General Purposes Committee of Council

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on **26 January**, unless notice of a resolution calling upon

(a) Oxford University Cricket Club

Explanatory Note

These regulations are being created to set up a fund that is separate from, rather than subordinate to, the University of Oxford Development Trust Fund, to ensure active governance and good understanding of the status of the fund as a trust together with the obligations on the University that arise from that status.

Text of Regulations

In [Council Regulations 25 of 2002](#), concerning trusts, insert as follows:

‘Oxford University Cricket Club Endowment Fund

1. The University receives with gratitude funds to be held as expendable endowment on the trusts declared in these regulations. Further money or property may be paid or transferred to the University as either permanent or expendable endowment to be held on the same trusts. The assets so held will be known as the Oxford University Cricket Club Endowment Fund (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards the promotion of participation in the sport of cricket in particular among student members of the University (“the Trust Purpose”). For so long as the Oxford University Cricket Club (“the Club”) exists and continues to have exclusively charitable objects, the University shall advance the Trust Purpose exclusively through the application of funds to the Club.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Sports Strategic Sub-Committee of the Education Committee, which may appoint a board to manage the Fund on its behalf.

Council to annul or amend the regulation is received by the Registrar by noon on 22 January (as set out in [Statute VI: Council](#)).

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Trust Purpose (provided, however, that such costs shall not exceed the amount charged by the University to any other of its trust funds of a comparable size).

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. These regulations shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

- (1) cease to be exclusively charitable according to the law of England and Wales; or
- (2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by His Majesty in Council.’

(b) The Unwin Fund for Bodleian Library Publishing

Explanatory Note

This regulation is being created because endowment gifts have been received for the purpose of establishing a new expendable endowment to support the production of books by Bodleian Library Publishing.

Text of Regulations

In [Council Regulations 25 of 2002](#), concerning trusts, insert:

‘The Unwin Fund for Bodleian Library Publishing

1. The University receives with gratitude the sum of £500,000 from The Unwin Charitable Trust to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as The Unwin Fund for Bodleian Library Publishing (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, to support the production of books by Bodleian Library Publishing.

4. The administration of the Fund, and the application of its income, shall be the responsibility of Bodley’s Librarian.

(c) Corcoran Memorial Fund

Explanatory Note

The following changes have been made to permit more flexibility to make minor changes, such as when a post title changes.

Text of Regulations

In Council Regulations 25 of 2002, delete existing regulations concerning the [Corcoran Memorial Fund](#), and substitute as follows:

‘Corcoran Memorial Fund

1. The University receives with gratitude gifts to be held as permanent endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. These regulations shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

- (1) cease to be exclusively charitable according to the law of England and Wales; or
- (2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by His Majesty in Council.

trusts. The assets so held will be known as the Corcoran Memorial Fund (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards the provision of a prize or prizes, consisting of a bronze medal and a sum of money, each to be known as a Corcoran Memorial Prize, for award to graduate students of the University in Statistics, and also the annual Corcoran Memorial Lecture (or Lectures) in Statistics.

4. The board of management shall have discretion to set conditions for the award of these prizes, including on matters concerning the number and value of prizes and adjudication, in so far as those conditions are not inconsistent with these regulations.

The board of management shall appoint a lecturer or lecturers annually, and shall have discretion to determine the fee, if any, to be paid from the fund to each lecturer.

5. The administration of the Fund, and the application of its income, shall be the responsibility of the MPLS Divisional Board.

6. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

7. The University shall have power to pay out of the capital or the income of the Fund all costs of

and incidental to the creation of the Fund, and the management and administration of the Fund.

8. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

9. These regulations shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

10. Subject to regulation 11, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

- (1) cease to be exclusively charitable according to the law of England and Wales; or
- (2) be outside the objects of the University.

11. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by His Majesty in Council.'

Oxford University Museum of Natural History

REQUEST FROM THE HOPI TRIBE CULTURAL PRESERVATION OFFICE FOR THE RETURN OF ONE HOPI TRIBE CRANIUM HELD IN THE COLLECTIONS OF THE OXFORD UNIVERSITY MUSEUM OF NATURAL HISTORY

In accordance with the procedure for dealing with repatriation claims set out in the University's Human Remains Policy and Procedures for the return of Human Remains, the Visitors of the Oxford University Museum of Natural History (OUMNH) has considered a claim from the Hopi Tribe Cultural Preservation Office for the repatriation of a human cranium (accessioned with the reference number OUMNH-ZC-21986) collected in 1900 by the Field Museum of Natural History in Chicago and exchanged with the OUMNH in 1929. The Visitors are recommending that the Council agree to the return of these remains.

The procedure for claims to return human remains as laid out in the Policy on Human Remains held by the University

of Oxford's Museums (www.glam.ox.ac.uk/human-remains-policy) requires that, when the governing body of the relevant museum has submitted a claim, notice of the recommendation and availability of the dossier of the case for consultation should be advertised in the *Gazette*, giving parties with an interest an opportunity to comment. Any comments received are to be considered by Council in reaching a final decision on the recommendation submitted by the Board of Visitors of the Museum.

The dossier may be consulted on application to Mark Carnall, Collections Manager, Life Collections (Human remains + non-insect invertebrates), Oxford University Museum of Natural History, South Parks Road, Oxford, OX1 3PP (email: mark.carnall@oum.ox.ac.uk).

Any submission regarding the Visitors' recommendation should also be sent to Mark Carnall by **12 February**.

The curators oversee the ceremonial and governance functions of the theatre, and monitor its use as a venue.

STATUTE XII POOL FOR CONSTITUTING PANELS

General information about the Pool

The terms of reference and membership of this body are set out in [Council Regulations 3 of 2017](#).

terms of office are now coming to a close (thereby prompting all the vacancies now advertised for election).

For further information on a particular vacancy or the work of a committee or other body, please contact the Secretary of the relevant committee/body (as shown below).

They meet three times per year and meetings usually last between 1–2 hours. Nominations from a diverse range of Congregation members are encouraged, particularly those from underrepresented groups.

For further information, please contact the Secretary (john.weston@admin.ox.ac.uk).

- 2 members of Congregation to whom Statute XII applies, to represent Gardens, Libraries and Museums (GLAM), elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, to represent University Administration and Services (UAS), elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]

The Pool is comprised of 46 persons, elected by Congregation, in one of seven constituencies: each of

the four academic divisions; Gardens, Libraries and Museums; University Administration and Services; and non-divisional (not necessarily representing any division and not in any case being nominated in a divisional capacity). By convention, it is expected that candidates for election to represent a constituency will also be a member of that constituency.

All members of Congregation are eligible to nominate a candidate or to vote in the above elections, but prospective candidates who want to stand for election must be a member of Congregation to whom [Statute XII](#) applies (that is: professors, readers, associate professors or lecturers; any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV; and the Vice-Chancellor to the extent and in the manner set out in Part G of Statute XII). College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Reuben, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties.

Divisional Boards

MATHEMATICAL, PHYSICAL AND LIFE SCIENCES BOARD

- One person elected by and from among the members of the Faculty of Engineering Science, to serve with immediate effect until the start of MT 2025 [vice Professor Thomas AA Adcock, St Peter's]

Notes

Electronic elections

The elections on **Thursday, 29 February** will be conducted electronically.

Nominations

Hard copies of nomination forms will not be processed. Nominations should be made on an [official nomination form](#). [Completed nomination forms](#) should be sent as an email attachment to the Elections Office (elections.office@admin.ox.ac.uk) by **4pm on Thursday, 1 February**. Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in [Council Regulations 14 of 2002 \(General Regulations of Council for Committees\)](#). Current members seeking re-election are

The full term of office is four years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

Further information about the Pool

Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2)) and may be expected to also chair a Panel. Before serving on a Panel, each member of the Pool will be required to attend appropriate training, including on equality and diversity, which takes about half a day in total. Because members of the Pool are chosen by lot, it is hard to predict how many times a member will be asked to serve, but at the very most this is likely to be three Panels in a year (and often less), which each take around a day – before the hearing there will also be a large bundle of papers to read. Nominations from BME staff, from men and from academic and research staff are particularly encouraged. No particular skills/experience are necessary, but an interest in staffing matters is helpful.

For further information, please contact the Secretary (kathryn.fairhurstjones@admin.ox.ac.uk).

The terms of reference and membership of this body are set out in [Council Regulations 17 of 2002](#).

For further information, please contact the Divisional Registrar (tracy.gale@mpls.ox.ac.uk).

also asked to check for specific restrictions on consecutive service. For further information, please see the [eligibility](#) and [amendments to nominations](#) sections within the [Information about University elections pages](#) of the [Elections website](#).

Candidate statements

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought.

Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on Wednesday, 14 February, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'). Candidates' statements

will also be published in the *Gazette* dated Thursday, 15 February. Voters may wish to read these statements before completing their electronic vote. The voting period will close at **4pm on Thursday, 29 February**.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on **Thursday, 1 February**. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until

appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

All vacancies are with immediate effect unless otherwise stated. In accordance with [Congregation Regulations 2 of 2002](#), in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.
