Council and Main Committees

Council of the University

Council has made the following changes to regulations, to come into effect on **30 January**, unless notice of a resolution calling upon Council to annul or amend

Regulations for University Officers

Explanatory Note

The roles of Pro-Vice-Chancellors with portfolio are largely fractional to allow for coverage of a broader set of key portfolios, and to enable postholders to continue in their academic roles part time. Due to the need to create more flexibility with the amount of time dedicated to the Pro-Vice-Chancellor portfolios, Council has agreed that the total full-time equivalent allowance for these appointments be increased from 5 to 6. Numbers are also being written as numerals rather than words, in line with Oxford style guidance.

Text of Regulations

In [Council Regulations 21 of 2002](#), concerning University Officers, amend as follows (new text underlined, deleted text struck through):

the regulation is received by the Registrar by **noon on 26 January** (as set out in section 19(1)(a) of [Statute VI: Council](#)).

‘10. (1) There shall be no more than the equivalent of ~~five~~6 full-time Pro-Vice-Chancellors who shall be appointed by the Vice-Chancellor subject to the approval of Council and each of whom shall have special responsibility for designated functions as agreed by Council on the recommendation of the Vice-Chancellor.

(2) The period of the appointment of these Pro-Vice-Chancellors, shall be determined by Council on the recommendation of the Vice-Chancellor.

11. The Vice-Chancellor may appoint any members of Congregation as additional Pro-Vice-Chancellors, on condition that the total number of such additional Pro-Vice-Chancellors serving at any one time shall not exceed ~~ten~~10.’

General Purposes Committee of Council

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on **30 January**, unless notice of a resolution calling upon

(a) Moores Professor of Management Studies

Explanatory Note

These proposed changes are to add research to the duties of the professor, to update the requirement to consult with the Peter Moores Foundation, as this foundation no longer exists, and to reflect the current department and divisional structure.

Text of Regulations

In [Council Regulations 24 of 2002](#), concerning the Moores Professorship of Management Studies, amend as follows (new text underlined, deleted text struck through):

‘1. The Peter Moores Professor of Management Studies shall undertake research, lecture and give instruction in Management Studies.

2. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor, or, if the Warden of Wadham College is Vice-Chancellor, a person appointed by Council;

Council to annul or amend the regulation is received by the Registrar by **noon on 26 January** (as set out in [Statute VI: Council](#)).

(2) the Warden of Wadham College, or, if the Warden is unable or unwilling to act, a person appointed by the governing body of the college;

~~(3) the Peter Moores Director of the Saïd Business School;~~

~~(4) a person appointed by the Governing Body of Wadham College;~~

~~(3), (4)(5), (6) two persons appointed by Council, one of whom shall be appointed after consultation with the Peter Moores Foundation or its nominated representative;~~

~~(7) a person appointed by the General Board;~~

~~(9), (10) two persons appointed by the Board of the Faculty of Social Studies.~~

(5) the Head of the Social Sciences Division, or their nominee;

(6)–(8) three persons appointed by the Saïd Business School

(b) Professor of Medical Statistics

Explanatory Note

These regulations are being amended to reflect the decision to rename the Professorship of Medical Statistics to the Professor of Regulatory Health Data Science, in alignment with the department's strategic priorities.

Text of Regulations

In [Council Regulations 24 of 2002](#), concerning individual professorships, change the name of the Professorship of Medical Statistics as follows (new text underlined, deleted text struck through):

~~'Professor of Medical Statistics~~Professor of Regulatory Health Data Science

1. The Professor of ~~Medical Statistics~~Regulatory Health Data Science shall undertake research, lecture and give instruction in ~~Medical Statistics~~Regulatory Health Data Science.

2. The professor shall be elected by an electoral board consisting of:

3. The professor shall be subject to the General Provisions of the ~~regulations~~decree concerning the duties of professors and to those Particular Provisions of the same ~~regulations~~decree which are applicable to this chair.'

The meeting of Congregation is cancelled. The sole business comprises questions to which no opposition has been notified and in respect of which no request for adjournment has been received, and the Vice-Chancellor will accordingly declare the changes to regulations carried without a meeting under the provisions of Section 7 (1) of Statute VI.

Congregation 10 February

The following resolution will be deemed to be approved at **noon on 10 February** unless by that time the Registrar has received notice in writing from 2 or more

members of Congregation that they wish the resolution to be put to a meeting of Congregation.

Voting on a Resolution authorising the allocation of space called the Garden Land to Kellogg College

Explanatory Note

As required by section 4 of Statute XVI, approval of this resolution is requested because of the size of the proposed space allocation.

The Garden Land comprises land which has previously been allocated in its entirety between Reuben and Kellogg Colleges on 21-year terms for use as amenity land in conjunction with the use of the villas as graduate accommodation. 2–6 Winchester Road was allocated to Reuben College from 1 August 2024; 49 and 55 Banbury Road were allocated to Kellogg College, also from 1 August 2024; 47 Banbury Road was allocated to Kellogg from 17 October 2025 following the decant of the Faculty of History to the Schwarzman Centre; 51–53 Banbury Road has been allocated in principle to Kellogg but remains occupied by the School of Anthropology and Ethnography (SAME) until the development of 25 Wellington Square has completed (estimated 2029 at the earliest). In each case, the allocations were subject

to take-back provisions in relation to the rear gardens, and with the express proviso that no development could be undertaken in the gardens, with the intention being that a further allocation would be brought forward if the development of the new builds by either college were to proceed. Reuben College has withdrawn from the project and notice has been served to call back the rear gardens of 2–6 Winchester Road to facilitate their re-allocation to Kellogg College as part of the Garden Land allocation. In addition, the rear gardens of 51–53 Banbury Road will be withdrawn from functional use, albeit the building will remain occupied by SAME. The new Garden Land allocation will expressly permit the construction of 3 new-build graduate accommodation blocks, supporting Kellogg's commitments to increase graduate numbers.

Text of Resolution

That the site comprising approximately 1,773 sqm of land currently forming the rear gardens of 2–6 Winchester Road and 47–55 Banbury Road (the Garden Land), be allocated to Kellogg College for a term of 21 years from a commencement date provided for in the Heads of Terms (after Kellogg has evidenced funding for the project, obtained the necessary University governances for the allocation and Heads of Terms, and entered into a building contract), for the construction of 3 new-build graduate accommodation blocks, together with associated landscaping works.

In addition, that further land comprising approximately 602 sqm at the rear of 2–6 Winchester Road and front and rear of 45 Banbury Road be allocated to Kellogg College on a temporary basis for the period of the construction works, for use by the contractor and to undertake landscaping works as part of the project.

Meeting information

Members of Congregation are reminded that any 2 members may, not later than **noon on 2 February**, give notice in writing to the Registrar that they wish to oppose or amend the resolution above (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned the resolution shall be declared carried, and the meeting may be cancelled.
