---

**Faculty of Philosophy**

---

**John Locke Lectures**
**ATTENTION AND PERCEPTION**

**Ned Block, New York**, will deliver the John Locke Lectures at 5pm on the following days at the T S Eliot Theatre, Merton.

1 May: 'Attention, representationism and direct realism'

8 May: 'The grain of seeing vs attending and the *de re* thought condition on seeing an object'

15 May: 'Seeing-as: how can we find out whether seeing is representational, and if so, what representations are involved?'

22 May: 'Consciousness and cognition: the power of unconscious perception'

29 May: 'Conscious, preconscious, unconscious'

5 Jun: 'Does the physical basis of consciousness include anything outside the head?'

---

## Faculty of Theology and Religion

---

### Inaugural Lecture

**Graham Ward**, Regius Professor of Divinity, will deliver his inaugural lecture at 5pm on 14 May in the Examination Schools.

*Subject:* 'What makes a belief believable?'

### Astor Lecture

**Mark A Noll**, Notre Dame, will deliver the Astor Lecture at 5pm on 16 May in the Examination Schools.

*Subject:* 'Biblical criticism and the decline of America's "bible civilisation", 1865-1918'

### Bampton Lectures

#### IMAGINING LIFE: CHRIST AND THE HUMAN CONDITION

**Michael Banner**, Cambridge, will deliver his final Bampton Lectures at 5pm on Thursdays in the University Church.

25 Apr: 'Regarding suffering: on the discovery of the pain of Christ and the contemporary mediation of suffering'

2 May: 'Dying and "death before death": on Alzheimer's, euthanasia and on knowing how and when to die'

9 May: 'Contesting burial and mourning: on relics, Alder Hey and keeping the dead close'

16 May: 'Remembering Christ: on the practice and politics of memory'

23 May: 'Moral theology and social anthropology: on the prospects and problems of an everyday ethics'

## Ian Ramsey Centre for Science and Religion

### SEMINARS ON SCIENCE AND RELIGION

The following seminars will be given at 8.30pm on Thursdays, preceded by drinks at 8.15pm, in the Sutro Room, Trinity. Free and open to the public. Convener: Dr A Pinsent

**Dr Kelly Clark**, Grand Valley State, Michigan  
2 May: 'Is atheism "normal"? Reflections from the cognitive science of religion'

**Dr Doug Kindschi**, Grand Valley State, Michigan

16 May: 'Is there a place at the science-religion table for mathematics?'

**Dr Tamas David-Barrett**

30 May: tbc

### McDonald Centre for Theology, Ethics and Public Life

#### LECTURES

**Professor Robert Gascoigne**, Australian Catholic University, will deliver the following lectures at 5pm in Christ Church.  
23 Apr (Lecture Room 1): 'The meaning of Christian prophecy in a liberal secular culture'

14 May (South West Lodgings): 'Human poignancy and the foundations of a liberal society: a Christian perspective'

#### CONFERENCE

A conference will be held 16-17 May at Christ Church. Speakers include: **David Baggett**, Liberty; **Julian Baggini**, *The Philosophers' Magazine*; **Nigel Biggar**; **John Cottingham**, Reading; **John Hare**, Yale; **Terrence Irwin**; **Michael Hauskeller**, Exeter; **Tim Mulgan**, Auckland; **Keith Ward**; and **Mark Wynn**, Leeds. Fee, including lunch, £50 (£30 students). Register at: [www.mcdonaldcentre.org.uk](http://www.mcdonaldcentre.org.uk). Convener: Professor Nigel Biggar

*Subject:* 'Does morality need religion?'

## Mathematical, Physical and Life Sciences

---

### Department of Chemistry

---

#### Newton Abraham Lecture

**Professor Richard R Schrock** will deliver the Newton Abraham Lecture at 5pm on 13 May in the Museum of Natural History. Free entry.

*Subject:* 'My part in two catalytic reactions that changed the world'

#### Physical and Theoretical Chemistry Laboratory

##### PHYSICAL CHEMISTRY SEMINAR

**Dr Henry Snaith** will give a seminar at 2.15pm on 13 May in the PTCL Lecture Theatre. All welcome. Conveners: Dr W Barford, Professor J Foord

*Subject:* 'New materials and new concepts for high-efficiency low-cost solar power'

#### HINSELWOOD LECTURES: SIMULATING SOFT MATTER: NOT A NUMBERS GAME

**Professor Daan Frenkel**, Cambridge, will deliver the Hinshelwood Lectures at 11.15am on the following days in the Lecture Theatre, PTCL.

23 Apr: 'Order from disorder'

25 Apr: 'The birth of a crystal'

1 May: 'Packing and over-packing'

2 May: 'Experiments as simulations'

7 May: 'Simulations: the dark side'

9 May: 'Multivalency: why one plus one is not two'

#### THEORETICAL CHEMISTRY GROUP SEMINARS

The following seminars will be given at 4.45pm on Mondays in the John Rowlinson Seminar Room, PTCL. All welcome. Convener: Dr M Wilson

**Dr Paddy Royall**, Bristol

20 May: 'The role of structure in the glass transition'

**Professor Robert Deeth**, Warwick

3 Jun: 'Molecular modelling for transition metal centres: DFT accuracy at molecular mechanics costs'

---

**SOFT MATTER, BIOMATERIALS AND INTERFACES SEMINARS**

The following seminars will be given on Tuesdays at 4pm in the John Rowlinson Seminar Room (PTCL). All welcome.

Conveners: Dr R P A Dullens, Professor J Yeomans

**Professor Stefan Egelhaaf**, Düsseldorf  
*14 May*: 'Colloidal suspensions in external fields'

**Dr Pietro Tierno**, Barcelona  
*11 Jun*: 'Depinning and collective dynamics of magnetically driven colloidal monolayers'

**Organic Chemistry Departmental Research Seminar**

The following seminars will be given at 4pm on Thursdays in the Dyson Perrins Lecture Theatre. Convener: Dr R Paton

**Professor Itaru Himachi**, Kyoto  
*18 Apr*: 'Natural protein organic chemistry in live cells'

*2013 Robert Robinson Lectures*

**Professor Eric Jacobsen**, Harvard  
*30 Apr*: 'The hydrolytic kinetic resolution reaction'

*1 May*: 'Anion-binding catalysis'

**Professor Peter Kündig**, Geneva  
*9 May*: 'Asymmetric Pd-NHC\* catalysed coupling reactions'

**Professor Franziska Schoenebeck**, Aachen  
*16 May*: 'New insights and developments in palladium catalysis – a combination of theory and experiment'

**Professor Hidenori Watanabe**, Tokyo  
*23 May*: 'Simple syntheses of simple natural products'

---

**Department of Computer Science**
**Strachey Lecture in Computer Science**

**Professor Andrew C Yao**, Tsinghua, will deliver the Strachey Lecture at 4.30pm on 7 May in Lecture Theatre B, e-Science Building, 7 Keble Road.

*Subject*: 'Theoretical computer science: on the cusp of interdisciplinarity'

---

**Department of Earth Sciences**
**Seminars**

The following seminars will be given at 2pm on Fridays in the Lecture Theatre, Earth Sciences.

**Dr Jakob Vinther**, Bristol  
*26 Apr*: 'Fossil colour patterns and the evolution of birds and dinosaurs'

**Professor Patrick O'Brien**, Potsdam  
*3 May*: 'Granulites, underplating and growth of the continental crust: a paradigm shift in the era of ultrahigh-pressure metamorphism'

**Dr Patricia Sanchez-Baracaldo**, Bristol  
*10 May*: 'The Earth's redox history and cyanobacteria evolution: a phylogenomic approach'

**Professor Marc Hirschmann**, Minnesota  
*17 May*: tbc

**Professor Jason Morgan**, Royal Holloway  
*24 May*: 'Bend-faulting, serpentinitisation and mantle recarbonisation at oceanic trenches'

**Dr Heather Stoll**, Oviedo  
*31 May*: tbc

**Dr Jerome Neufeld**, Cambridge  
*7 Jun*: 'Under the geological rug: the fluid dynamics of CO<sub>2</sub> sequestration'

**David Al-Attar**, Cambridge  
*14 Jun*: 'Why don't tomographic models have error bars?'

---

**Department of Engineering Science**
**Solid Mechanics and Materials Engineering Group seminar series**

The following seminars will be given at 2pm on Mondays in LR8, IEB Building, Department of Engineering Science.

**Professor Marc Geers**, TU Eindhoven  
*22 Apr*: 'Miniaturisation of metallic systems: size effects and continuum modelling approaches'

**Professor Mark Spearing**, Southampton  
*29 Apr*: 'High-resolution tomography studies of composites: the data-rich mechanics opportunity'

**Harish Bhaskaran**  
*13 May*: 'Nanomechanical device concepts using "interesting" materials'

**Professor Pedro Ponte Castanada**, Pennsylvania

*20 May*: 'Flopping instabilities in reinforced elastomers with nematic order: pre- and post-bifurcation macroscopic response'

**Professor Roger Reed**  
*3 Jun*: 'Nickel-based superalloys – modelling, validation and future prospects'

**Dr Mark Thompson**  
*10 Jun*: 'Tendon mechanobiology'

---

**Department of Materials**
**Weekly colloquia**

The following colloquia will be given at 4pm on Thursdays in the Hume Rothery Lecture Theatre preceded by tea at 3.30pm.

**Professor David Wright**, Exeter  
*25 Apr*: tbc

**Dr Sasha Tartakovskii**, Sheffield  
*2 May*: tbc

**Professor Bill Lee**, London  
*9 May*: 'Ultra high-temperature non-oxide ceramics'

**Dr Michael Despont**, Zurich  
*16 May*: tbc

---

**Mathematical Institute**
**Computational Mathematics and Applications seminars**

The following seminars will be given at 2pm on Thursdays in seminar room RI.0.48, Gibson Building, Mathematical Institute, unless otherwise noted. More information: [www.maths.ox.ac.uk/groups/numerical-analysis/seminars](http://www.maths.ox.ac.uk/groups/numerical-analysis/seminars). Conveners: Professor Nick Trefethen; Dr Tyrone Rees, Rutherford Appleton Laboratory

**Professor Nick Trefethen**  
*18 Apr*: 'The exponentially convergent trapezoid rule'

**Dr Tobias Berka**, Cambridge  
*25 Apr*, Rutherford Appleton Laboratory: 'Scalable data analytics'

**Dr Kai Hormann**, Lugano  
*2 May*: 'Barycentric interpolation'

**Dr Jennifer Ryan**, East Anglia  
*9 May*: 'Superconvergence for discontinuous Galerkin solutions: making it useful'

**Dr David Salac**, Buffalo  
*16 May*: 'Numerical modelling of vesicles: inertial flow and electric fields'

**Professor Gitta Kutyniok**, TU Berlin

*23 May*: 'Compressive imaging: stable sampling strategies using shearlets'

**Professor Eric Polizzi**, Massachusetts

*30 May*, *Rutherford Appleton Laboratory*: 'The FEAST eigenvalue algorithm and solver with new perspectives for first-principle electronic structure calculations'

**Professor Clint Dawson**, Texas

*6 Jun*: 'Discontinuous Galerkin methods for modelling the coastal ocean'

**Dr Dirk Nuyens**, KU Leuven

*13 Jun*: 'Lattice rules in a nutshell'

### Mathematical Biology and Ecology seminars

The following seminars will take place at 2pm on Fridays in Lecture Room 1, Mathematical Institute. Convener: Sara Jolliffe (cmb@maths.ox.ac.uk)

**Dr H van den Berg**, Warwick

*26 Apr*: 'Control of uterine excitability'

**Dr R Allena**, Paris

*10 May*: 'Mechanical models to explore biological phenomena'

**Dr B Asquith**, London

*24 May*: 'The efficiency of the CD8+ T cell immune response to persistent viruses'

**Professor S Samarasinghe**, Lincoln

*7 Jun*: 'Recurrent neural networks in modelling biological networks: oscillatory p53 interaction dynamics'

### Mathematical Institute Colloquia

The following colloquia will be given at 4.30pm in Lecture Theatre 2, Mathematical Institute, St Giles'.

**George Papanicolaou**, Stanford

*29 Apr*: 'Systemic risk'

**Professor Laurent Lafforgue**, IHES, France

*7 Jun*: 'Langlands functoriality and non-linear Poisson formulas'

---

### Department of Physics

---

#### Inaugural Lecture

**Professor Steven Balbus**, Savilian

Professor of Astronomy, will deliver his inaugural lecture at 5pm on 25 April in the Examination Schools. Admission free.

*Subject*: 'Turning in the widening gyre: accretion processes in the universe'

#### Hintze Lecture

**Professor Julianne Dalcanton**, Washington, will deliver the Hintze Lecture at 5pm on 21 May in the Martin Wood Lecture Theatre, Clarendon Laboratory. Admission free. Convener: Professor Roger Davies

*Subject*: 'Dissecting galaxies using Hubble Space Telescope'

#### Halley Lecture

**Professor Dr Ewine F van Dishoek**, Leiden and Max Planck Institute for Extraterrestrial Physics, will deliver the Halley Lecture at 5pm on 29 May in the Martin Wood Lecture Theatre, Clarendon Laboratory. Admission free. Convener: Professor Roger Davies

*Subject*: 'Building stars, planets and the ingredients for life between the stars'

#### Cherwell-Simon Lecture

**Professor Robert B Laughlin**, Stanford, will deliver the Cherwell-Simon Lecture on 3 May at 4.30pm in the Martin Wood Lecture Theatre, Clarendon Laboratory. Tea from 4pm; drinks reception will follow. Further information: [www2.physics.ox.ac.uk/events](http://www2.physics.ox.ac.uk/events).

*Subject*: 'Emergent law'

#### Particles and Fields seminars

The following seminars will be given at 4.15pm on Thursdays in the Dennis Sciama Lecture Theatre, Department of Physics. Conveners: Dr David Marsh, Professor Subir Sarkar

**Dr Emanuele Re**

*25 Apr*: 'Higgs triplet phenomenology at the LHC'

**Dr Andreas Weiler**, DESY Hamburg

*2 May*: 'New physics in ucscd quarks: supersymmetry and composite Higgs'

**Dr Antonio Pineda**, Autònoma de Barcelona

*9 May*: 'The asymptotic behaviour of the perturbative expansion in  $\alpha_s$  in heavy quark physics'

**Dr Mark Goodsell**, Ecole Polytechnique, Paris

*16 May*: 'Dirac Gauginos and the 125 GeV Higgs'

**Dr Mario Martone**, Cornell

*23 May*: 'Recently discovered new source of CP violation in charm physics and its implication for the unitarity triangle'

**Dr Daniel Baumann**, Cambridge

*30 May*: 'Probing high-scale physics with the Planck satellite'

**Professor Fidel Schaposnik**, Nacional de La Plata

*6 Jun*: 'Dualities and bosonisation of massless fermions in 2+1 dimensions'

**Dr Yang Zhang**, Niels Bohr Institute, Copenhagen

*13 Jun*: 'Integrand reduction of high-loop scattering amplitudes via computational algebraic geometry'

#### Oxford Physics Colloquia

The following lectures will be given at 4.15pm on Fridays in the Martin Wood Lecture Theatre, Clarendon Laboratory, unless otherwise noted. Tea served in the Common Room at 3.45pm. Conveners: J March-Russell, S Balbus, A Boothroyd, T Palmer

*10 May*: tbc

**Professor Robert K Tyson**, North Carolina

*17 May*: 'Seeing 20/20 by 2020: stretching the adaptive optics envelope'

**Professor Peter Norreys**, Plasma Physics Group, Central Laser Facility, RAL

*24 May*: 'The physics of inertial fusion: current challenges and future opportunities'

**Professor Dr Oliver Heid**, Corporate Technology, Siemens AG

*7 Jun*: 'Reinventing MRI - innovation in a process-driven environment'

---

### Department of Plant Sciences

---

#### Annals of Botany Special Seminar

**Dr Xiaoqi Feng**, California, will deliver an Annals of Botany Special Seminar at 4pm on 1 May in the Department of Plant Sciences.

*Subject*: 'Transposon demethylation in *Arabidopsis* gametophytic companion cells guards genome integrity of the gametes'

#### Departmental research seminars

The following seminars will be given at 1pm on Thursdays in the Large Lecture Theatre, Department of Plant Sciences. Convener: Professor N Harberd

**Dr Ron Milo**, Weizmann Institute of Science  
*25 Apr*: 'Rethinking carbon fixation'

**Professor Francis Barr**

*2 May*: 'The hidden depths of Rab GTPase regulation during membrane traffic'

**Professor Charles Godfray**

*9 May*: 'Driving genes through mosquito populations to curb human disease'

**Professor Jim Prosser**, Aberdeen

*16 May:* 'Nitrification in acid soils: solving the paradox, possibly'

*Blackman Lecture 2013*

**Professor Scott Poethig**, Pennsylvania

*23 May:* 'The mechanism and evolution of vegetative phase change in flowering plants'

**Professor Ian Dobson**, BP Biofuels

*30 May:* 'The path to commercial lignocellulosic biofuels'

**Dr Marc Macias-Fauria**

*6 Jun:* 'Biotic-abiotic coupling in arctic and alpine environments'

**Mr Phil Bloomer**, Oxfam GB

*20 Jun:* 'Food security in the 21st century'

---

## Department of Zoology

---

### Edward Grey Institute Seminar

**Dr Rebecca Dean**, UCL, will deliver an Edward Grey Institute Seminar at 4pm on 26 April in Room D38, Zoology Building.

*Subject:* 'The X factor: the genomic distribution of sexual dimorphism'

### Lectures

The following lectures will be given at 4pm in Lecture Theatre B, Department of Zoology.

**Professor Yves van de Peer**, Gent

*22 Apr:* 'The evolutionary significance of ancient genome duplications'

**Professor Michael Brockhurst**, York

*29 Apr:* 'Exploring the evolutionary ecology of pathogenic bacteria'

*Tinbergen Lecture*

**Professor Rosie Woodroffe**, Institute of Zoology

*tbc:* 'Evidence-based approaches to managing and conserving wildlife'

*Jenkinson Lecture*

**Professor Nipam Patel**, Berkeley

*13 May:* 'The evolution of arthropod diversity: insights from the development of emerging model systems'

---

## Medical Sciences

---

### Sir Richard Doll Seminars in Public Health and Epidemiology

---

The following seminars will be given at 1pm on Tuesdays in the Lecture Theatre, Richard Doll Building, Old Road Campus. All welcome. Conveners: Dr D Canoy, Dr F Bragg

**Professor Sir Peter Morris**, Royal College of Surgeons

*23 Apr:* 'Transplantation: a medical miracle in the 20th century'

**Mr Matt Bown**, Leicester

*30 Apr:* 'Abdominal aortic aneurysms: medicine for a surgical disease?'

**Professor Rosalind Eeles**, Institute of Cancer Research

*7 May:* 'Genetic predisposition to prostate cancer and its clinical implications'

**Professor Peter Whincup**, London

*14 May:* 'Studying the origins of UK ethnic differences in chronic disease risk'

**Professor Hugh Tunstall-Pedoe**, Dundee

*21 May:* 'Vitamin D deficiency and mass disease: prime mover or fellow traveller?'

*28 May:* tbc

**Dr Kazem Rahimi**

*4 Jun:* 'Service delivery innovation for heart failure management'

**Dr Christina Davies**

*11 Jun:* tbc

**Dr Raghil Ali**

*18 Jun:* 'Cancer incidence by ethnic group in England'

**Professor Andrew Levey**, Tufts

*2 Jul:* 'Prognosis in chronic kidney disease: an update from the CKD-Prognosis Consortium'

---

## Department of Biochemistry

---

### Rodney Porter Memorial Lecture

**Professor Gabriel Waksman**, UCL, will deliver the fifteenth Rodney Porter Memorial Lecture at 4pm on 8 May in the Seminar Room, New Biochemistry Building.

*Subject:* 'Transport through bacterial membranes: structural and molecular biology of secretion systems'

---

## Ludwig Institute for Cancer Research

---

### Seminar Series

The following seminars will be given at 11am on Wednesdays in the ORCRB Seminar room. See: [www.ludwig.ox.ac.uk](http://www.ludwig.ox.ac.uk).

**Professor Shankar Balasubramanian**, Cambridge

*24 Apr:* 'G-quadruplexes: the DNA quadruple helix'

**Professor Matthew Freeman**

*1 May:* 'The cell biology of signalling regulated by rhomboid-like proteins'

**Dr Joseph Dougherty**, Washington

*8 May:* 'Glia and glioma: profiling specific cell types'

**Professor Seamus Martin**, Dublin

*15 May:* 'Cell death signals as drivers of inflammation and cancer'

**Dr Ji-Long Liu**

*22 May:* 'Cytoophidia, CTP synthase and cancer'

**Professor Anne Wills**, Leicester

*12 Jun:* 'Post-transcriptional regulation of gene expression during cell stress and cancer development'

**Professor Kevin Ryan**, CR-UK Beatson Institute for Cancer Research

*11 Sept:* tbc

### Distinguished Speaker Seminar

**Professor Ira Mellman**, Genentech, will deliver a Ludwig Institute Distinguished Speaker Seminar at 11am on 19 April in the Wellcome Trust Centre for Human Genetics.

*Subject:* 'Next-generation approaches to cancer cell biology and drug discovery'

### Conference

A Nature/Ludwig Institute for Cancer Research conference will take place 25-27 September at St Catherine's. Details and registration: [www.nature.com/natureconferences](http://www.nature.com/natureconferences).

*Subject:* 'Nuclear reprogramming and the cancer genome'

---

## Nuffield Department of Clinical Neurosciences

---

### Grand Rounds

The following seminars will be given after the Grand Rounds at 11.30am on Fridays in the Lecture Theatre 1, Academic Centre, John Radcliffe Hospital.

**Professor Dmitri Kullmann**, Institute of Neurology, London

*26 Apr:* 'Optogenetics'

**Dr Martijn van den Heuvel**, Utrecht  
*10 May*: 'Imaging brain connectivity'

**Professor Bob Will**, Edinburgh  
*17 May*: 'CJD update: tests in sporadic, questions in variant'

**Dr Patricia Limousin**, National Hospital for Neurology, London  
*14 Jun*: 'Deep brain stimulation for movement disorders'

**Dr Alexandra Sinclair**, Birmingham  
*19 Jul*: 'Idiopathic intracranial hypertension'

---

### **Oxford Centre for Diabetes, Endocrinology and Metabolism**

---

#### **Seminars**

The following seminars will be given at 1pm on Wednesdays in the Robert Turner Lecture Theatre, OCDEM Building, Churchill Hospital. Convener: Professor Stephen Gough

*24 Apr*: tbc

**Professor Veronica Van Heyningen**, Edinburgh  
*1 May*: 'From developmental disease to gene regulation and phenotype modulation'

**Professor Mike Trenell**, Newcastle  
*8 May*: 'Standing up for type 2 diabetes; do active lifestyles work as part of the management of diabetes?'

**Professor Custodia Garcia-Jimenez**, Rey Juan Carlos, Madrid  
*15 May*: 'Metabolic and hormonal regulation of cancer-associated signalling'  
*22 May*: tbc

**Professor Franz M Matschinsky**, Pennsylvania  
*5 Jun*: 'Glucokinase: model protein, glucose sensor, diabetes gene and drug receptor'

**Professor Decio L Eizirik**, Brussels  
*12 Jun*: 'Candidate genes for type 1 diabetes modulate islet inflammation and beta cell apoptosis'

**Dr Shamima Rahman**, UCL Institute of Child Health  
*19 Jun*: tbc

---

### **Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences**

---

#### **Botnar Research Centre seminars**

The following seminars will be given at 12.30pm on Tuesdays, unless otherwise noted, in the G54/38 Seminar room, Botnar Research Centre. Convener: Dr James R Edwards

**Dr Liam Grover**, Birmingham  
*23 Apr*: 'From repair to regeneration: an evolution in approach to musculoskeletal injury'

**Mr Dominic Furniss**  
*30 Apr*: 'The molecular genetics of Dupuytren's disease'

**Dr Chris Murphy**  
*Thurs, 16 May*: 'Hypoxia - a force for good in cartilage'

**Dr Jonathan Sherlock**, Birmingham  
*Fri, 24 May*: 'The role of interleukin-23 in spondyloarthropathy'

**Professor Joel Taurog**, Dallas  
*Thurs, 30 May*: 'HLA-B27, transgenic rats and the pathogenesis of spondyloarthritis'

**Dr Ivan Wall**, London  
*4 Jun*: 'Enhancing mesenchymal cell retention capacity to improve potency for cell therapy'

**Professor Paul Ackermann**, Stockholm  
*11 Jun*: 'Neuronal regulation of pain and musculoskeletal tissue repair'

**Dr Clive Metcalfe**  
*18 Jun*: 'Controlling immune cell activation through disulfide bond switching at the cell surface'

**Mrs Shahista Hussain and Mrs Carol Cornelius**  
*25 Jun*: 'Ethics applications at Oxford - how to successfully prepare, submit and manage'

**Dr Chad McKee**  
*2 Jul*: 'Hedgehog signalling as a prostate cancer therapeutic target'

---

### **Department of Pharmacology**

---

#### **Pharmacology, Anatomical Neuropharmacology and Drug Discovery Seminars**

The following seminars will be held at noon on Tuesdays in the Lecture Theatre, Department of Pharmacology.

**Dr Ming Lei**, Manchester. Host: Professor Derek Terrar  
*23 Apr*: 'Intracellular signalling molecules as new therapeutic targets for the treatment of cardiac arrhythmias'

**Dr Tony Futerman**, Weizmann Institute of Science. Host: Professor Fran Platt  
*30 Apr*: 'Roles of ceramide and glucosylceramide in human disease'

**Dr Tara Keck**, KCL. Host: Professor Nigel Emptage  
*7 May*: 'Homeostatic plasticity in the intact mouse visual cortex'

**Professor Peer Wulff**, Aberdeen. Host: Dr Karri Lamsa  
*14 May*: 'Testing the behavioural relevance of GABAergic interneurons in cortical circuit'

*8th David Smith Lecture*  
**Professor Tomas Hökfelt**, Karolinska Institutet. Host: Professor Paul Bolam  
*21 May*: 'Neuropeptide signaling in health and disease'

**Dr Paolo Tammaro**. Host: Professor Antony Galione  
*28 May*: tbc

**Professor Michael Spedding**, Institut de Recherches Servier. Host: Professor Peter Somogyi  
*4 Jun*: 'Evolution and revolution in psychiatric disorders'

**Dr Sergey Smirnov**, Bath. Host: Dr Kim Dora  
*11 Jun*: tbc

## Department of Physiology, Anatomy and Genetics

### Head of Department seminar series

The following seminars will be given at 1pm and 1.30pm in the Large Lecture Theatre, Sherrington Building. Convener: Dr Deborah Goberdhan

26 Apr:

**Dr Ji-Long Liu:** 'The cytophidium: a snake in the cell'

**Dr Manuela Zaccolo:** 'Local control of cyclic nucleotide signalling in the heart'

3 May:

**Professor Zoltán Molnár:** 'The earliest cortical circuits' (*Jenkinson Seminar*)

**Dr Simon Butt:** tbc

10 May:

**Dr Deborah Goberdhan:** 'Amino acid sensing, endolysosomes and cancer - from flies to patients'

**Dr Jan Schnupp:** 'Debunking myths about the representation of musical pitch in the brain'

17 May:

**Dr Francis Szele:** 'Molecular mechanisms regulating stem cells and migration in an adult neurogenic niche' (*Jenkinson Seminar*)

**Dr Mary Slings:** 'The physiological responses to hypoxia - lessons from genetic disorders of oxygen sensing'

24 May:

**Professor Dame Kay Davies:** 'Utrophin modulation for therapy of Duchenne muscular dystrophy'

**Dr Damian Tyler:** 'Using hyperpolarised magnetic resonance to study cardiac metabolism'

7 Jun:

**Dr Richard Wade-Martins:** tbc

**Professor Andrew King:** 'Learning to localise sound: implications for recovery from hearing loss'

14 Jun:

**Dr Shankar Srinivas:** 'Investigating cell movements that shape the mammalian embryo' (*Jenkinson Seminar*)

**Dr Helen Christian:** 'Glucocorticoid signalling: lessons from the pituitary'

## Social Sciences

### School of Anthropology and Museum Ethnography

#### Departmental seminar series

The following seminars will be given at 3.30pm on Fridays in the Lecture Theatre, Pitt Rivers Museum, Robinson Close.

Convener: Dr R Sarró

**Julien Bonhomme,** École Normale Supérieure, Paris

3 May: 'Gift, sacrifice and deadly rumours: the moral economy of alms in Senegal'

**Gisa Weszkalnys,** LSE

10 May: 'Geology, potentiality, speculation: on the indeterminacy of natural resources'

**Michael Houseman,** Ecole Pratique des Hautes Etudes, Paris

17 May: 'Conceptualising new age and neopagan ritual'

**Joao de Pina-Cabral,** Kent

24 May: 'Brazilian serialities: imagining persons'

#### Marett Memorial Lecture

**Professor Marilyn Strathern** will deliver the Marett Memorial Lecture at 5pm on 26 April in the Saskatchewan Room, Exeter. Convened by Exeter in association with the School of Anthropology and Museum Ethnography

*Subject:* 'Reading relations backwards'

#### ARGO-EMR: Anthropology Research Group at Oxford on Eastern Medicines and Religions

The following seminars will be given at 5pm on Wednesdays in the Pauling Centre, 58a Banbury Road. Conveners: Professor E Hsu, Dr S Hausner

**Professor Zhang Shiya,** Southeastern

24 Apr: 'The silk culture of the Yao, and the making of religion, identity and health'

**Florence Gurung**

8 May: 'Going here, going there: how Gurungs in the UK navigate this-worldly concerns'

**Dr Trina Ward,** Warminster

22 May: 'Epistemological diversity of Chinese medicine: a Q methodology study'

### Anthropology in dance or dance in anthropology?

Rosie Kay will lead the following participatory practical sessions at 2pm on Wednesdays in the Lecture Theatre, 64 Banbury Road. Conveners: Dr K Eli, R Kay

24 Apr: 'Trust - the listening body'

1 May: 'Space - bodies and the environment'

8 May: 'Other bodies - relationships and collaboration'

15 May: 'Emotions - internal feeling/ external dance'

### Pitt Rivers Museum Research Seminar in Visual, Material and Museum Anthropology

The following seminars will be given at 1pm on Fridays in the Lecture Theatre, Pitt Rivers Museum. Convener: Dr C Morton

**Deborah Klimburg-Salter,** Vienna

26 Apr: 'Bön: spirits made of butter, art and ritual of old Tibet. Presenting religious art and ritual in a museum context'

**Stuart Franklin,** photographer, Magnum Photos

3 May: 'Narcissus: subject and landscape in western Norway'

**Sadiya Qureshi,** Birmingham

10 May: '"Just arrived... the only specimens of this race ever beheld...": empire, anthropology and collecting peoples in nineteenth-century Britain'

**Neil Carrier**

17 May: 'Ghosts from a biscuit tin: the Paul Baxter photograph collection and northern Kenya'

**Kevin Dawe,** Leeds

24 May: 'Musical instrument-making and sustainability studies: research at the material culture/ecological anthropology interface'

**Mike Pitts,** Editor, *British Archaeology*

31 May: 'Imagining the Museum of Britain: how Victorians discovered the past and then tried to save it'

### Future of Cities Distinguished Lecture

**Professor Paul Jenkins,** Edinburgh, will deliver a Future of Cities Distinguished Lecture at 2pm on 3 June in the Lecture Theatre, 64 Banbury Road. All welcome but please register at: <http://foc2013-jenkins.eventbrite.co.uk/>. Convened by the Institute for Science, Innovation and Society (InSIS)

*Subject:* 'Understanding urbanisation, urbanism and urbanity in African cities: home spaces and house cultures in Maputo, Mozambique'

**Study day**

Oxford Migration Studies Society will hold a study day beginning at 8.45am on 4 May at the Manor Road Building. Keynote speakers: **Robin Cohen** and **Habib Rahman**, Chief Executive of the Joint Council for the Welfare of Immigrants. Register at: <http://cheukk.wix.com/oxfordmigration#!conference/cliwz>.

*Subject:* 'Migration: theory and practice'

**Unit for Biocultural Variation and Obesity (UBVO) seminar series**

The following seminars will be given at 1pm on Wednesdays at 61 Banbury Road (weeks 1 and 5) and in the St Cross Room, St Cross College (week 4). Conveners: Dr K Eli, Professor S Ulijaszek

**Giovanni Neri**, Papa Giovanni XXIII Hospital, Bergamo

*25 Apr:* 'Status food and state food: notes on obesity in Cuba'

**Several speakers**

*16 May:* 'Towards food transparency' (convened with the Oxford Food Governance Group)

**Grace O'Malley**, Cork

*23 May:* 'An attempt to act: practical implementation of best-practice guidelines, policy and innovation in the world of child obesity'

**Saïd Business School****Clarendon Lectures in Finance 2013: The adaptive markets hypothesis**

**Andrew Lo**, MIT Sloan School of Management and MIT Laboratory for Financial Engineering, will deliver the Clarendon Lectures in Finance at 5.30pm at the Saïd Business School. Open to the public; admission free. More information: Michael Burt ([economics.uk@oup.com](mailto:economics.uk@oup.com)).

*12 Jun:* 'Evolutionary foundations of behaviour and rationality'

*13 Jun:* 'Hedge funds: the Galapagos Islands of finance'

*14 Jun:* 'Adaptive markets in theory and practice?'

**Clarendon Lectures in Management Studies 2013: Disruptive innovation and growth**

**Professor Clayton Christensen**, Harvard Business School, will deliver the Clarendon Lectures in Management Studies at 5.30pm at the Saïd Business School. Open to the public; admission free. More information: Michael Burt ([business.uk@oup.com](mailto:business.uk@oup.com)) or Tiffany Franklin ([eventsmanager@sbs.ox.ac.uk](mailto:eventsmanager@sbs.ox.ac.uk)).

*30 Apr:* 'On the road to heaven: self-selection, religion and socioeconomic outcomes'

**Dr Kim Oosterlink**, Libre de Bruxelles

*7 May:* 'Waterloo: a godsend for French public finances?'

**Dr Martine Mariotti**, ANU

*14 May:* 'Father's employment and sons' stature: the long-run effects of a positive regional employment shock in South Africa's mining industry'

**Dr Peter Solar**, Vesalius

*21 May:* 'The belated triumph of cotton in the west'

**Professor Price Fishback**, Arizona

*28 May:* 'Investment in new agricultural technologies in cotton agriculture during the Great Depression'

**Dr Steven Nafziger**, Williams College

*4 Jun:* 'Serfdom, emancipation and economic development in tsarist Russia'

**Department of Education****Public Seminar Programme**

The following seminars will be given at 5pm on Mondays in Seminar Room A, Department of Education, 15 Norham Gardens.

**Professor John Clarke**, Open. Convener: Professor Jenny Ozga

*22 Apr:* 'Inspecting schools: governing education in austere times'

**Professor Anne Castles**, Macquarie.

Convener: Dr Victoria Murphy  
*29 Apr:* 'How do children become skilled word readers and what can go wrong?'

**Dr Sotiria Grek**, Edinburgh. Convener:

Professor Jenny Ozga  
*13 May:* 'The OECD as a site of co-production: European education governance and the new politics of "policy mobilisation"'

**Professor Gary Thomas**, Birmingham.

Convener: Dr Alis Oancea  
*20 May:* 'Changing our landscape of inquiry for a new science of education'

**Professor Harriet Ward**, Loughborough.

Convener: Professor Judy Sebba

*3 Jun:* 'Safeguarding children in the early years: research messages for professionals in education'

**Professor Steve Strand**. Convener:

Professor Ernesto Macaro

*10 Jun:* 'Disproportionate identification of black students with special educational needs (SEN): recent national evidence'

**Professor Kern Alexander**, Illinois.

Convener: Professor John Furlong

*17 Jun:* 'State and federal restructuring of American education, 2013'

### **Religion, Philosophy and Education Forum/Philosophy of Education Society of Great Britain seminars**

The following seminars will be given at 5pm in Seminar Room D, 15 Norham Gardens. All welcome. Conveners: The Revd Dr John Gay; Dr Liam Gearon; Dr Alis Oancea; Dr Lorraine Foreman-Peck; David Aldridge, Oxford Brookes; Dr Janet Orchard, Bristol
