### Nomination of external member of Council

Under regulation 9.3 of Congregation Regulations 2 of 2002, the nomination below shall be deemed to be approved unless not later than **4pm on Thursday, 26 November**, the Registrar has received from not fewer than 20 members of Congregation a written request for a postal ballot to be taken in respect of that nomination.

### Approval of nomination of Jayne Almond as an external member of Council

The nomination by Council, under the provisions of section 4 (7)-(10) of Statute VI, of Jayne Almond as a member of Council for four years from Hilary term 2016, is submitted for approval.

#### *Note on the nominated external member of Council*

Jayne Almond graduated in PPE (St Hilda's, 1975–8). She then worked for Shell from 1978 to 1984 in a number of roles before moving to LEK Consulting, a leading strategy consulting firm, where she became a senior partner and Head of LEK's Financial Service practice. In 1999 she joined Lloyds TSB where she had a number of roles including Managing Director of European Internet Banking, Director of Retail Banking Strategy and Group Marketing Director. She left Lloyds TSB to join Barclays in 2003 where she became Managing Director of Barclays Home Finance division, which included Barclays/Woolwich mortgage business. She left Barclays to set up Stonehaven, a specialist mortgage business, which was launched in August 2006 and where she was Chairman until 2014, when the firm was acquired by MGM Advantage group and became a wholly owned subsidiary. Ms Almond is now a non-executive director on the board of MGM Advantage group, and has been a non-executive director of Ascot plc, Deputy Chairman of CDC (the UK government's development finance institution) and a member of the Competition Commission.

She has been a member of Council and chair of the Audit and Scrutiny Committee since Hilary term 2012.

## Guidelines for leave for academic staff

### 1 *Approval of applications for leave*

All applications for leave from normal academic duties (sabbatical leave, leave to hold research awards, special leave etc) must be accompanied by a recommendation from the individual's department or faculty board, as appropriate, and must also be approved by the divisional board which now has the authority to grant leave.

### 2 *Sabbatical leave and dispensation from lecturing obligations*

The University's regulations in respect of sabbatical leave and dispensation from lecturing duties are set out in Council Regulations 4 of 2004. Application forms and advice on individuals' entitlement may be obtained from:

Humanities Division - Ms Taylor, Radcliffe Humanities, Radcliffe Observatory Quarter, tel (2)70559, email [marcel.taylor@humanities.ox.ac.uk](mailto:marcel.taylor@humanities.ox.ac.uk)

Social Sciences Division - Ms Phillips, Hayes House, 75 George Street, tel (6)14857, email [heather.phillips@socsci.ox.ac.uk](mailto:heather.phillips@socsci.ox.ac.uk)

Mathematical, Physical and Life Sciences Division - Ms Bunce, 9 Parks Road, tel (2)82588, email [polly.bunce@mpls.ox.ac.uk](mailto:polly.bunce@mpls.ox.ac.uk)

Medical Sciences Division - Ms Haugen, Medical Sciences Office, John Radcliffe, tel (553)21620, email [ingunn.haugen@medsci.ox.ac.uk](mailto:ingunn.haugen@medsci.ox.ac.uk)

Continuing Education - Mrs Nickless, Rewley House, 1 Wellington Square, tel (2)70310, email [jo.nickless@conted.ox.ac.uk](mailto:jo.nickless@conted.ox.ac.uk)

Completed application forms (signed by the head of department where appropriate) should be returned to the head of the Mathematical, Physical and Life Sciences Division or the divisional contact shown above, as appropriate, for processing and for faculty board/divisional board approval.

### 3 *Sabbatical leave in advance of entitlement*

In some circumstances individuals may wish to take leave for purposes covered by the sabbatical leave scheme at a time when they do not have sufficient sabbatical entitlement. Such circumstances might include an unrepeatable opportunity to pursue academic interests, or a need to undertake fieldwork for a period exceeding one year. In such cases leave could be granted in whole or in part as sabbatical leave in advance of entitlement if a good academic case could be demonstrated.

#### 4 *Applications for leave to hold some public offices*

Applications for leave to accept an appointment in the public service of national or international importance are normally granted by the divisional board, provided that:

- the purpose of the leave can be shown to be compatible with the academic interests of the department or faculty;
- the department or faculty (and the college in the case of joint appointments) supports the application and is able to cover the individual's duties including examining and graduate supervision;
- it is clear that the individual intends to return to University service after the period of leave.

Applications for leave to hold such offices should be made to the divisional secretary, faculty board secretary or other officer as notified locally.

#### 5 *Applications for certain research awards*

Applications to national bodies of prestigious and competitive research awards (eg British Academy Research Readerships and Senior Research Fellowships, AHRC Research Leave awards, EPSRC Senior or Advanced Fellowships) are normally granted by the divisional board provided that the department or faculty (and the college in the case of joint appointments) supports the application and that appropriate arrangements can be made to cover the individual's duties, including examining and graduate supervision, should the application be successful.

Applications for research awards by members of the Humanities Division must be notified to the appropriate divisional research facilitator at least one month before the funder's deadline. The research facilitator will provide advice and support for the application, produce a budget and an OG (internal authorisation form required by Research Services) and will liaise with the Humanities Division and Research Services to obtain approval for the application. **It is the responsibility of the applicant to obtain in advance the consent of the college (where appropriate) for any research leave application.** Consent must be forwarded to the research facilitator and is required by Research Services as part of the internal checking and authorisation process. Note: all applications to outside bodies for research funding must be checked and authorised by Research Services. The AHRC will not accept applications directly from colleges; applications to that body from associate professors whose college is the major employer can only be submitted via the relevant faculty.

#### 6 *Applications for special unpaid leave*

Applications for leave other than those outlined above may be considered as applications for special **unpaid** leave. Applications may be considered if they meet one or both of the following criteria:

- (i) providing academic benefit to the University;
- (ii) providing a career development opportunity for the individual, hence aiding staff retention.

Activities under these criteria might include visiting another institution to study specialised laboratory techniques, taking up a visiting lectureship or visiting professorship at a prestigious department abroad, an extended period of fieldwork etc.

In all cases, it is essential that the consent of the college (where appropriate) and of the department/faculty board is obtained before an application is made to the divisional board. In considering applications, colleges and departments/faculty boards must be satisfied that the proposed leave fits with their overall plans and objectives, and it

must be clear that the individual's duties for the college and for the department/faculty, including examining and graduate supervision, can be covered satisfactorily. Divisional boards will consider applications both on their own merits and in the context of overall operational needs, and will not approve applications which are prejudicial to the teaching and research of the department/faculty or which are not supported by the applicant's college.

Occasionally applications are made for leave to enable an individual to accept a fixed-term appointment in another academic institution (other than routine visiting appointments held during sabbatical leave). In such instances the college and the department/faculty board would need to be satisfied that the application was in line with their overall plans and objectives, as above, and that all operational requirements could be covered satisfactorily, before the application was put to the divisional board. Applicants would normally be expected to give a commitment to return to Oxford after the period of leave. It should be noted that the longer the appointment at the other institution, the less likely it is that leave will be granted.

Leave will not be granted, except in the most truly exceptional circumstances, to enable an individual to decide whether to accept a permanent post elsewhere.

It is recognised that some offers are made to individuals at short notice. Given the fact that all members of the academic staff have clear obligations to the University and to their college under the terms of their contracts, no such offer should be accepted without the support of the college and the department/faculty and the explicit approval of the divisional board. It is essential, therefore, that any prospect of such an offer is discussed, in confidence, with the college and with the divisional secretary or faculty board secretary at the earliest opportunity so as to avoid delays, and the possibility of refusal, if a firm offer is then made at very short notice.

All applications for special unpaid leave should be made to the divisional secretary, faculty board secretary or other officer as

notified locally, who will also be able to advise on the likelihood of success of any application on the University side; the college's consent in appropriate cases must be obtained before an application is put to the divisional board.

### 7 *Special paid leave*

Divisions may, if they wish, with the concurrence of the college in relevant cases, grant additional paid leave outside sabbatical entitlement, funded from their own resources, to enable staff to undertake projects of mutual benefit to the individual and the University. Examples might include asking a member of staff to concentrate for a term wholly on considering revised teaching patterns across a whole subject area; or permitting a member of staff to teach at another university for a term to foster inter-institutional links, possibly as part of an exchange arrangement.

### 8 *Stipendiary arrangements*

- Sabbatical leave and dispensation from lecturing duties: leave will be granted with stipend (although it may be granted without stipend if taken for the purpose of holding a remunerated visiting appointment under 6 above).
- Leave to hold a public office: leave will be granted without stipend.
- Leave to hold a research award: the arrangements vary depending on the regulations governing the award, but it is normal for individuals holding such awards to continue to receive their usual University stipend, the awarding body either providing funds to make a replacement appointment or reimbursing the University for the individual's salary costs.
- Special leave: leave will normally be granted without stipend, but see 7 above.

### 9 *Implications for future entitlement to sabbatical leave or dispensation from lecturing duties*

Special leave does not count as qualifying service for the purposes of calculating future entitlement to sabbatical leave or dispensation from lecturing duties. However, it does not count against an individual's future entitlement. When special leave has been granted for the purposes of holding a public office or a research award, sabbatical leave is not normally granted in the period immediately preceding or following the period of special leave, although some flexibility may be exercised at the divisional board's discretion in respect of periods of special leave not exceeding one year, especially in connection with the holding of research awards.

I have extensive experience of creating local, national and international collaborations that work. For example, population health science in Oxford was previously fragmented and ranked poorly in the 2008 RAE. Consequently, I proposed that several groups with complementary skills be brought together in the Nuffield Department of Population Health (NDPH), which was established in July 2013. The aims of the new Department are to deliver high quality research that has a major impact on the health of populations around

the world, as well as to train and develop the next generation of researchers in the discipline. Increased sharing of expertise has strengthened the contributions of each of the component parts, and this has already been recognised by Oxford being ranked top in the 2014 REF assessment for population health science.

I am committed to ensuring that all staff have the opportunity to fulfil their potential; not only has the NDPH rapidly achieved Athena Swan Silver Status, but we have also taken a lead in coordinating efforts to address major obstacles (such as the lack of adequate nursery capacity throughout the University). Oxford's new Big Data Institute is helping to build collaborations between health science and bio-informatics. Membership of Council would provide further opportunities to support equitable career development and to develop greater collaboration with other disciplines in the University; for example, identifying ways to ensure that important public health findings are implemented effectively around the world by working more closely with groups expert in international policy, governance and development.

**Huw R Dorkins**, BM BCh MA Oxf, MSc Lond, Fellow of St Peter's, Faculty of Physiological Sciences

*Nominated by:*

The Revd Dr R Waller, Principal of Harris Manchester, Faculty of Theology  
Professor R W Ainsworth, Master of St Catherine's, Faculty of Engineering Science

Mr M D Damazer, Master of St Peter's  
Professor M G Moloney, St Peter's, Faculty of Chemistry

Professor T J Morgan, Oriel, Faculty of Classics

Mr R Ovenden, Balliol, Faculty of History  
Professor P A Robbins, Queen's, Faculty of Physiological Sciences

Dr H L Spencer, Exeter, Faculty of English Language and Literature

Professor M S Williams, New College, Faculty of Engineering Science

Dr A B Zavatsky, St Edmund Hall, Faculty of Engineering Science

*Candidate statement:*

I am standing for the Council place vacated by Professor Wickham's move to be Interim Head of the Humanities Division. While this place is just to the start of MT2016, I feel there should not be any democratic deficit in the representation of members of Congregation.

Despite considerable success in the REF, there are grounds for thinking that the University's finances are under pressure. It seems unlikely that the University can continue to grow at the rate seen in recent years. We need to manage the move to a more steady state. We shall need to balance competing claims on limited resources.

Different pressures are faced by different divisions and each has developed its own strategies to tackle these. For all its successes, the divisional structure has brought its own problems. Colleges should continue have a central role in the work of the University.

Oxford undergraduates continue to benefit from an excellent education, but the experience of their postgraduate colleagues is more mixed. The growth in the number of postgraduates has generated further pressures on the colleges in terms of funding and accommodation. These considerations are important in much needed discussions on the future size and shape of the University.

As Senior Proctor in 2012/13, I have gained some understanding of the workings of Council and all of its major committees. I am a medical geneticist. I have been Fellow and Tutor in Medicine at St Peter's College since 1991 and Deputy Director of the University's graduate entry medical course.

**Professor Kevin Marsh**, MB ChB Liv, Fellow of St Cross, Faculty of Clinical Medicine

*Nominated by:*

Dr P Ariana, Centre for Tropical Medicine  
Professor M J Parker, St Cross, Faculty of Clinical Medicine

Professor Sir Peter Ratcliffe, Magdalen, Faculty of Clinical Medicine

Professor S L Rowland-Jones, Christ Church, Faculty of Clinical Medicine

*Candidate statement:*

I have been a member of staff of the University since 1985 and have held the title of professor of tropical medicine since 1997. Between 1989 and 2014 I directed the University of Oxford associated major research programme in collaboration with the Kenya Medical Research Institute, in Kenya. Whilst my specific research interests are in malaria and child health, I have a wide interest and experience in the contribution of research and policy to development in lower and middle income countries. I have a particular interest in the development of research leadership in Africa and currently act as senior advisor to the African Academy of Sciences.

Oxford University has an extraordinarily wide and deep investment in research in lower and middle income countries across many disciplines. However, this has often been relatively understated in relation to the many other areas of excellence across the university. In an increasingly interconnected world I believe that the university, as a global academic leader, should have a strong and coherent focus on developing equitable partnerships with academia across lower and middle income countries. As a member of council, I would actively promote and support the development of a strong university wide strategic focus on such partnerships.

*Candidate statement:*

I'm Director of the Department for Continuing Education and President of Kellogg College; my experience in these roles means I can bring a fresh perspective to the deliberations of council regarding the future direction of the University. I'm fully supportive of the University's Five-Year Strategic Plan, which, beyond teaching and research embraces a commitment to civic engagement. As Professor of Innovation & Knowledge Exchange, I believe in the importance of interdisciplinarity and widening engagement activities which look outwards beyond academe.

The growth in the activities and reach of the Department for Continuing Education over the past seven years means Oxford is leading developments in this area globally. I'm committed to strive for recognition of how such activities can increase the diversity of the student body and enrich the culture of the University - and the lives of participating students, plus through media and other channels, influence policy makers and politicians.

As head of house, I participate in Conference of Colleges. I'm a co-opted member of the Social Sciences Divisional Board and also serve on the following University Committees: Education, Finance, Student Number Planning, Student Fees & Support, Impact & Knowledge Exchange, and the Board of the Natural History Museum. I'm Treasurer to the Oxford Society [the University's alumni association].

Beyond Oxford I serve on the Council of the Academy of Social Sciences (whose Audit & Risk Management Committee I chair), Finance Committee of UCAS, Economic Advisory Board of Defra, and the UWC Council, as Chair of Governors of UWC Atlantic College.
