Consultative Notices

Call for nominations for Honorary Degrees and for Degrees by Diploma

The Committee on Honorary Degrees is seeking honorary degree nominations. Nominations can be made by current members of Congregation via the online form: <https://forms.office.com/e/u1kmkyKYmR>.

When considering possible honorands, the Honorary Degrees Committee will focus on individuals:

- of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford;
- distinguished in the visual, literary, musical, and performing arts or in sports;
- distinguished in business and industry;
- who have played a distinguished role in public life, for example in contributing to progress and change in society;
- who have made a significant contribution to the activities of the University of Oxford – such individuals would normally also fall into one of the categories above.

Within those categories, the Honorary Degrees Committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University's activities.

When a degree is conferred upon a royal personage or upon the head of a foreign state it will be conferred by diploma.

The Honorary Degrees Committee has adopted a target that half of the final list of names proposed for the conferment

of honorary degrees be women and/or from minoritised groups. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee.

Further information: <https://governance.web.ox.ac.uk/committee-on-honorary-degrees>. Lists of previous recipients for the last ten years are available at: www.ox.ac.uk/news-and-events/The-University-Year/Encaenia.

While nominations may be submitted throughout the year, the deadlines for nominations for Encaenia 2025 are **12 February 2024** and **13 May 2024**. Nominations are kept under consideration by the committee for three years (the year of nomination, plus two years) so only need to be resubmitted if there has been a significant change in the case for the nomination.

Oxford University Museum of Natural History

REQUEST FROM THE HOPI TRIBE CULTURAL PRESERVATION OFFICE FOR THE RETURN OF ONE HOPI TRIBE CRANIUM HELD IN THE COLLECTIONS OF THE OXFORD UNIVERSITY MUSEUM OF NATURAL HISTORY

In accordance with the procedure for dealing with repatriation claims set out in the University's Human Remains Policy and Procedures for the return of Human Remains, the Visitors of the Oxford University Museum of Natural History (OUMNH) has considered a claim from the Hopi Tribe Cultural Preservation Office for the repatriation of a human cranium (accessioned with the reference number OUMNH-ZC-21986) collected in 1900 by the Field Museum of Natural History in Chicago and exchanged with the OUMNH in 1929. The Visitors are recommending that the Council agree to the return of these remains.

The procedure for claims to return human remains as laid out in the Policy on Human Remains held by the University

of Oxford's Museums (www.glam.ox.ac.uk/human-remains-policy) requires that, when the governing body of the relevant museum has submitted a claim, notice of the recommendation and availability of the dossier of the case for consultation should be advertised in the *Gazette*, giving parties with an interest an opportunity to comment. Any comments received are to be considered by Council in reaching a final decision on the recommendation submitted by the Board of Visitors of the Museum.

The dossier may be consulted on application to Mark Carnall, Collections Manager, Life Collections (Human remains + non-insect invertebrates), Oxford University Museum of Natural History, South Parks Road, Oxford, OX1 3PP (email: mark.carnall@oum.ox.ac.uk).

Any submission regarding the Visitors' recommendation should also be sent to Mark Carnall by **12 February**.

Congregation elections

CURATORS OF THE SHELDONIAN THEATRE

- One member of Congregation, elected by Congregation, to serve with immediate effect until the start of MT 2024 [*vice* Genevieve Garrido]

The terms of reference and membership of this body are set out in [Council Regulations 2 of 2004](#).

The curators oversee the ceremonial and governance functions of the theatre, and monitor its use as a venue. They meet 3 times per year and meetings usually last between 1–2 hours. Nominations from a diverse range of Congregation members are encouraged, particularly those from underrepresented groups.

For further information, please contact the Secretary (john.weston@admin.ox.ac.uk).

STATUTE XII POOL FOR CONSTITUTING PANELS

- 2 members of Congregation to whom Statute XII applies, to represent the Division of Humanities, elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, to represent the Division of Mathematical, Physical and Life Sciences, elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 3 members of Congregation to whom Statute XII applies, to represent the Division of Medical Sciences, elected by members of Congregation: one to serve with immediate effect until the start of HT 2025 [*vice* Professor Richard J Gibbons, Green Templeton, Radcliffe Department of Medicine]; and two to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, to represent the Division of Social Sciences, elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, to represent Gardens, Libraries and Museums (GLAM), elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, to represent University Administration and Services (UAS), elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]
- 2 members of Congregation to whom Statute XII applies, not necessarily representing any division and not in any case being nominated in a divisional capacity, elected by members of Congregation, to serve with immediate effect until the start of TT 2028 [new positions]

General information about the Pool

The terms of reference and membership of this body are set out in [Council Regulations 3 of 2017](#).

The Pool is comprised of 46 persons, elected by Congregation, in one of seven constituencies: each of the four academic divisions; Gardens, Libraries and Museums; University Administration and Services; and non-divisional (not necessarily representing any division and not in any case being nominated in a divisional capacity). By convention, it is expected that candidates for election to represent a constituency will also be a member of that constituency.

All members of Congregation are eligible to nominate a candidate or to vote in the above elections, but prospective candidates who want to stand for election must be a member of Congregation to whom [Statute XII](#) applies (that is: professors, readers, associate professors or lecturers; any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV; and the Vice-Chancellor to the extent and in the manner set out in Part G of Statute XII). College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Reuben, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute

XII in respect of their University contract of employment and duties.

The full term of office is four years (or less, when a by-election is held to fill the residue of the term of office for an elected member who is standing down early).

Further information about the Pool

Members of the Pool will be chosen by lot to serve on a number of Panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2)) and may be expected to also chair a Panel. Before serving on a Panel, each member of the Pool will be required to attend appropriate training, including on equality and diversity, which takes about half a day in total. Because members of the Pool are chosen by lot, it is hard to predict how many times a member will be asked to serve, but at the very most this is likely to be three Panels in a year (and often less), which each take around a day – before the hearing there will also be a large bundle of papers to read. Nominations from BME staff, from men and from academic and research staff are particularly encouraged. No particular skills/experience are necessary, but an interest in staffing matters is helpful.

For further information, please contact the Secretary (kathryn.fairhurstjones@admin.ox.ac.uk).

Divisional Boards

MATHEMATICAL, PHYSICAL AND LIFE SCIENCES BOARD

- One person elected by and from among the members of the Faculty of Engineering Science, to serve with immediate effect until the start of MT 2025 [vice Professor Thomas AA Adcock, St Peter's]

The terms of reference and membership of this body are set out in [Council Regulations 17 of 2002](#).

For further information, please contact the Divisional Registrar (tracy.gale@mpls.ox.ac.uk).

Notes

Electronic elections

The elections on **Thursday, 29 February** will be conducted electronically.

Nominations

Hard copies of nomination forms will not be processed. Nominations should be made on an [official nomination form](#). [Completed nomination forms](#) should be sent as an email attachment to the Elections Office (elections.office@admin.ox.ac.uk) by **4pm on Thursday, 1 February**.

Please ensure that the nominators listed in section D are also copied into the email when the nomination form is submitted, as this will act as verification of the nomination in lieu of supplying original signatures.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in [Council Regulations 14 of 2002 \(General Regulations of Council for Committees\)](#). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information, please see the [eligibility](#) and [amendments to nominations](#) sections within the [Information about University elections pages](#) of the [Elections website](#).

Candidate statements

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought.

Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on Wednesday, 14 February, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'). Candidates' statements will also be published in the *Gazette* dated Thursday, 15 February. Voters may wish to read these statements before completing their electronic vote. The voting period will close at **4pm on Thursday, 29 February**.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on **Thursday, 1 February**. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

All vacancies are with immediate effect unless otherwise stated. In accordance with [Congregation Regulations 2 of 2002](#), in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.

Further information

For further information, please contact the Elections Office (elections.office@admin.ox.ac.uk).
