Congregation

17 December

The meeting of Congregation is cancelled. The sole business comprises questions to which no opposition has been notified and in respect of which no request for adjournment has been received, and Mr Vice-Chancellor will accordingly declare the legislative proposal at 1 and the resolution at 2 carried without a meeting under the provisions of Sect 7 (1) of Statute IV.

(1) Voting on Legislative Proposal: Statute XIV: Employment of Academic and Support Staff by the University

(For explanatory note and text of legislative proposal see *Gazette* No 5043, 28 November 2013, p160.)

(2) Voting on a Resolution authorising the use of space in the Pharmacology Building

(For explanatory note and text of resolution see *Gazette* No 5043, 28 November 2013, p160.)

Congregation

21 January 2pm

¶ Members of Congregation are reminded that any two members may, not later than **noon on 13 January**, give notice in writing to the Registrar that they intend to oppose or amend the resolutions at 1-4 below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the resolutions shall be carried and the meeting may be cancelled.

(1) Voting on a Resolution authorising the use of space in Dartington House

Explanatory Note

The relocation of the Mathematical Institute to its new building on the Radcliffe Observatory Quarter (the Andrew Wiles building) has led to space becoming available in a number of properties, including Dartington House. It is recommended that, in the short term, the majority of the space vacated in Dartington House should be allocated to IT Services. This allocation enables IT Services to co-locate staff who are currently split across a number of sites in a way which better reflects the structure of the department, and facilitates more efficient project delivery. The recommended allocation, which is conditional upon IT Services vacating space at five locations (Blue Boar Court, 5 Worcester Street, Hythe Bridge Street, the Malthouse and 16 Wellington Square), also enables better space efficiency, reducing the space required by IT Services by 578 sq m, and provides an opportunity for the University to consider reducing the amount of leased space within its estate, in line with the Estate Strategy.

Text of Resolution

That approximately 1,293 sq m net usable area in Dartington House be allocated to IT Services from 1 February 2014 until 31 January 2016.

Notices

(2) Voting on a Resolution authorising the use of space at 128 Bullingdon Road

Explanatory Note

The Ruskin School of Art occupies premises at 74 High Street and 128 Bullingdon Road. The latter, located just off Cowley Road, provides studio and workshop space, but the fabric of this building is at the end of its useful life. The provision of better and additional space for the school is the highest capital priority for the Humanities Division. The increase in space is required to enable the school to launch a Master in Fine Arts course. Replacement of the existing building at Bullingdon Road has now been identified as an effective way of delivering this priority. It is anticipated that the new building will provide 1,360 sq m net usable area, an increase of approximately 520 sq m net usable area when compared to the existing building.

Text of Resolution

That approximately 1,360 sq m net usable area at 128 Bullingdon Road be allocated to the Ruskin School of Art.

(3) Voting on a Resolution authorising the use of space in the Tinsley Building

Explanatory Note

The Tinsley Building, located on Mansfield Road, provides accommodation across four floors (including a basement). On 1 June 2010, Congregation authorised the use of the first and second floors by the Department of Physiology, Anatomy and Genetics for the establishment of a new centre.

The ground and basement floors have now been identified as the ideal location for the establishment of a physical base for the Sleep and Circadian Neuroscience Institute (SCNi) (currently a virtual institute). The SCNi is the first institute in the world dedicated to the neuroscience of sleep and to advancing our understanding of how sleep and circadian rhythm disruption (SCRD) impacts upon health.

Text of Resolution

That approximately 700 sq m net usable area in the Tinsley Building be allocated to the Department of Clinical Neuroscience, for the Sleep and Circadian Neuroscience Institute.

(4) Voting on Resolution authorising expenditure from the Higher Studies Fund

Text of Resolution

That the University be authorised to expend, from the element of the Higher Studies Fund known as the Bodleian 'B' Fund, funding in the amount of £64,000 towards the cost of small building works.

Note on procedures in Congregation

¶ Business in Congregation is conducted in accordance with Congregation Regulations 2 of 2002 (www.admin.ox.ac.uk/statutes/regulations/529-122.shtml). A printout of these regulations, or of any statute or other regulations, is available from the Council Secretariat on request. A member of Congregation seeking advice on questions relating to its procedures, other than elections, should contact Mrs F Burchett at the University Offices, Wellington Square (telephone: (2)80199; email: felicity.burchett@admin.ox.ac.uk); questions relating to elections should be directed to the Elections Officer, Ms S L S Mulvihill (telephone: (2)80463; email: elections.office@admin.ox.ac.uk).

External Membership of Council

INVITATION TO CONGREGATION TO SUBMIT NOMINATIONS FOR CONSIDERATION

Procedure for election of external members of Council

There will be a vacant place on Council for an external member from Michaelmas term 2014. An external member is defined in Statute I as 'a person who is not the resident holder of a teaching, research or administrative post in the University or in any college, society or Permanent Private Hall'.

Members of Congregation are invited to submit nominations for consideration by the Nominations Committee for the place on Council, taking account of the criteria set out below, on a form available on www.admin.ox.ac.uk/councilsec/nomination or from the Registrar's office (01865 280415). The Nominations Committee expects that nominations will be made without any communication by the nominator with the nominee. Nominators should indicate on the nominations form if any informal communication has taken place.

The closing date for nominations is **Monday, 10 February 2014.**

The Nominations Committee will act in accordance with Council Regulation 15 of 2002, available on the website at www.admin.ox.ac.uk/statutes/regulations/520-122q.shtml. Current Council members are listed at www.admin.ox.ac.uk/councilsec/governance/council/membershipofcouncil. The Committee is being assisted by Saxton Bampfylde search consultants.

The Committee will consider all nominations and applications received by the closing date as well as any candidates proposed by its own members and by the search consultants; it will select from them having due regard to the principles of equality and diversity and the published selection criteria, and it will then make recommendations to Council. Council will consider all recommendations received from the Nominations Committee and will

either propose a candidate for approval by Congregation or will ask the Committee to submit further names for its consideration. If a candidate is rejected by Congregation the Committee will propose a further candidate or candidates to be put to Council in accordance with the above procedures until the vacancy is filled.

The appointment will be for four years, extendable for a further four years.

Responsibilities of members of Council

Whilst Congregation is the University's sovereign body, Council is the University's executive governing body. It is responsible for the advancement of the University's objects, for its administration, and for the management of its finances and property. Council is therefore responsible for the academic policy and strategic direction of the University, subject to the powers of Congregation. Legally, the members of Council are charity trustees and are bound by fiduciary duties. Each must comply with the duties of a charity trustee, and when doing so must exercise the proper standard of care.

Criteria for external members of Council

All members of Council will have a strong personal commitment to higher education and to the values, aims and objectives of Oxford as a collegiate University (ie the University and its colleges).

In considering nominations for external membership of Council, personal qualities will be the primary consideration, but successful candidates will need to be able to demonstrate significant levels of relevant experience. The Nominations Committee will consider demonstrable evidence of the following:

- significant experience in a position or positions requiring the exercise of high levels of responsibility;
- substantial experience in the governance of large complex organisations in the public, private or not-for-profit sectors;
- the ability to engage with issues such as educational policy, strategic planning, risk management, IT and information systems, property, investment, financial

management, and legal issues, in order to ensure a balance of skills and experience on Council;

- a willingness to represent the values, aims and objectives of the University to those who are not part of the institution and to bring a better understanding of issues outside the institution to the members of the collegiate University;
- the capacity to act fairly and impartially in the interests of the University as a whole, using independent judgement and maintaining confidentiality as appropriate, and avoiding conflicts of interest;
- the willingness to listen, engage, understand and interact with members of the collegiate University at all levels; and
- the willingness to play a role in liaising between key stakeholders and the University and in fundraising.

The role also requires the willingness and ability to devote a significant amount of time on a voluntary basis. External members of Council are expected to spend one to two days per month in Oxford. It is expected that the people appointed to these roles will become involved in the life of the University, and may be asked to become members of other committees.

All members have a responsibility for ensuring that Council conducts itself in accordance with accepted standards of behaviour in public life, embracing selflessness, integrity, objectivity, accountability, openness, honesty and leadership. They must also play an appropriate part in ensuring that the business of Council is carried out effectively, efficiently and in a manner appropriate for the proper conduct of public business.
