Note on procedures in Congregation

¶ Business in Congregation is conducted in accordance with Congregation Regulations 2 of 2002 (<https://governance.admin.ox.ac.uk/legislation/congregation-regulations-2-of-2002>). A printout of these regulations, or of any statute or other regulations, is available from the Council Secretariat on request. A member of Congregation seeking advice on questions relating to its procedures, other than elections, should contact Mrs R Thomas at the University Offices, Wellington Square (telephone: (2)80317; email rebecca.thomas@admin.ox.ac.uk); questions relating to elections should be directed to the Elections Officer, Ms S L S Mulvihill (telephone: (2)80463; email: elections.office@admin.ox.ac.uk).

While COVID-19 working restrictions remain in place, any notice that needs to be given to the Registrar in writing should be sent by email to registrar@admin.ox.ac.uk. Notices sent to the University Offices may not be received.

General Notices

Gazette publication arrangements

Since Trinity term 2020 the *Gazette* has been published online only as a result of office and printer closures.

It has now been decided by GPC and by Council that print production will not resume when COVID-19-related lockdowns end.

The *Gazette* will continue to be published online on Thursday mornings according to its usual schedule. It will also be printed in a limited run for libraries, archives and paid subscribers. These arrangements will be announced once libraries are open again.

Encaenia Garden Party

As detailed in an all-staff email from the Vice-Chancellor, unfortunately there will be no Encaenia Garden Party in 2021. Next year's event will be held on Wednesday 22 June 2022.

Details of this year's Encaenia ceremony, which has been postponed to late September, will be announced in the coming weeks.

Expected phasing out of the University's COVID-19 crisis management framework

There will be significant steps in the coming months towards phasing out many elements of the temporary COVID-19 crisis management framework as the impact of the pandemic recedes. Silver Group has agreed the temporary governance structures should remain in place for Trinity term to allow the University to respond to the gradual lifting of restrictions set out in the government's roadmap. The Hilary and Trinity term Coordination Group will continue for Trinity term to co-ordinate the University's response to the changing government guidance, and to consider planning parameters for Michaelmas term 2021. Other groups will continue

to meet as needed to deal with changes to government advice, or local and national developments.

The framework will then be significantly scaled back from the long vacation onwards, and wherever possible pandemic-related issues will be handled through the usual decision-making structures. Bronze and Silver will remain constituted but meet only when necessary, as will the incident response and expert advisory groups. These limited emergency structures will remain in place over the summer. The University's crisis management framework can be invoked as appropriate in the event of future emergencies.

There are of course lessons to be learnt from the collegiate University's pandemic response; Silver Group has commissioned a review of business continuity and governance arrangements during the pandemic, to report to the University's usual governance committees. Further details will be communicated in due course.

Redundancy Panel

A Redundancy Panel was convened in Hilary term 2021 under Statute XII Part B, section 13, and Council Regulations 2 of 2017, to consider a case for redundancy of an employee on an externally funded open-ended contract. The Panel concluded that the case for compulsory redundancy had been made and authorised the issuing of a redundancy notice by the Head of Department; this notice was duly issued. The decision was not appealed and the deadline for appeals has now passed.

Notes*Electronic elections*

Due to current COVID-19 restrictions, the elections on 10 June will be conducted electronically.

Nominations

Hard copies of nomination forms will not be processed. Completed nomination forms should be sent as an email attachment to the Elections Office (elections.office@admin.ox.ac.uk) by **4pm on 13 May**. At least one nomination in respect of each candidate must be made on an official nomination form (<https://governance.admin.ox.ac.uk/nomination-forms>). Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in Council Regulations 14 of 2002 (General Regulations of Council for Committees (<https://governance.admin.ox.ac.uk/legislation/council-regulations-14-of-2002>)). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information,

please see the eligibility (<https://governance.admin.ox.ac.uk/elections-by-congregation#collapse1580081>) and amendments to nominations (<https://governance.admin.ox.ac.uk/key-election-stages-and-procedures#collapse1577651>) sections within the Information about University elections (<https://governance.admin.ox.ac.uk/information-about-university-elections>) pages of the Elections website (<https://governance.admin.ox.ac.uk/elections>).

Candidate's statement

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought. In the event of a contested election, these statements will be published both online and in the *Gazette*.

Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. A registration email with further instructions will be sent to eligible voters on Wednesday 26 May, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'). Voters will need to respond to the email to confirm their registration and to receive links to the candidate statements and to vote. Candidates' statements will also be published in the *Gazette* dated 27 May. Voters may wish to read these statements before completing their electronic vote. The voting period will close at 4pm on 10 June.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on Thursday, 13 May. When required, places will be allocated according to academic standing, as defined in Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing (<https://governance.admin.ox.ac.uk/legislation/council-regulations-22-of-2002>). If the number of nominations received by the closing date is less than sufficient to fill the

vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

All vacancies are from the beginning of MT 2021 unless otherwise stated. In accordance with Congregation Regulations 2 of 2002, in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.
