## General Purposes Committee of Council

### Changes in Regulations

The General Purposes Committee of Council has made the following changes in regulations, to come into effect on **27 March**.

#### (a) Establishment of the Kenneth Rose Fund

##### *Explanatory Note*

These regulations establish the Kenneth Rose Fund to be held as expendable endowment for the purchase of books and manuscripts for the Bodleian Libraries.

##### *Text of Regulations*

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §186 as follows, and renumber existing §186 onwards by plus one:

##### '§186. *Kenneth Rose Fund*

1. The University receives with gratitude the legacy of the late Kenneth Rose to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as The Kenneth Rose Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards the purchase of books and manuscripts for the Bodleian Libraries.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Curators of the University Libraries.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead

of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund for the Department of Eastern Art at the Ashmolean Museum of Art and Archaeology at the University ("the Ashmolean").

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Board of Visitors of the Ashmolean, who shall have regard to the wishes of the Keeper of Eastern Art.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.'

### **(c) Establishment of the KS Endowment Fund**

If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the legislative proposal shall be declared carried, and the meeting may be cancelled.

### (1) Voting on Legislative Proposal: Transport Studies Fund and Reader in Transport Studies

#### *Explanatory Note*

The following proposal renames the Readership in Transport Studies as the Associate Professorship in Transport Studies. The change is necessary on the retirement of the present incumbent in September 2015 as the use of the title of readership is no longer in use for new conferrals. The opportunity has also been taken to rationalise the three current provisions relating to Transport Studies into one comprehensive provision and to remove superfluous material.

*WHEREAS it is expedient to change the existing provisions governing the Transport Studies Fund and the Reader in Transport Studies, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject*

*to the approval of Her Majesty in Council, AS FOLLOWS.*

In the Schedule to the Statutes delete Part 59 and substitute (new text underlined, deleted text struck through):

### 'Part 59: Reader Associate Professor in Transport Studies

59.1. The sums contributed between 1958 and 1968 by the Chartered Institute of Transport acting on behalf of the contributors shall be applied to the establishment and maintenance of an Reader Associate Professor in Transport Studies ("the Associate Professorship") and the promotion of transport studies in the University under the arrangements set out in sections 59.2 and 59.3 below.

59.2. (1) ~~The first charge on the net income of the endowment shall first be applied towards the cost salary and expenses of the holder of the readership Associate Professorship and associated overheads.~~

(2) Such part of the income of the endowment in any year that remains following the discharge of the costs referred to at Part 59.2(1) as exceeds the cost of the readership shall be carried to a separate fund which shall be known as the Transport Studies Fund and which shall be applied under such conditions as may be laid down by Council by regulation for the may be applied to support of the work of the reader Associate Professor and for the encouragement and advancement of transport studies in the University as the board of management shall see fit.

(3) During any vacancy in the readership Associate Professorship the whole of the income of the endowment shall be paid into the fund may be applied in accordance with Part 59.2(2).

59.3. The duties of the reader, which shall always be consistent with the primary purpose of the endowment to promote the study of transport in the University, and the manner of the reader's election shall be laid down by Council by regulation. The Associate Professor shall engage in advanced study and research in the field of Transport Studies, and shall lecture and

give instruction in Transport Studies under the direction of the Head of the School of Geography and the Environment. The Associate Professor shall be required to be the director (without emoluments) of the Transport Studies Unit if appointed as such by the Head of the School of Geography and the Environment.

59.4. The administration of the endowment, and the application of its income, shall be the responsibility of the board of the School of Geography and the Environment.

59.5. Subject to Part 59.6, Council may amend, repeal or add to this Part 59 in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the endowment to:

(1) cease to be exclusively charitable according to the law of England and Wales; or

(2) be outside the objects of the University.

59.6 Any amendment to Part 59.2 is an amendment to the main objects of the endowment fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

*Regulations to be made by Council if the Statute is approved by Her Majesty in Council*

**1** In Sect III of Council Regulations 25 of 2002, concerning Trusts, delete §357 (Transport Studies Fund) and renumber the subsequent regulations accordingly.

**2** In SCHEDULE A of Council Regulations 3 of 2004, concerning statutory professorships, delete 'Readership in Transport Studies'.

**3** In Sect III of Council Regulations 24 of 2002, concerning Academic and Other Posts, delete §325 (Reader in Transport Studies) and renumber the subsequent regulations accordingly.

**4** These regulations shall be effective from the date on which the Statute approved by Congregation on 24 March is approved by Her Majesty in Council.

## **(2) Voting on a Resolution authorising the use of space at the Begbroke Science Park**

### *Explanatory Note*

The University established the Begbroke Science Park in order to provide capacity for space-intensive research and support small and medium-sized science businesses to take their projects to market. Begbroke Science Park is home to research activities from across the Mathematical, Physical and

Life Sciences Division and provides co-location of academic and industrial interests within an integrated campus, helping to promote interaction, synergies, the translation of knowledge and technology, and innovation.

The Begbroke Innovation Accelerator is one of four innovation centres funded through the Oxford and Oxfordshire City Deal. This new development will build upon the existing work at the Begbroke Science Park, providing further and much-needed capacity for research and business to be co-located in a single facility.

### *Text of Resolution*

That a site immediately adjacent to the Centre for Innovation and Excellence on the Begbroke Science Park be allocated for the construction of the Begbroke Innovation Accelerator (Phase 1) building. The building is expected to have a gross internal area<sup>1</sup> of 1,900 sqm.

<sup>1</sup>Exceptionally, gross internal area, rather than net usable area (NUA), is used for this site allocation as the project is at too early a stage for NUA to be defined.

## **(3) Voting on a Resolution authorising the use of the Old Power Station building, Arthur Street**

### *Explanatory Note*

The Old Power Station building on Arthur Street was acquired by the University in 1971 in order to provide space for the Department of Engineering Science and for museum storage purposes. While the Department of Engineering Science moved out in 2010, the museum storage usage remains. However, the functional suitability of this space is poor and the premises are in need of significant capital investment if this is to change.

The capital investment priorities of the University, covering building, equipment, IT infrastructure and provision for matching emerging opportunities, are set out in the Capital Masterplan approved by Council. Two of the capital priorities have bearing on the future of the Old Power Station building.

The first is a need for a Joint Museums' Collections Study Centre - a facility that would bring together those parts of the museums' collections which are not on display, or otherwise located, within their main premises (including artefacts currently located in the Old Power Station), in a state-of-the-art facility.

The second is a need for better and more centrally located facilities for the Executive Education programme offered by the Saïd Business School. That facility would provide space for teaching and social interaction,

together with accommodation. The Old Power Station has been identified as an ideal location for this facility, being in close proximity to both the school and the railway station.

As each individual project within the Capital Masterplan remains subject to the usual approval processes within the University, Congregation's authority for this future use of space at the Old Power Station is now sought. Project approval, through Council and its Planning and Resource Allocation Committee, will be sought in due course.

### *Text of Resolution*

That the Old Power Station building (building number 189), approximately 4,020 sqm net usable area, be allocated to the Saïd Business School for a period of thirty years, the allocation being effective upon the building becoming vacant and subject to Council giving approval for the project to convert the building into a new Executive Education facility to proceed to completion.

## Convocation

19 June

### Election of the Professor of Poetry

An election by Convocation will be held in Trinity term 2015 in order to elect the Professor of Poetry, to hold office for four years from the first day of Michaelmas term 2015. A meeting of Convocation will be held on Friday, 19 June 2015, to announce the results.

#### DUTIES AND STIPEND OF THE PROFESSOR

The duties of the professor are: normally to give one public lecture each term; to deliver an inaugural lecture; normally to offer one more event each term; to give the Creweian Oration at Encaenia every other year (a duty established by convention); each year, to be one of the judges for the Newdigate Prize, the Lord Alfred Douglas Prize and the Chancellor's English Essay Prize; every third year to help judge the prize for the English poem on a sacred subject; and generally to encourage the art of poetry in the University.

The professor receives a stipend of £12,000 per annum plus £40 for each Creweian Oration. The professor may hold the post in conjunction with another professorship or readership within the University. The post enjoys an association with All Souls College but there may be occasions when the postholder is offered an association by another college (eg if the postholder has a prior association with another college).

Further particulars of the professorship are available on the University website ([www.ox.ac.uk/poetryprofessor2015](http://www.ox.ac.uk/poetryprofessor2015)). Informal enquiries about the post may be made to the Chair of the Faculty of English ([seamus.perry@ell.ox.ac.uk](mailto:seamus.perry@ell.ox.ac.uk)).

#### ELECTION PROCEDURES

##### *Eligibility to vote in this election*

All members of Convocation who wish to vote in this election must first register their intention to vote (see 'Voter registration' below).

Convocation consists of all the former student members of the University who have been admitted to a degree (other than an honorary degree) of the University, and of any other persons who are members of Congregation or who have retired having been members of Congregation on the date of their retirement.

Membership of Convocation is conferred automatically to members of Congregation whose names have been entered in the Register of Congregation and to degree holders after having attended a formal

degree ceremony (either in person or *in absentia*). Those wishing to verify their current status as members of Convocation are asked to contact their college secretary or departmental administrator.

The functions of Convocation are set out in the University Statutes ([www.admin.ox.ac.uk/statutes/780-121.shtml](http://www.admin.ox.ac.uk/statutes/780-121.shtml)).

##### *Eligibility to stand for election*

The single criterion for eligibility, in addition to not having held the Professorship on a previous occasion, is that candidates be of sufficient distinction to be able to fulfil the duties of the post.

##### *Eligibility to nominate in this election*

All members of Convocation are entitled to nominate a candidate in this election (see 'Nominations' below). Please note that members also wishing to vote must also register their intention to vote (see 'Voter registration' below).

##### *Nominations*

Nominations by 50 members of Convocation other than the candidate (who need not be a member of Convocation) must be received by the Elections Office at the University Offices, Wellington Square, up to **4pm on Wednesday, 6 May**. Copies of the nomination form may be downloaded from the University website ([www.ox.ac.uk/poetryprofessor2015](http://www.ox.ac.uk/poetryprofessor2015)) or obtained from the Elections Office (email: [poetry.election@admin.ox.ac.uk](mailto:poetry.election@admin.ox.ac.uk)). Nominations must clearly show for each signatory the name, date of birth, and college and year of matriculation (for degree-holders), or the college or department (for non-matriculated members of Congregation). Faxed nomination forms or electronic signatures will not be accepted. The names of those nominators whose eligibility to nominate has been verified will be published online and in the *University Gazette*.

Nominations must also be accompanied by a statement signed by the person nominated consenting to the nomination, and including either his/her contact details or the name and contact details of the person he/she has nominated to act as his/her representative to the University throughout the election (the 'authorised representative'). Faxed candidate forms or electronic signatures will not be accepted. Copies of the form for candidates may also be downloaded from the University website ([www.ox.ac.uk/poetryprofessor2015](http://www.ox.ac.uk/poetryprofessor2015)) or obtained from the Elections Office.

### Candidate statements

Each candidate for election, or authorised representative, may submit for publication a written statement, of no more than 500 words, setting out the candidate's reasons for standing. If they so wish, each candidate may include for publication one photograph of themselves and one URL to the candidate's own website. These statements must be received by the Elections Office at the University Offices, Wellington Square, by **4pm on Wednesday, 6 May**. In the event of a contested election, these statements shall be published in the *University Gazette* and on the official University website.

### Congregation flyersheets

Ten or more members of Congregation may arrange to have a flyer sheet circulated with the *Gazette* in regard to this election. The rules made by Council governing the circulation of flyer sheets are given in Appendix B of Congregation Regulations 2 of 2002 ([www.admin.ox.ac.uk/statutes/regulations/529-122b.shtml#\\_Toc28141352](http://www.admin.ox.ac.uk/statutes/regulations/529-122b.shtml#_Toc28141352)).

### Voting arrangements

If the election is not contested the result will be announced in the *Gazette* following the close of nominations. In the event of a contested election, a ballot will be conducted by the Electoral Reform Services in accordance with the following procedures and the results announced at a meeting of Convocation on Friday, 19 June.

### Voter registration

In the event of a contested election, members of Convocation must register their intention to vote. The registration period will open on Monday, 13 April 2015, and close at noon on Monday, 8 June 2015 (BST). A website will be available during this period for prospective voters to register their intention to vote during the election. Once you have submitted your request to register and confirmed this via an emailed link to your email account, your details will be checked to ensure you are a member of Convocation and eligible to vote in this election. You will be notified by email if your request has been unsuccessful. If you are unable to register online, or have any queries about the registration process, a telephone helpline will be available during the registration period.

### Voting

Registered voters will have the option of voting, either online or in person at the University Offices, from Friday, 22 May, until noon on Wednesday, 17 June (BST). Voters who have registered to vote online will be sent instructions on how to vote once their eligibility to vote has been verified. To allow time for verification of eligibility, members wishing to vote in person must register at least five working days before collecting their ballot paper from the University Offices at Wellington Square, Oxford, between 9am and 5pm Monday to Friday. Members voting in person must bring some form of photo identification, such as a University card, Bodleian reader's card, new-style driving licence or passport.

### Result of a contested election

The result of a contested election will be announced by the Proctors in a meeting of Convocation at 4pm on Friday, 19 June, in Convocation House. Members of Convocation wishing to attend the meeting are asked to note that the wearing of gowns is optional. The result will subsequently be reported on the University's website and published in the *Gazette*.

**UK Brain Bank for Autism and Related Developmental Research, JR**

**The developing brain is altered in autism** but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do - and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See www.brainbankforautism.org.uk for information and to register as a donor.
