the costs of the Proctors' Officers.

6.9. The committee shall make a brief annual report to the General Purposes Committee of Council on the matters considered by the committee during the year.'

#### (b) Regulations relating to membership of the Planning and Resource Allocation Committee

##### *Explanatory Note*

The changes below provide for an increase in the number of co-opted places on the Planning and Resource Allocation Committee (PRAC) from one to up to three, and remove the requirement that the approval of Council is required on each occasion. This will enable the committee to improve the balance of its membership, with reference to (for example) gender balance, the balance of representatives from different divisions, and potentially from among non-divisional units or individuals outside the University. The change brings PRAC's terms of reference more closely into line with those of other main committees of Council, which may co-opt between two and six members without approval by Council on each occasion. The changes also provide that Heads of Division may propose a nominee to attend PRAC in their place in exceptional circumstances.

An update is also made to replace the term 'chairman' with the gender-neutral term 'chair'.

##### *Text of Regulations*

In Council Regulations 15 of 2002, Part 5, concerning the Planning and Resource Allocation Committee, amend regulation 5.1 as follows (new text underlined, deleted text scored through):

5.1. The Planning and Resource Allocation Committee shall consist of:

- (1) the Pro-Vice-Chancellor (Planning and Resources), who shall be chair of the committee;
- (2)–(4) the Proctors and the Assessor;
- (5) the ~~Chairman~~ or Vice-Chairman of the Conference of Colleges, as determined by the Conference of Colleges;
- (6) the ~~Chairman~~ of the Committee of Estate Bursars;
- (7)–(10) the heads of each of the divisions, or their nominee (subject to the agreement of the Chair in advance of any meeting);
- (11)–(15) five persons appointed by Council from among the members of Council specified in section 4 (15)–(25) of Statute VI;
- (16), (17) two external persons appointed by Council each of whom may be members of Council specified in section 4 (7)–(10) of Statute VI;
- (18) the ~~Chairman~~ of the Building and Estates Subcommittee of the Planning and Resource Allocation Committee;
- (19) the ~~Chairman~~ of the Value for Money Subcommittee of the Planning and Resource Allocation Committee;
- (20) one student member representative, selected by the Council of the Oxford University Student Union from among the student member representatives on Council.

5.2. In appointing the members at regulation 5.1 (11)–(17) above, Council shall always ensure that there is within the total membership of the committee an appropriate balance across the academic activities of the various divisions, and between the divisions and the non-divisional constituency, as reasonably practicable.

5.3. The committee may co-opt up to three additional members, of whom one may be an external. ~~Subject to the approval of Council on each occasion, the committee may co-opt one additional member, on condition that the committee shall always ensure by the use of its power of co-optation that the range of interests in the collegiate University is as fully reflected within the total membership of the committee as is reasonably practicable.~~

### (c) Committee on Animal Care and Ethical Review

#### *Explanatory Note*

The proposed changes to the membership of the Committee on Animal Care and Ethical Review are necessary in order to comply with the Animals (Scientific Procedures) Act 1986, as amended in 2012. The proposed changes return a Named Veterinary Surgeon and Named Animal Care and Welfare Officer representative to full membership of the committee. The appointments will be *ex officio* and attendance at meetings will be subject to local arrangement and agreement between those holding the appointments at any given time.

The references to the Supervisor of Veterinary Services are deleted as the appointment no longer exists and the duties associated with the role have been transferred to the Director of Biomedical Services. The references to the 'Certificate Holder' are replaced with the new title 'Establishment Licence Holder' and references to the 'Certificate of Designation' with 'Establishment Licence'. The opportunity is also taken to replace the term 'chairman' with the gender-neutral term 'chair'.

#### *Text of Regulations*

In Council Regulations 15 of 2002, delete existing Part 7 relating to the Committee on Animal Care and Ethical Review, and substitute (new text underlined, deleted text scored through):

'7.1. The Committee on Animal Care and Ethical Review shall consist of:

- (1) a person appointed by Council, on the recommendation and with the agreement of the ~~Certificate Holder~~ Establishment Licence Holder, who shall be a person not being engaged in work governed by the Animals (Scientific Procedures) Act 1986 and who shall be ~~chairman~~ of the committee;
- (2) one representative from departmental ethical review committees nominated by the Mathematical, Physical and Life Sciences Board;
- (3), (4) two representatives from departmental ethical review committees nominated by the Medical Sciences Board, at least one of whom shall be based at the hospital sites in Headington;
- (5) one of the Proctors or the Assessor as may be agreed between them;

(7) a Project Licence Holder appointed by the ~~Certificate Holder~~ Establishment Licence Holder, after consultation with the Named Veterinary Surgeons and the Director of Biomedical Services, from among those nominated by departments;

### Possible changes to Statute XII: topic for discussion

A Discussion on the topic of 'Possible changes to Statute XII' will take place at the Congregation meeting on 18 November (week 6) at 2pm.

In Hilary term 2014, members of Congregation and all University staff were invited to respond to a consultation about possible changes to Statute XII, the statute that governs matters such as discipline, dismissal and grievance procedures for all University staff of grade 6 and above. The consultation identified a number of shortcomings of the present statute and sought views on various amendments that could be made to the statute in order to address them. In the light of the responses received, Personnel Committee has identified a number of possible changes for discussion, and these are set out in the supplement published with *Gazette* No 5074, 23 October 2014. The Discussion in Congregation will provide an opportunity for views to be expressed before detailed proposals are developed for a second round of consultation.

Following the Discussion at Congregation and the publication of its proceedings in the *Gazette*, there will be an opportunity for University staff to send in by email further comment arising from the Discussion.

### Arrangements for the meeting

The meeting will be held in the Sheldonian Theatre. Given the coverage of the statute and the role of the Discussion in the consultation process, employees of the University who are not members of Congregation will be welcome to attend and to speak (on the basis set out below). The meeting will also be open to the nominated representatives of the Oxford University Student Union (OUSU) as agreed in advance by the Vice-Chancellor. Admittance to the theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the theatre will open at 1.45pm.

The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

### Advance notice by speakers

Those wishing to speak at the meeting will be expected to limit their contributions to five minutes. As the meeting is expected to close by 4.30pm, it may not be possible to call all those who wish to speak, and priority will be given to members of Congregation. If you wish to speak at the meeting, you are asked to indicate this intention in advance by emailing [congregation.meeting@admin.ox.ac.uk](mailto:congregation.meeting@admin.ox.ac.uk). It would be helpful if those intending to speak would explain briefly (in no more than 25 words) what issues they wish to cover. Names of those who have indicated a wish to speak, together with the issues they wish to raise, will be published on the Congregation website ([www.admin.ox.ac.uk/councilsec/governance/congregation](http://www.admin.ox.ac.uk/councilsec/governance/congregation)). This sharing of information may be of use both to other speakers and to those considering attending; it will also be used to provide structure to the order in which speakers are called. Speakers are asked to provide their information as soon as possible, and by **noon on Friday 14 November** at the latest, if they wish to be scheduled to speak. If time permits, those who have not indicated in advance an intention to speak will still be free to do so. The Vice-Chancellor will also invite two nominated representatives of OUSU to speak.

### Transcript

It is intended that a transcript<sup>1</sup> of the meeting will be published in the *Gazette* of 27 November and, before then, on the University website ([www.admin.ox.ac.uk/councilsec/governance/congregation](http://www.admin.ox.ac.uk/councilsec/governance/congregation)). As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication.

<sup>1</sup>The transcript may be edited for legal reasons.

## Industrial action beginning on 6 November 2014

The University and College Union (UCU) has called on its members to take continuous action short of a strike in the form of an assessment and marking boycott, beginning on 6 November. The action is in support of their dispute over proposed changes to the USS pension scheme. You can read more about the proposed changes here: <https://www1.admin.ox.ac.uk/finance/pensions/uss/ussconsultation>.

This action includes all setting and marking associated with student examinations, course work and assignments. The industrial dispute is between the UCU and the University. College-only employees are not being asked to take part in industrial action. Those holding joint appointments are not being asked to take part in industrial action, except in relation to their University assessment and marking duties.

The UCU has not called on staff to 'work to contract' in other respects.

The University does not intend to pay marking or examining fees to those who do not take part in examining. The University reserves the right to refuse to accept partial performance at any future date. In that event, an appropriate deduction in pay would be made.

A group led by the Registrar is working to minimise the impact of this industrial action and efforts continue at a national level to resolve the dispute.

## Miscellaneous

### Accommodation for tutors sought

**OU DCE is looking for accommodation** to house summer school tutors and their families during Jul-Aug 2015. Specifically we are looking for 2- or 3-bed houses/apartments within central Oxford (or on a good bus route into the centre) which would be available from around Sat 11 Jul to Sat 1 Aug or Sat 8 Aug (some programmes are 3 weeks, some are 4). Please contact [laura.thomlinson@conted.ox.ac.uk](mailto:laura.thomlinson@conted.ox.ac.uk).

### UK Brain Bank for Autism and Related Developmental Research, JR

**The developing brain is altered in autism** but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do - and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See [www.brainbankforautism.org.uk](http://www.brainbankforautism.org.uk) for information and to register as a donor.

### Restore Garden Café

For further information: email brainfhsproject@gmail.com or ealish.swift@jesus.ox.ac.uk or phone Charlie: 07546 366555.
