Medical Sciences Divisional Board

Approved by Ros Whiteley on 01.10.20

Title of Programme/ Name of Regulation
Master of Science by Coursework in Precision Cancer Medicine

Brief note about nature of change: correction of assessment title

Location of change
N/A – new programme

Effective date
For students starting from MT 2020
And
For first examination from 2020-21

Detail of change:

4. Each candidate for the MSc award will be required to satisfy the examiners in the following:
   (i) Online attendance at all modules specified in the Schedule.
   (ii) Completion of formative coursework.
   (iii) An essay of a maximum of 2500 words selected from a choice of essay titles based on modules 1-4 of the Schedule.
   (iv) An problem-solving assessment of a maximum of 2500 words selected from a choice of tasks based on modules 1-5 of the Schedule.
   (v) Attendance at the Residential School following at least five terms of study.
   (vi) A 3-hour written examination that will consist of short written essays. As the materials from modules 1-5 will be tested via the assessed coursework, the exam will focus mainly on material taught in the later modules (modules 6-8) but will also draw on some topics from the earlier modules.
A dissertation of not more than 10,000 words on the research project as set out in the Schedule. The research project and the subject of the dissertation must be approved by the Organising Committee.

5. The essay, problem-solving assessment and the dissertation will be submitted via an authorised online submission platform, details of which will be notified to students by the Course Administrator, by dates to be specified by the Organising Committee and published in the course handbook no later than the start of Michaelmas Term of the first year of the course.

Explanatory Notes

Correction of title for one assessment
