

Gazette

Index to Vol 155 (2024-5)

Notes

1 This index makes reference to all content published in the *Gazette* except lectures, musical events, exhibitions and job vacancies.

2 The index in this volume is arranged under the headings used in the *Gazette* itself: Council & its Committees, Congregation/Convocation, Register of Congregation, Degrees by Resolution, Elections, General Notices, Consultative Notices, Personnel-related Notices, Student-related Notices, College-related Notices and Examinations & Boards.

3 The index does not list individuals by name (except honorary degree recipients, senior/statutory appointments and those for whom memorial events were held).

4 The online version of this index is both searchable and

linked from each entry to the online notice to which it refers. Page numbers are given for reference to the printed edition. Problems with pagination arose during the 5 Dec issue, and pp205-208 were omitted. During supplement (1) to No 5448 pp345-348 were omitted. This has not affected any of the links in the index.

5 Supplements:

- index entries referring to supplements are marked (*Supplement*)
- a full list of supplements for the academic year is given at the end of the index.

* student-related content marked with an asterisk can only be read online by current University staff or students, because it is covered by a prohibition on publishing outside the EU
