26 March

Degree by Resolution

This content has been removed as it contains personal information protected under the Data Protection Act.

24 April

No notice of opposition or request for adjournment having been received, the Chair will accordingly declare the resolutions at (1) below carried at the meeting.

(1) Voting on Resolutions approving the conferment of Honorary Degrees

(For explanatory note and text of resolution see Gazette No 5200, 22 March 2018, p367)

(2) Topic for Discussion on proposed changes to the USS pension scheme and the background to the current dispute

A discussion on ‘proposed changes to the USS pension scheme and the background to the current dispute’ will take place on 24 April (week 1) at 2pm, open to members of Congregation. There have been a number of significant developments since the original notice was provided in the Gazette and there may be still further developments prior to the meeting itself. Given the evolving nature of the negotiations concerning USS, it is recognised that the content of the topic for discussion will reflect the position as it stands at the time of the meeting.

As stated in the original notice of this meeting, Council wishes to reiterate its commitment to enabling the University and its USS staff to look for common ground and enable Oxford to play its full part in developing a sustainable solution to the USS pension issues.

At Council’s meeting on Monday 12 March the USS scheme was discussed in some depth and it was agreed by Council that this present discussion should take place. Council also agreed that:

- the Pensions Working Group should actively seek new solutions to the problem of the USS deficit and the sustainability of the scheme. The Working Group will continue to look for ways to develop new approaches that meet the needs of all concerned, and feed these into the discussions which we hope will continue between UUK and the UCU;
the Pensions Working Group should be expanded to include members of the USS scheme and younger members of the University who may be particularly affected by the proposed changes. In setting up the Working Group, Personnel Committee and Council were guided by concerns about conflict of interest, and so the Working Group’s membership was skewed away from those who were current members of the USS scheme. Council now considers that those legitimate concerns are overridden by the need to take full account of the interests of members of the scheme.

• Council wishes to make clear its commitment to ensuring that any consultation on changes to the USS scheme is given sufficient time to have a meaningful effect. The timing of the consultation period will be confirmed as soon as possible. Pensions law requires that the USS valuation concludes by 30 June. The University will ask UUK to press for an extension to that deadline to give more time to take into account all views and suggestions which are offered during the consultation, or to take account of a delay to the whole process.

Since the original notice of this meeting, Council issued the following statement on 4 April 2018.

Council notes the ongoing negotiations between UCU and UUK and will make every reasonable effort to resolve the current dispute within the national framework of USS. Although the outcome of the current negotiations remains unclear, Council will seek to provide pension provision for USS members employed by the University that is of the same standard as currently available, subject to the duties of the Council, as a trustee body, to serve the interests of the University as a whole. Council resolves to treat achieving this objective as an issue of high priority for the University. It will ensure that all members of Council are fully involved in Council’s deliberations on pension provision, and that they will regularly review the delivery of the above objectives and report to Congregation in a timely and transparent manner.

Arrangements for the meeting

Attendance and timings

The meeting will be held in the Sheldonian Theatre. Attendance at the meeting is open to members of Congregation and to nominated representatives of the Oxford University Student Union (OxfordSU) as agreed in advance by the Vice-Chancellor. Admittance to the theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the theatre will open at 1.45pm and will remain open throughout the meeting. The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

Advance notice by speakers

Those wishing to speak at the meeting are asked to indicate this intention by emailing congregation.meeting@admin.ox.ac.uk at the latest by noon on Friday 20 April. It would be helpful if members of Congregation intending to speak would explain in no more than 25 words what issues they wish to cover. Owing to time constraints, it may not be possible to call all those who wish to speak. On the other hand, if time permits, those who have not indicated in advance may have an opportunity to speak.

Transcript

It is intended that a transcript1 of the meeting will be published in the Gazette of 3 May and, before then, on the Congregation website. As a result of time constraints, it may not be possible to check the report of the proceedings with individual speakers before publication. Speakers are asked to provide their written texts by email to congregation.meeting@admin.ox.ac.uk by 9am on Wednesday 25 April.

Ticket registration for Encaenia, taking place this year on Wednesday 20 June, will open online on 24 April. Interested guests are encouraged to visit www.ox.ac.uk/encaenia for information on eligibility, registration process, dress codes, event timings and
answers to frequently asked questions. Invitations to the Encaenia Garden Party will be sent electronically at the end of April to all those eligible to attend.

LORD CREWE’S BENEFACATION

Heads of House, University Officers (as given in Statute IX), holders of the Oxford degrees of Doctor of Divinity, Civil Law, Medicine, Letters, Science and Music, and the honorands are invited to partake of Lord Crewe’s Benefaction to the University on the morning of the ceremony and then to walk in procession to the Sheldonian Theatre. Holders of the Oxford Higher Degrees (described above) who wish to participate are invited to contact the Events Office at encaenia@admin.ox.ac.uk or on 01865 280524 for more information. All other guests, listed above, will be sent an invitation by the Events Office.

Industrial action

The UCU called upon its members to take strike action related to the dispute over proposed changes to the USS on 22, 23, 26, 27 and 28 February, and 5, 6, 7, 8, 12, 13, 14, 15 and 16 March 2018.

As notified in the 8 February issue of the Gazette, members of staff who participated in the strike are required to complete a payroll deduction form and send it to the Payroll Office. The form gives authorisation for a deduction of pay equivalent to 1/365 of annual salary to be made for each day of strike action. The form can be downloaded from the Finance Division’s website at www.admin.ox.ac.uk/finance/processes/forms/payroll.

Exceptionally, the University has agreed that deductions of pay for strike action taken in this period (22 February to 16 March 2018), will be phased such that a maximum of 5 days’ pay will be deducted from each month’s pay. University staff are reminded of the requirement to submit payroll deduction forms promptly after taking any strike action. Any cases of exceptional hardship should be raised with a line manager or departmental administrator in the first instance.

UK Brain Bank for Autism and Related Developmental Research, JR

The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do – and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See www.medsci.ox.ac.uk/news/understanding-autism-donate-your-brain-for-autism-research for information and to register as a donor.
