Council of the University

Nomination of an external member of Council

Under regulation 9.3 of Congregation Regulations 2 of 2002, the nomination below shall be deemed to be approved unless not later than **4pm on 28 November** the Registrar has received from not fewer than 20 members of Congregation a written request for a postal ballot to be taken in respect of that nomination.

Approval of the nomination of Charles Harman as an external member of Council

The nomination by Council, under the provisions of section 4 (7)–(10) of Statute VI, of Charles Harman as an external member of Council for four years from Hilary term 2020, is submitted for approval.

Notes on the nominated external member of Council

Charles Harman has over 30 years' experience in a variety of commercial and banking roles. He graduated in Philosophy, Politics and Economics (Magdalen, 1984) and joined Credit Suisse First Boston as a graduate recruit, where he was appointed as Managing Director in 1993. Following this he worked in other investment banking roles, particularly focusing on emerging markets.

He joined Cazenove in 2001 as Managing Director, advising a range of FTSE 100 companies, and, following the acquisition of the firm by JP Morgan, was made Head of UK Investment Banking at JP Morgan. In 2011 he was appointed Chief Executive Officer of BXR Partners, an emerging markets investment group, where he was responsible for successfully realigning the firm's investment business across several new sectors and geographical regions, including Africa and South America.

In 2015 he returned to JP Morgan as Vice-Chairman and has responsibility for some of the firm's largest clients from the UK and South Africa.

Charles is also a business ambassador and Chair of the London Leadership Team of United Purpose, an international development charity, and Chair of Peters,

Fraser & Dunlop, a UK-based literary agency and publisher. He has been a member of Council since Hilary term 2018 and also serves on the Finance Committee, the Nominations Committee and the Committee to Review the Salaries of Senior University Officers.

Council of the University

Changes to Regulations

Council has made the following changes in regulations, to come into effect on **29 November**.

(a) Regulations for the administration of the University's Intellectual Property Policy

Explanatory Note

On the recommendation of the Research and Innovation Committee and the Planning and Resource Allocation Committee, and in response to the priority in the University Strategic Plan 2018–23 to increase capacity to make strategic investment in research (Priority 10), Council has approved the creation of a Strategic Research Fund (SRF). The SRF will focus on making major transformative investments, beyond the means of any single unit and spanning disciplines, which position the University for global pre-eminence in a significant research area in 3–5 years' time. The intention is that the SRF will invest £5–10 million in total per annum in its initial years of operation.

The proposed initial sources of funding for the SRF include unrestricted trust fund and endowment income, philanthropy and that part of the returns from the exploitation of intellectual property that are allocated to the University centrally (the Capital Fund and the General Revenue Account).

Text of Regulations

In Council Regulations 7 of 2002, amend Parts 6–7 as follows (new text underlined, deleted text struck through):

'6. (1) Where exploitation is through the medium of a company formed for the purpose, royalty or sales fee income received by Oxford University Innovation Limited or the University

from the company shall be treated in accordance with regulation 7 below.

(2) The respective shareholdings in the company of the researchers and the University (or Oxford University Innovation Limited) shall be negotiated at the time of formation or capitalisation; and unless otherwise agreed, revenues generated by the shareholdings (both capital and income receipts) shall be retained by the shareholders, and shall not be subject to distribution under regulation 7 below.

(3) If the intellectual property transferred to the company benefited from a grant by a fund administered by the University or Oxford University Innovation Limited under an arrangement which recognised the grant by earmarking some of the University shareholding, revenues generated by those earmarked shares (both capital and income receipts) shall be re-invested in the fund. Other revenues generated by the University's shareholdings (both capital and income receipts) shall be distributed as follows:

	%
Oxford University Innovation Limited	15
Department/Faculty	25
John Fell Fund	10
Capital Fund ¹	50

¹The first £10 million of revenues generated by the University's shareholdings in any company which is due to the Capital Fund under the above table shall instead be allocated to the Strategic Research Fund (amounts above £10 million shall revert to the Capital Fund).

7. (1) In this regulation the expression "net revenue" means gross revenue less professional fees and expenses and other outgoings in managing and protecting the intellectual property (including 30% as a contribution towards the costs of Oxford University Innovation Limited); procuring any necessary clearances, rights and approvals; and making arrangements for exploitation.

(2) "University milestone payment" means a payment which is referable to the progress of research or development by the University, but which is not covering or supporting the cost of such research or development: the expression does not include a payment for the right to use intellectual property, or a payment referable to the progress of research or development by a party other than the University (such as a licensee).

(3) Subject to paragraph (7) below, ~~Where~~ where there is a receipt by the University which is in the nature of a University milestone payment, no part of the net revenue shall be distributed to the researcher: the net revenue shall be distributed as to 40 per cent to the General Revenue Account and as to 60 per cent to the department(s).

(4) Subject to paragraph (7) below, ~~Other~~ net revenue received by the University shall be distributed as follows, unless otherwise specified in arrangements for commissioned works:

appropriate, and if deemed appropriate by the Committee, offer feedback and advice to Council on policies or strategy for fundraising and alumni relations;

(3) seek to promote and facilitate fundraising and alumni relations within the collegiate University; and

(4) refer cases which in its view raise issues of a reputational, ethical or similar nature to the Committee for the Review of Donations Committee to Review Donations and Research Funding;

Total net revenue	Researcher(s)	General Revenue Account	Department(s)
Up to £50K	85.7%*	14.3%*	0%
Band from £50K and up to £500K	45%	30%	25%
Over £500K	22.5%	40%	37.5%

2 In Council Regulations 1 of 2010, concerning the Financial Regulations, amend Part 2.3 as follows (new text underlined):

2.3 Philanthropic Donations

(1) The Gift Registry oversees the management of philanthropic donations, gifts and associated income. Advice should be sought from the Gift Registry where uncertainty exists on the nature of a receipt. All such cash gifts and grants, and all other undertakings to make future payment, must be directed, forwarded or otherwise notified promptly to the Gift Registry with the supporting information prescribed in the Cash Handling and Banking process. The Gift Registry operates a dedicated bank account for the receipt and management of such donations in the name of University of Oxford Development Trust Fund (OUDT).

(2) If such a cash gift or grant exceeds £20,000, or involves future payment, no payment should be accepted, conditions agreed, or formal receipt provided, without prior reference to the Development Office.

(3) The Registrar, the Pro-Vice-Chancellor (Development and External Affairs), the Director of Finance and the Chief Development Officer are authorised to issue a formal receipt on behalf of the University. The Chief Development Officer has delegated this activity to the Gift Registry.

(4) Where necessary, and in consultation with the LSO and the Taxation team, the Development Office will determine: whether a gift should simply be received and acknowledged; whether a University trust regulation should be made; whether an undertaking to make future payments should be made the subject of a binding covenant; whether the commitment to future payment is more in the nature of a nonbinding pledge.

The percentage asterisked above in the General Revenue Account column is intended to put the University in funds to pay all Employer's salary costs, such as National Insurance, Apprenticeship Levy, and any other payroll-related taxes imposed by HMRC, but otherwise to leave the General Revenue Account out of the allocation of the band in question. Both asterisked percentages shall be adjusted to match this intention, as and when the rates of said costs vary.

(5) Where intellectual property benefits from a grant by a fund administered by the University or Oxford University Innovation Limited, the distribution of net revenue shall follow the table in paragraph (4) of this regulation, save that the shares payable to the General Revenue Account (or an appropriate proportion of those shares, where the grant by the fund represents only a part of the funding for the development of the intellectual property) shall be passed instead to the fund once the University has discharged its obligation to pay the employer's National Insurance Contribution(s).

(6) Whenever the intellectual property in question consists in courseware, or in commissioned works for incorporation in or conversion into courseware, the percentages in paragraph (4) above, in all but the lowest band, shall be adjusted so that the aggregate of the percentages allocated to the General Revenue Account and to departments shall be divided as to one-third to the General Revenue Account, one-third to departments, and one-third to the e-learning Development Fund.

(7) The first £10 million of net revenues from any single commercialisation event

due to the General Revenue Account under paragraphs (3) and (4) above will be allocated to the Strategic Research Fund. Any such net revenues arising from a single commercialisation event above this amount shall revert to the General Revenue Account. Income due to the General Revenue Account under paragraphs (5) and (6) shall be unaffected and remain allocated to the General Revenue Account in full.

(b) Regulations for the Committee for Development and Alumni Relations and the Financial Regulations

Explanatory Note

The following changes are made to substitute in the new name of the Committee to Review Donations, which was renamed as the Committee to Review Donations and Research Funding in Trinity term 2019 (see *Gazette* No 5429, 25 July 2019, p632).

Text of Regulations

1 In Council Regulations 15 of 2002, in Part 17 relating to the Committee for Development and Alumni Relations, amend regulation 17.3 as follows (new text underlined, deleted text struck through):

17.3. The committee shall:

(1) advise Council on strategy and policy relating to development and alumni relations and the alignment of development and alumni relations priorities with the strategic objectives of the University;

(2) monitor the implementation and effectiveness of the University's policies and procedures relating to development and alumni relations, reporting and referring matters to Council as

(5) All future commitments shall be made the subject of a binding covenant where decisions on University expenditure have to be made in advance of receipt of the funds.

(6) Where necessary, trust regulations, prepared by secretaries to divisional boards (or their equivalent in the case of budgetary units not in divisions) and taking advice where necessary from the LSO, are approved by the General Purposes Committee of Council, having authority to approve trust regulations under Council Regulations 15 of 2002.

(7) In considering the acceptability or otherwise of any donation, the Development Office must have regard to the guidelines made under Council Regulations 15 of 2002 concerning the Committee to Review Donations and Research Funding. In particular the Development Office must have regard to the possibility that funds may originate from illegal sources. They should exercise particular caution where:

- (a) having been offered large donations from persons unknown to them, they do not receive satisfactory replies to the further enquiries they make;
- (b) donations are conditional on particular individuals or organisations being used to do work for the University;
- (c) offers of donations in cash are made for a certain period of time, during which the University receives the interest, before the capital sum is returned to the donor at the end of the specified period;
- (d) offers of donations in foreign currencies are made for a certain period of time, during which the University receives the interest, before the capital sum is returned to the donor in the form of a sterling cheque at the end of the specified period. All such cases must be referred promptly to the Registrar, and advice should be sought from the LSO.

(8) Every proposed donation to the University of £20,000 or more, and cumulative gifts equal to or exceeding, in total, £20,000, must be reviewed under the framework for the acceptability of donations and research funding for a decision on whether its acceptance may breach the guidelines governing the acceptance of gifts by the University (cumulative gifts shall be treated as

one gift and a decision taken at the point when the threshold of £20,000 is crossed). This may involve a referral to the Committee to Review Donations and Research Funding. When it is the judgment of the Pro-Vice-Chancellor (Development and External Affairs) that acceptance of any donation may breach those guidelines* he/she must refer the donation to that body for its consideration and decision.

* The guidelines governing the acceptance of gifts by the University are made under the authority of Council Regulations 15 of 2002 concerning the Committee to Review Donations and Research Funding.

3 Ibid, amend Part 4.1 as follows (new text underlined):

‘4.1 Research Projects

- (1) All financial matters relating to research awards and contracts must be managed in accordance with the University’s Managing Research Awards and Projects process.
- (2) All applications to outside bodies for research funds must be submitted via RS. Every application of £20,000 or more will be reviewed under the framework for the acceptability of donations and research funding for a decision on whether its acceptance may breach the guidelines governing the acceptance of gifts by the University (which may involve a referral to the Committee to Review Donations and Research Funding). When it is the judgment of the Pro-Vice-Chancellor (Research) that acceptance of any funding may breach those guidelines he/she must refer the funding to that body for its consideration and decision.
- (3) In terms of expenditure incurred on a research award or contract, heads of unit are responsible for ensuring that:
 - (a) all applications to outside bodies are prepared in accordance with University’s Policy on the Costing and Pricing of Research (thereby complying with the Government’s Transparent Approach to Costing (TRAC) Guidance and Full Economic Costing (FEC) Guidelines);
 - (b) the funds awarded by the research funder are sufficient to meet the financial commitments required under the award;
 - (c) wherever possible, budgetary units should recover the FEC of research undertaken and when it is not possible to recover FEC, units should

consider the impact on the overall position of the unit;

(d) the unit has procedures in place to manage compliance with research funder terms and conditions on different awards, and maintains an adequate audit trail.

(4) The application of financial limits on the approval of expenditure on research awards should be made by reference to Table B above.

(5) RS is responsible for negotiating research and research-related contracts and grant conditions on behalf of the University.

(6) The accounting for all research projects undertaken by the University is overseen by Research Accounts in the Finance Division, which must also raise all invoices, claims and financial statements for externally funded research awards.

(7) Principal investigators are responsible to heads of units for ensuring that they comply with these regulations, and that research and expenditure are undertaken in compliance with the terms and conditions of each award funder.’

(c) Regulations for the Pitt Rivers Museum, the History of Science Museum and the Oxford Botanic Garden and Arboretum

Explanatory Note

The following changes are made to correct minor errors identified in the drafting of Council Regulations 4 of 2019 (Pitt Rivers Museum), Council Regulations 5 of 2019 (History of Science Museum) and Council Regulations 6 of 2019 (Oxford Botanic Garden and Arboretum). In the regulations for the Oxford Botanic Garden and Arboretum there is a duplication of persons appointed by Council so the ‘three individuals appointed by Council, who need not be members of Congregation and may be internal or external’ are deleted.

Text of Regulations

1 In Council Regulations 4 of 2019, amend regulation 3 as follows (new text underlined, deleted text struck through):

3. The Visitors of the Pitt Rivers Museum shall be:

Congregation 3 December

¶ Members of Congregation are reminded that any two members may, not later than **noon on 25 November**, give notice in writing to the Registrar that they wish to oppose or amend the legislative proposal below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the legislative proposal shall be declared carried, and the meeting may be cancelled.

Voting on Legislative Proposal: Statute VI

Explanatory Note

The legislative proposal below provides for changes to the composition of, and attendance at, Council, following recommendations in the self-review of effectiveness carried out by Council in the last academic year in accordance with regulation 11 of Council Regulations 13 of 2002, and a change to the age limit of external members made on the recommendation of Council's Nomination Committee.

Number of external members

Arising from Council's self-review of effectiveness, the proposed change to section 4 increases the number of external members from four to five, given the value that is added to Council discussion through access to external expertise and perspective. Additionally this will permit the external members to share the additional time commitment of attendance at Council committees. The remainder of the section, and cross-references to it elsewhere in the Statute, have been revised accordingly.

Age limit for external members

On the recommendation of the Nominations Committee and Council, the proposed change to section 11(3) raises the age at which external members of Council must step down from 66 to 75. This change is proposed to bring the age limit in line with the maximum age for faculty membership, and to widen the pool of potential nominees for external member positions.

Attendance at Council of a representative of the early career research staff

Arising from Council's self-review of effectiveness, the proposed change to section 13 provides for the attendance at Council of a representative of the early career research staff on the same basis as the student representatives, to provide a voice at Council for such an important staff group. The representative would attend for unreserved business and would not be able to vote. Further discussion will take place with the early career research staff community and Research and Innovation Committee on the means of appointing the representative and the period of office. Following that, changes will be made to Council Regulations 13 of 2002, which will be published in the *Gazette* in the usual way, to take effect if and when the proposed changes to Statute VI are approved. Meanwhile Council is minded to invite a representative of the early career research staff to attend its meetings ahead of the formal changes taking place.

Other changes

References to gender identity have been removed throughout.

In section 7(4)(a)(ii), the cross-reference to regulation 9 of Council Regulations 21 of 2002 has been updated to refer to regulation 10, following changes to those regulations with effect from 11 July 2014, as had already been flagged on the Statutes and Regulations website.

In sections 25 and 26, cross-references to sections 22 and 23 have been corrected to refer to sections 23 and 24.

In section 9(1)(a) the reference to the Charities Act 1993 has been updated to refer to the Charities Act 2011.

WHEREAS it is expedient to change the existing provisions of Statute VI, concerning Council, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council (excluding sections 19 to 26), AS FOLLOWS.

1 In Statute VI, concerning Council, amend as follows (new text underlined, deleted text struck through):

General Notices

Recognition of Distinction

2020 EXERCISE

Applications are invited for the 2020 Recognition of Distinction exercise to confer the title of full professor at the University of Oxford. The closing date for applications will be **noon on 7 January 2020**. All those employed by the University in academic or senior research roles are eligible to apply, as are other University employees who are making a significant and sustained academic contribution to the University. Applications are especially welcome from under-represented groups in order to address the under-representation of women and minority ethnic staff among the University's senior academics.

The online system will be open for applications between **Wednesday, 13 November 2019** and **noon on Tuesday, 7 January 2019**.

The call for applications and procedures document with full details of the exercise and how to apply is available at: www.admin.ox.ac.uk/personnel/staffinfo/recognition.

Industrial action

Following a ballot of UCU Oxford members on pay and conditions, industrial action will take place at universities around the country including Oxford. UCU has given notice of intention to take action with strike days planned for 25-29 November and 2-4 December; action short of a strike will start on 25 November and terminate no later than 29 April 2020.

The industrial dispute is between the University and UCU and therefore only applies to University employees and work within the University and not to college duties; members of staff who are not taking strike action should attend work and continue business as normal. Further information will be available on the Staff Gateway.

University Calendar

ONLINE EDITION

As of Michaelmas term 2019, the *University Calendar* is now published online and is accessible to members of the University with a Nexus single sign-on. We aim to update the *Calendar* at least once a term, as well as the main update in Michaelmas term each year. The latest version of the *Calendar* can be found on the *Gazette* website at: <https://gazette.web.ox.ac.uk/university-calendar>.

The online edition follows the content of the print edition, but contains links to departments, colleges and other University entities. It omits the printed version of Council and committee memberships in favour of links to the online record of such memberships, which are kept up to date.

PRINT EDITION

The print edition of the *University Calendar* is published annually in Michaelmas term. Individual entries are sent out to be updated to departments, faculties, colleges and other centres and institutions in Hilary term, but we are happy to receive updates all year round.

Because the *Calendar* is now available online to all staff, and because many copies of the *Calendar* were being printed needlessly, we have greatly reduced the number of copies printed and have restricted print distribution to those individuals and institutions for whom a print edition is essential. All library copies are still being printed and distributed. If you previously received a printed *University Calendar* and have not received one this year, and if you have a genuine need for a print copy, please contact us at gazette@admin.ox.ac.uk. Copies can also be purchased from OUP once the *Calendar* is published this month.

UPDATES AND CORRECTIONS TO THE UNIVERSITY CALENDAR

We encourage divisions, departments, colleges and other institutions featured in the *Calendar* to send us updated information on a schedule which suits them, but we do aim to update the online *Calendar*

at least once per term. We are happy to receive updates either piecemeal as they occur, or on a termly basis; we will send reminders once per term to our existing contacts.

If any individual spots an error in their own (or another's) listing, please do let us know. We will correct the online edition straightaway and the print edition will be updated in the following Michaelmas term.

For further information or to send us update/correction notices, please email gazette@admin.ox.ac.uk.

Guidelines for academic leave

Academic staff are reminded of the guidelines for applying for and taking leave, which are published on the Personnel Services website: www.admin.ox.ac.uk/personnel/staffinfo/academic/guidelinesforleave.
