Note: non-resident students. In addition there are 501 non-resident undergraduates: of these 288 are linguists, most of whom are spending a year abroad. There are 533 non-resident postgraduates working for their degrees and 516 postgraduates suspended or whose theses are being examined (of these 301 are in Arts, 215 in Science).

In past years matriculated students not following any specific Oxford course have been classified as either undergraduate (No Oxford Qualification) or postgraduate (No Degree or Diploma). It is thought that this approximate distinction is no longer appropriate and all such students are now classified as undergraduates in these tables.

* 46 in Arts and Social Studies, 29 in Science. 37 are Erasmus students.

† 110 in Arts and Social Studies, 32 in Science.

‡ 304 in Physiological Sciences, 1 in PPP.
