*Note: non-resident students.* In addition there are 465 non-resident undergraduates: of these 309 are linguists, most of whom are spending a year abroad. There are 655 non-resident postgraduates.

In past years matriculated students not following any specific Oxford course have been classified as either undergraduate (No Oxford Qualification) or postgraduate (No Degree or Diploma). It is thought that this approximate distinction is no longer appropriate and all such students are now classified as undergraduates in these tables.

## Student Numbers 1991

Table IIc HOME AND EC STUDENT PLANNING NUMBERS

Previously this table has summarized only full-time student numbers on the same basis as UFC planning numbers. 'Planning numbers', however, have now been superseded by 'funded numbers', of which only those for 1991-2 have been agreed under current UFC planning arrangements. These numbers are given in the final column and now include an allowance for part-time students. The numbers are all expressed in 'FTE' units (Full-Time Equivalent).

Each resident undergraduate counts as 1.0 FTE, with the single exception of (non-matriculated) Registered Visiting Students who are excluded from this exercise: each undergraduate student abroad on a compulsory period of language study counts as 0.5 FTE (since 1989-90).

Postgraduate students are classified thus:

As 1.0 FTE (but excluding in each case those in receipt of the fee concession for university staff):

- (a) resident students following the full-time option of a taught postgraduate course;
- (b) research students in the first three years of study, whether resident or not;
- (c) resident research students in their fourth year of study.

As 0.5 FTE:

- (d) students following the part-time option of a taught course;
- (e) non-resident research students in their fourth year of study;
- (f) resident research students, in their fifth or subsequent year of study;
- (g) students who are members of staff paying reduced fees.

Excluded from this exercise (0.0 FTE):

- (h) students whose status is suspended;
- (i) students whose thesis is under examination;
- (j) students who remain registered for a taught course but not resident;
- (k) non-resident research students in their fifth or later year of study.
