*Note: non-resident students.* In addition there are 458 non-resident undergraduates: of these 313 are linguists, most of whom are spending a year abroad. There are 602 non-resident postgraduates working for their degrees and 532 postgraduates suspended or whose theses are being examined (of these 309 are in Arts, 223 in Science).

In past years matriculated students not following any specific Oxford course have been classified as either undergraduate (No Oxford Qualification) or postgraduate (No Degree or Diploma). It is thought that this approximate distinction is no longer appropriate and all such students are now classified as undergraduates in these tables.

Candidates for the Bachelor of Theology (except those at Westminster College) are included from 1995-6. They were excluded from mainstream student numbers prior to that date.

\* 52 in Arts and Social Studies, 24 in Science. 42 are Erasmus students.

† 235 in Arts and Social Studies, 30 in Science.

‡ 301 in Physiological Sciences, 1 in PPP.
