4. Student members shall be represented at meetings of Council by:

(1) the President of the Oxford University Student Union;
(2) the Vice-President (Graduates) of the Oxford University Student Union;
(3) the Vice-President (Access and Academic Affairs) of the Oxford University Student Union; one member of the Council of the Oxford University Student Union chosen by that council.

5. (1) The member appointed under regulation 4(3) above shall serve for one year from the Saturday in the first week of Hilary Full Term and shall be ineligible;
(2) if a casual vacancy occurs for a member appointed under regulation 4(3) above, another member shall be appointed to serve for the remainder of the period of office of the vacating member, save that not more than one such replacement appointment may be made during any one period of office.

6. If the Vice-President (Graduates) of the Oxford University Student Union is or becomes during his or her period of office a member of the University in a category other than that of student member, he or she shall nevertheless be regarded as a student member for the purposes of these regulations.

7. The student members shall be entitled to speak at meetings of Council but not to vote.

78. (1) No student member shall be present for the discussion of reserved business.
(2) The following matters shall be reserved:

(a) issues of particular strategic sensitivity;
(b) issues of particular commercial sensitivity;

(d) matters pertaining to specific individuals, such as honorary degrees, and decisions on appointments, promotions, and other matters concerning the personal position of members of the staff of the University; and the admission of individuals and their academic assessment and personal affairs; and
(e) any other matter at the discretion of the chairman of Council.

3. In any case of doubt, the chairman of Council shall decide whether an item of business falls under one of the categories listed in paragraph (2) above, and his or her decision shall be final.

89. The student members shall receive the full Council agenda paper but not the papers or minutes relating to reserved business.

104. While these regulations remain in force, the provisions of section 419 of Statute XIII, concerning access by student members on a joint committee to the parent body, shall not apply to the Joint Subcommittee of the Education Committee with Student Members.'

7. There shall be three two Panels and one Court as follows:

(1) the Student Disciplinary Panel;
(2) the Student Appeal Panel;
(3) the Academic Conduct Panel;
(4) the Appeal Court.

8. (1) The Student Disciplinary Panel shall comprise a chairman, two or more vice-chairmen, and eleven or more other members, who shall each serve for three years and may be reappointed.

(2) The chairman and vice-chairmen shall be appointed by the High Steward from among the members of Congregation who are barristers or solicitors of at least five years standing or who have experience which makes them suitable for appointment.

(3) The other members shall be appointed by Council from among the members of Congregation.

(4) A sitting of the Panel shall be sufficiently constituted by a panel comprising three members of whom at least one shall be the chairman or a vice-chairman, and shall be convened in accordance with the regulations made under section 26 of this statute.

9. (1) The function of the Student Disciplinary Panel shall be to hear and determine, in accordance with procedure set out in regulations made under section 26 of this statute, allegations made to it by the Proctors that a student member has committed a breach of the provisions of section 2 or 3 of this statute, and appeals against decisions under sections 29 (2) and 42 (2) of this statute, and cases referred to it by the Academic Conduct Panel under section 20 of this statute.

(2) No complaint made by the Proctors shall be heard by the Student Disciplinary Panel more than six months after the date of the first interview unless the Chairman or Vice-Chairman sitting on that occasion decides at his or her discretion to allow the complaint to be heard on the grounds that there is good cause for the delay.

10. (1) If the Student Disciplinary Panel is satisfied that a student member is guilty of the breach with which he or she is charged it may:

(a) impose a fine of such amount as it thinks fit;
(b) order the student member to pay compensation to any person or body suffering injury, damage or loss as a result of the student member’s conduct;

(4) If the Panel is satisfied that the student member has committed a breach of the provisions of section 2 or 3 of this statute, it may instead of exercising its powers under sub-sections (1), (2) and (3) above give the student member a written warning as to his or her future conduct and the Proctors shall keep a record of the warning.

11. (1) The Student Disciplinary Panel shall also have the function of determining, in accordance with the procedures set out in the regulations made under section 26 of this statute, appeals made by student members under sections 33, 40 (2) and 47 (5).

(2) The conduct of appeals shall be by way of rehearing.

(3) In the exercise of its appellate powers the Panel may quash or confirm the decision appealed against, or make any order in substitution for it which the person or body whose order is being appealed could have made.

13. If the student member who is the subject of the disciplinary action is aggrieved by a decision of the Student Disciplinary Panel he or she may apply for permission to appeal to the Student Appeal Panel.

14. (1) The Student Appeal Panel shall consist of three persons appointed by the High Steward, who shall be external persons who hold a legal qualification and have experience which makes them suitable for appointment and shall not be members of Congregation.

(2) Members of the Student Appeal Panel shall serve for three years and may be reappointed.

(3) A sitting of the Student Appeal Panel shall be sufficiently constituted by one of its members acting alone.
15. (1) The Student Appeal Panel may, if it thinks it is in the interest of justice and fairness to do so, sit with no more than two assessors who are members of Congregation appointed by the High Steward who have knowledge and experience of the practice and procedures of this University relevant to the issues raised in the appeal.

(2) The assessor or assessors shall assist and advise the Panel on matters of practice and procedure relevant to the appeal and shall not be party to the Panel's decision.

16. (1) The function of the Student Appeal Panel shall be to hear and determine, in accordance with procedure set out in regulations made under section 20 of this statute:

(a) appeals from the Student Disciplinary Panel;
(b) other appeals which are designated to be made to the Student Appeal Panel in regulations made by Council.

(2) (a) The Student Appeal Panel shall have full power to determine any question of law and of fact, and, in exceptional circumstances only, to hear evidence.

(b) The Panel may quash or confirm the decision appealed against, or make any order in substitution for it which the tribunal whose order is being appealed could have made.

17. (1) The Academic Conduct Panel shall comprise the current Proctors, who shall each serve for the length of their term of office as Proctor, and five or more other members, who shall each serve for three years, and may be reappointed.

(2) The members, with the exception of the current Proctors, shall be appointed by Council from among the members of Congregation. The appointed members shall have relevant experience, for example through being a former Proctor or former member of the Student Disciplinary Panel.

(3) A sitting of the Academic Conduct Panel, which may take place at a meeting or by correspondence, shall be sufficiently constituted by a panel comprising three members serving ex officio or appointed under section 17(1) and (2) or co-opted under section 17(4) as appropriate, of whom one shall be a current Proctor and at least one shall be one of the appointed members, and shall be convened in accordance with the regulations made under section 26 of this statute. If necessary, a current Proctor may be represented by a current Pro-Proctor.

(4) At each sitting of the Academic Conduct Panel, one appointed member shall have subject expertise relevant to the course being studied by the student alleged to be in breach of the Disciplinary Code, but shall not be a member of the Examination Board concerned. (2) The Academic Conduct Panel shall only consider cases in relation to sections 3, 4 or 5 of the Proctors' Disciplinary Regulations for Candidates in Examinations.

(d) award no mark to a piece of work and direct that the work must be resubmitted and that the mark for the resubmitted work be capped;
(e) in the cases of (c) and (d), the Panel may direct the examiners to accept resubmitted work in place of the original submitted work, if the regulations for the relevant course do not normally allow for work to be resubmitted.

20. If the Panel is of the view that a breach of such seriousness has been committed that the penalties set out in section 19 of this statute are not appropriate, it shall refer the student member to the Student Disciplinary Panel, which, if it is satisfied that the student member is guilty of the breach with which they are charged, shall have the power to impose any of the penalties set out in section 10 of this statute.

21. The Panel shall not impose any penalty which would result in failure of the entire award. If the Panel is of the view that such a penalty is appropriate, it shall refer the student member to the Student Disciplinary Panel under section 20 above.

22. If the Academic Conduct Panel is satisfied that a student member has not committed a breach of sections 3, 4 or 5 of the Proctors' Disciplinary Regulations for Candidates in Examinations, but believes that they would benefit from support and training relating to good academic practice, it may direct that they should receive this.

23. (1) The Appeal Court shall consist of five persons appointed by the High Steward who are not members of the University and each of whom is:

(a) a Lord or Lady of Appeal, a Lord or Lady Justice of Appeal, or a Justice of the High Court of Justice; or
(b) a person who has held such an appointment and is retired; or
(c) a Queen's Counsel of not less than six years' standing.

(2) The person appointed shall serve for three years and may be reappointed.

(3) A sitting of the Appeal Court shall be sufficiently constituted by one of its members sitting alone.

(d) other appeals which are designated to be made to the Appeal Court in regulations made by Council.

(2) In relation to appeals made under Part H of Statute XII the Appeal Court shall have the powers laid down in that Part.

(3) (a) In relation to all other appeals the Appeal Court shall have full power to determine any question of
PART C: BREACHES BY STUDENT MEMBERS

23. (1) If the Proctors have reasonable grounds for believing that a student member has committed a breach of section 2 or 3 of this statute they may refer the matter to the Student Disciplinary Panel, or, in the case of breaches of sections 3, 4 or 5 of the Proctors’ Disciplinary Regulations for Candidates in Examinations, to the Academic Conduct Panel.

(2) If a Proctor or any member of the university staff who is authorised by the Proctors for the purposes of this sub-section has reasonable grounds for believing that a student member has committed a breach of the Regulations of the Rules Committee relating to behaviour after examinations he or she may impose a fine on that student member (called “an immediate fine”) on becoming aware of the breach in question.

(3) The procedure to be followed in the imposition of immediate fines, the amount of the fine, and a student member’s right of appeal from an immediate fine shall be prescribed in regulations.

24. (1) In any case proceeding before the Student Disciplinary Panel or the Student Appeal Panel, the case for the Proctors may be presented by either of the Proctors or, at their discretion, by any Pro-Proctor or any other member of Congregation.

(2) In appropriate circumstances, following suitable consultations, the case may be presented by a solicitor or barrister who is not a member of Congregation.

(3) In any such proceedings it shall be the duty of the Proctors or their representative to state to the Panel what penalty in the Proctors’ opinion would be appropriate if the person charged were found guilty, and to give the Proctors’ reasons for that opinion.

25. (1) The Proctors may during the course of an investigation under section 24 of this statute into an alleged breach other than one involving harassment of or serious injury to a person, serious damage to property, or a significant element of dishonesty invite the student member in question to consider whether he or she is prepared to submit this matter for determination by the Proctors.

(2) If the student member agrees to the disposal of a case under this section it shall be dealt with by the Proctors accordingly and not referred to the Student Disciplinary Panel.

(3) The only penalties which the Proctors may impose upon a student member under this section are:

(a) a fine alone or with compensation not exceeding the sum as prescribed by regulation from time to time under section 26 of this statute; or

(b) a written warning as to his or her future conduct, of which the Proctors shall keep a record.

(4) Further rules relating to the procedures of the Proctors under this section shall be set out in regulations made under section 20 of this statute.

26. Council may from time to time by regulation specify the maximum amounts of the fines and/or compensation referred to in section 25 of this statute.

27. If the student member who is the subject of the disciplinary action is aggrieved by a decision of the Proctors he or she may appeal to the Student Disciplinary Panel.

28. If the Proctors consider in the light of additional evidence that their powers under section 25 of this statute are insufficient to meet the gravity of the circumstances, they may refer the case to the Student Disciplinary Panel under the regulations for that body.

35. If the Proctors consider that a breach of sections 3, 4 or 5 of the Proctors’ Disciplinary Regulations for Candidates in Examinations should be referred to the Academic Conduct Panel, they shall invite the student member to decide whether the matter should be referred to the Academic Conduct Panel or to the Student Disciplinary Panel. If the student member agrees that the matter should be referred to the Academic Conduct Panel, the only penalties which that Panel may impose are those set out in section 19 of this statute. The Proctors should refer breaches of sections 3, 4 or 5 of the Proctors’ Disciplinary Regulations for Candidates in Examinations directly to the Student Disciplinary Panel if they consider that the powers of the Academic Conduct Panel under section 19 are insufficient to meet the gravity of the circumstances.

29. (1) If the Student Disciplinary Panel, the Student Appeal Panel, or the Proctors in the course of proceedings or an investigation under this statute has or
have reasonable grounds for believing that a student member is suffering from a serious problem arising from ill-health the Panel concerned or the Proctors shall refer the student to the University’s Fitness to Study Panel in accordance with the procedures set out in Part B of Statute XIII.

(2) Until a determination of the case under Part B of Statute XIII all further proceedings under this Part of this statute shall be adjourned.

7. (1) If the Proctors have reasonable grounds to believe that a breach of section 3 or 3 of this statute has been committed by a student member who is also a person to whom Statute XII applies, they shall before deciding to proceed under section 23-29 of this statute refer the matter to the Registrar to enable him or her to decide whether to proceed under that statute.

(2) If the Registrar desires to proceed under Statute XII no further proceedings shall be taken against the student member under section 24-29 of this statute but the Proctors shall continue to give the Registrar such assistance as he or she may require.

(3) If the Registrar desires not to proceed under Statute XII and the matter also relates to alleged breaches of sections 2 or 3, he or she shall refer the matter to the Proctors if he or she considers it appropriate to do so:

2 Ibid, re-number existing sections 31-43 as sections 38-50.

3 This statute shall be effective from 1 October 2016.

4 If the changes to Statute XI are approved, the following consequential change to Statute XII will be notified to Her Majesty in Council. In section 33 (2) of Statute XII, concerning Academic Staff and the Visitorial Board, delete ‘section 27 of Statute XI’ and substitute ‘section 25 of Statute XI’.

3.11. If the student is present at the meeting they shall be given the opportunity to respond to the allegation that they have committed a breach.

3.12. The Panel shall take account of any written statement or further evidence provided by the student, whether or not they attend the meeting.

3.13. If the student is present at the meeting they shall leave the room for the Panel to make its decision, and the decision on any penalty, and shall return to hear the decision.

3.15. The Panel shall normally consider cases within one month of the Examination Board’s referral to the Proctors.

3.16. If the student does not respond to reasonable attempts to contact them at their last notified address, including for
the purposes of conducting the interview referred to in regulation 3.3 above, the Panel meeting may proceed without obtaining further evidence from the student.

3.17. During the interview provided for at regulation 3.3 above the student may be given an opportunity to admit to breaching the regulations and be offered the option of the penalty being agreed by the Panel via correspondence, without a meeting taking place. The student must be (a) fully informed of the alternative courses of action available to them, (b) informed of and prepared to accept the penalty which the Proctor intends to recommend to the Panel and (c) in agreement with the Proctor’s summary of the case, including whether the breach was intentional or reckless.

3.18. If the student consents to the Panel agreeing the penalty by correspondence the Panel may not impose a penalty which is more severe than the Penalty recommended by the Proctors. The Panel will discuss the penalty by correspondence and will notify the student of the penalty within five working days. The student will have a right of appeal as set out in Part 4 of these regulations. The appeal will consider the matter afresh and may impose any penalty within the Academic Conduct Panel’s powers under section 19.

**Decision**

3.19. The decision of the Panel, including any penalty, shall be announced at the meeting (or by correspondence if the Panel has agreed the penalty by correspondence under regulation 3.18).

3.20. The penalties available to the Panel, if a breach is found, are those listed in section 19. The Panel may also decide, under section 20, that the student should be referred to the Student Disciplinary Panel. The Panel may not impose any penalty which would result in failure of the entire award. The Panel shall take into account the examination regulations and examination conventions for the examination in question.

3.21. The Panel shall supply a decision in writing, normally within five working days of the meeting.

3.22. The Proctors’ Office shall send a copy of the written decision to the student.

3.23. The written decision to the student is within the Proctor’s Office (office@admin.ox.ac.uk).

**Part 6**

**Referrals by the Academic Conduct Panel**

4.3. The two members shall consider the written appeal, the Panel’s decision and the documents which were available to the Panel. The two members shall not normally meet with the student (ie by the student attending the meeting, or by remote means, including teleconference or videoconference) although this may be appropriate in some circumstances, and is likely to be appropriate in relation to decisions made under regulation 3.17 above, where no Panel meeting has taken place.

### Contested Elections

The following elections will be contested.

### Council

One member of Congregation, not necessarily being a member of any division and not in any case being nominated in a divisional capacity, elected by Congregation

**Current/Retiring Member**

To hold office until

**Professor J Michie**, President of Kellogg

The following nominations have been received:

**Professor Sir Rory Collins**, MB BS Lond, MA MSc Oxf, Faculty of Clinical Medicine

**Nominated by:**

D A Liewesley, Principal of Green Templeton
Sir Gordon Duff, Principal of St Hilda's
J M Armitage, Faculty of Clinical Medicine
Sir John Bell, Christ Church, Faculty of Clinical Medicine
Professor Dame Valerie Beral, Green Templeton, Faculty of Clinical Medicine
A M Buchan, Corpus Christi, Faculty of Clinical Medicine
K M Channon, Exeter, Faculty of Clinical Medicine
R J Cornall, Corpus Christi, Faculty of Clinical Medicine
J J Kurinczuk, Faculty of Clinical Medicine
P B Sullivan, Magdalen, Faculty of Clinical Medicine

**Candidate statement:**

I'm Director of the Department for Continuing Education and President of Kellogg College; this experience means I bring a fresh perspective to the deliberations of council regarding the future direction of the University. I'm fully supportive of the University's Strategic Plan, which, beyond teaching and research embraces a commitment to civic engagement. As Professor of Innovation & Knowledge Exchange, I believe in the importance of interdisciplinarity and widening engagement activities which look outwards beyond academe.

The growth in the Department for Continuing Education over the past eight years means Oxford is leading developments in this area globally. I'm committed to strive for recognition of how such activities can increase the diversity of the student body and enrich the culture of the University - and the lives of participating students, plus through media and other channels, influence policy makers and politicians.

As head of house, I participate in Conference of Colleges. I'm a co-opted member of the Social Sciences Divisional Board and also serve on the following University Committees: Council, Education, Finance, Student Number Planning, Student Fees & Support, Impact & Knowledge Exchange, and the Natural History Museum Board. I'm Treasurer to the Oxford Society [the University's alumni association]. I was delighted to receive an OUSU 'Outstanding Supervisor' Award for 2015-16.

Beyond Oxford I serve on the Council of the Academy of Social Sciences (whose Audit Committee I chair); the Economic Advisory Board of Defra; and the United World Colleges (UWC) Council. I am Chair of Governors of UWC Atlantic College.

---

**Candidate statement:**

I was responsible for forming the Nuffield Department of Population Health (NDPH) in 2013 to bring together groups with complementary skills in population health science. Its aims are to deliver high quality research that has a major impact on global health, as well as to develop the next generation of researchers. Population health science in Oxford was not ranked highly in the 2008 RAE, whereas the new Department ranked top in 2014.

I consider training and career development to be a priority; for example, one of my first actions in NDPH was to fund doctoral Scholarships to attract the best students from around the world; and we've now established departmentally-funded Fellowships to recruit and retain the best scientists. I'm committed to ensuring that all staff have the opportunity to fulfil their potential, as illustrated by NDPH's gender-equality at all grades (including Professorial) and by coordinating efforts to address obstacles (e.g. the lack of adequate nursery provision).

As well as managing NDPH effectively (it has a budget surplus), I'm also Chief Executive of UK Biobank (funded by MRC and Wellcome Trust). In that role, I've been responsible for the successful delivery of this £175M biomedical resource involving 500,000 UK participants, which is available to researchers worldwide for health research that is in the public interest.

Representation on Council would provide me with opportunities to deliver my vision of using resources effectively and developing collaborations across the University, and of helping support career development and equality of opportunity for all staff.

**Jonathan Michie**, MSc Lond, MA DPhil Oxf, President of Kellogg, Continuing Education

**Nominated by:**

H R Woudhuysen, Rector of Lincoln, Faculty of English Language and Literature

VISITORS OF THE ASHMOLEAN MUSEUM

One member of Congregation elected by Congregation

Current/Retiring Member  To hold office until
Sir Mark Jones, St Cross  MT 2018

The following nominations have been received:

David W Griffiths, BA PhD Durh, MA status Oxf, Fellow of Kellogg, Sub-faculty of Archaeology

Nominated by:
T C Buchanan, Kellogg, Faculty of History
C W R Davies, Kellogg, Faculty of Social Studies
H F Hamerow, St Cross, Faculty of History, Sub-faculty of Archaeology
A B Hawkins, Faculty of History
M P Smith, Kellogg, Oxford University Museum of Natural History
A I Wilson, All Souls, Faculty of Classics, Sub-faculty of Archaeology

Candidate statement:
I am Reader and Director of Studies in Archaeology at the Department for Continuing Education (OUDCE), and also the department’s Director of Research. In the past I have worked as a professional archaeologist and held a previous lecturing position at UCL. I am a medievalist and have published widely in the field of Anglo-Saxon and Viking studies. Much of my research has centred upon museum collections. The role of the Ashmolean Museum in the University and beyond is of great interest to me. I believe as a Visitor I can contribute an important perspective informed by 16 years of teaching and supervising part-time and professional students at Oxford.

OUDCE (Public Programmes Division) has 14,487 student enrolments across a range of humanities and social science courses (including history, art and architectural history and archaeology). 14,766 of these are studying archaeology, which embraces heritage, professional, landscape, material culture, classical and ancient historical themes. The OUDCE Archaeology Programme makes regular use of the Ashmolean’s displays and collections, and museum staff teach and co-ordinate conferences and day-schools. In addition, I am PI of a major HLF-funded archaeological project based on volunteer participation in East Oxford. Over 600 members of the local community have participated and received training in research techniques. As well as excavations and surveys in East Oxford, the project has done pioneering work in connecting the city community to the Ashmolean’s collections through sustained and planned group workshops, undertaken with the co-operation of curatorial staff.

Minhyong Kim, MA Oxf, PhD Yale, Fellow of Merton, Faculty of Mathematics

Nominated by:
R A McCabe, Merton, Faculty of English Language and Literature
D J Paterson, Merton, Faculty of Physiological Sciences
J R W Prag, Merton, Faculty of Classics
S W Saunders, Merton, Faculty of Physics and of Philosophy
A Schekochihin, Merton, Rudolf Peiers Centre for Theoretical Physics

Candidate statement:
I should apologise first that I have no prior practical credentials for this kind of position to offer other than the rather distant work as a board member of the International Centre for Mathematical Sciences in Edinburgh. However, since arriving at Oxford 5 years ago, I’ve been a great enthusiast for the museum and its mission. I regularly attend its exhibits and lectures, and have a particular interest in the outreach component of university museums. I collaborated briefly in 2014 with former curator Senta German on an outreach project for students on geometry and art (sadly interrupted by Senta’s departure), and would like to create more such opportunities in the future. In a related vein, I have been maintaining a number of dialogues with artists interested in science and mathematics, and gave a plenary lecture at the 2014 Bridges conference on Mathematics, Music, Art, Architecture, Education, and Culture. It is hoped that the view of a devoted non-expert might be useful in the governance of the museum.

Professor Maggie Snowling, BSc Brist, MA Oxf, PhD Lond, President of St John’s, Faculty of Psychological Studies

Nominated by:
N G Shrimpton, Lady Margaret Hall, Faculty of English Language and Literature
R R R Smith, Lincoln, Faculty of Classics, Sub-faculty of Archaeology
A J Sturgis, Worcester, Ashmolean Museum of Art and Archaeology
C T Whistler, St John’s, Faculty of History

Candidate statement:
As a Head of House in Oxford I am passionate about academic excellence and committed to bringing the opportunities of Oxford to a more diverse community. I am also a strong advocate of the importance of education not only for academic success but also for the well-being of society. I believe the collegiate University has a responsibility to reach out to a wide public and to ensure that all of its activities, cultural and academic, are accessible to everyone regardless of background and educational experience. My own research is at the interface of psychology and education. For many years I have worked on the nature and cause of children’s problems with learning and in the past decade have been involved in conducting randomized trials to improve the reading and language of children with difficulties, including those who are socially and economically disadvantaged. If appointed as a Visitor to the Ashmolean I would be particularly interested in the museum’s education programme and how this might continue to inspire children from the early years upwards as well as making a contribution to the University’s outreach efforts by enriching curricula for secondary school students.
