**We are a couple who require an egg donor** in order to have a family. For ethical reasons, we do not seek an undergraduate egg donor. Any kind person considering donation should make a carefully considered and informed decision. We seek a mature Oxbridge graduate between the ages of 22 and 35 years to donate. I have an Oxbridge PhD, blue eyes and enjoy the outdoors. We are looking for someone altruistic enough to help me

become a mother. We have undergone IVF unsuccessfully, together. I am told that I am healthy and able to carry a child. However, my egg quality has declined, so we seek the help of a kind donor. My partner is similar to me but with demonstrably high fertility. We would consider donating sperm in a reciprocal arrangement with an egg donor. If you would consider helping us, please email: seeking797@gmail.com.
