## Contested Elections

26 November

The following election will be contested.

### Council

One member of Congregation, not necessarily being a member of any division and not in any case being nominated in a divisional capacity, elected by Congregation

<i>Current/Retiring Member</i>	<i>To hold office until</i>
--------------------------------	-----------------------------

Professor Chris Wickham, All Souls	MT 2016
---------------------------------------	---------

*The following nominations have been received:*

**Professor Sir Rory Collins**, MB BS Lond, MA MSc Oxf, Fellow of St Cross, Faculty of Clinical Medicine

#### *Nominated by:*

Professor J M Armitage, Faculty of Clinical Medicine  
 Professor Dame Valerie Beral, Green Templeton, Faculty of Clinical Medicine  
 Professor A M Gray, Wolfson, Faculty of Clinical Medicine  
 Professor J M Green, Faculty of Clinical Medicine  
 Professor R Hobbs, Harris Manchester, Department of Primary Care Health Sciences  
 Professor S Shepperd, Kellogg, Faculty of Clinical Medicine  
 Professor P B Sullivan, Magdalen, Faculty of Clinical Medicine  
 Professor H C Watkins, Exeter, Faculty of Clinical Medicine

#### *Candidate statement:*

I have extensive experience of creating local, national and international collaborations that work. For example, population health science in Oxford was previously fragmented and ranked poorly in the 2008 RAE. Consequently, I proposed that several groups with complementary skills be brought together in the Nuffield Department of Population Health (NDPH), which was established in July 2013. The aims of the new Department are to deliver high quality research that has a major impact on the health of populations around

the world, as well as to train and develop the next generation of researchers in the discipline. Increased sharing of expertise has strengthened the contributions of each of the component parts, and this has already been recognised by Oxford being ranked top in the 2014 REF assessment for population health science.

I am committed to ensuring that all staff have the opportunity to fulfil their potential; not only has the NDPH rapidly achieved Athena Swan Silver Status, but we have also taken a lead in coordinating efforts to address major obstacles (such as the lack of adequate nursery capacity throughout the University). Oxford's new Big Data Institute is helping to build collaborations between health science and bio-informatics. Membership of Council would provide further opportunities to support equitable career development and to develop greater collaboration with other disciplines in the University; for example, identifying ways to ensure that important public health findings are implemented effectively around the world by working more closely with groups expert in international policy, governance and development.

**Huw R Dorkins**, BM BCh MA Oxf, MSc Lond, Fellow of St Peter's, Faculty of Physiological Sciences

#### *Nominated by:*

The Revd Dr R Waller, Principal of Harris Manchester, Faculty of Theology  
 Professor R W Ainsworth, Master of St Catherine's, Faculty of Engineering Science  
 Mr M D Damazer, Master of St Peter's  
 Professor M G Moloney, St Peter's, Faculty of Chemistry  
 Professor T J Morgan, Oriel, Faculty of Classics  
 Mr R Ovenden, Balliol, Faculty of History  
 Professor P A Robbins, Queen's, Faculty of Physiological Sciences  
 Dr H L Spencer, Exeter, Faculty of English Language and Literature  
 Professor M S Williams, New College, Faculty of Engineering Science  
 Dr A B Zavatsky, St Edmund Hall, Faculty of Engineering Science

#### *Candidate statement:*

I am standing for the Council place vacated by Professor Wickham's move to be Interim Head of the Humanities Division. While this place is just to the start of MT2016, I feel there should not be any democratic deficit in the representation of members of Congregation.

Despite considerable success in the REF, there are grounds for thinking that the

University's finances are under pressure. It seems unlikely that the University can continue to grow at the rate seen in recent years. We need to manage the move to a more steady state. We shall need to balance competing claims on limited resources.

Different pressures are faced by different divisions and each has developed its own strategies to tackle these. For all its successes, the divisional structure has brought its own problems. Colleges should continue have a central role in the work of the University.

Oxford undergraduates continue to benefit from an excellent education, but the experience of their postgraduate colleagues is more mixed. The growth in the number of postgraduates has generated further pressures on the colleges in terms of funding and accommodation. These considerations are important in much needed discussions on the future size and shape of the University.

As Senior Proctor in 2012/13, I have gained some understanding of the workings of Council and all of its major committees. I am a medical geneticist. I have been Fellow and Tutor in Medicine at St Peter's College since 1991 and Deputy Director of the University's graduate entry medical course.

**Professor Kevin Marsh**, MB ChB Liv, Fellow of St Cross, Faculty of Clinical Medicine

#### *Nominated by:*

Dr P Ariana, Centre for Tropical Medicine  
 Professor M J Parker, St Cross, Faculty of Clinical Medicine  
 Professor Sir Peter Ratcliffe, Magdalen, Faculty of Clinical Medicine  
 Professor S L Rowland-Jones, Christ Church, Faculty of Clinical Medicine

#### *Candidate statement:*

I have been a member of staff of the University since 1985 and have held the title of professor of tropical medicine since 1997. Between 1989 and 2014 I directed the University of Oxford associated major research programme in collaboration with the Kenya Medical Research Institute, in Kenya. Whilst my specific research interests are in malaria and child health, I have a wide interest and experience in the contribution of research and policy to development in lower and middle income countries. I have a particular interest in the development of research leadership in Africa and currently act as senior advisor to the African Academy of Sciences.

Oxford University has an extraordinarily wide and deep investment in research in lower and middle income countries across

many disciplines. However, this has often been relatively understated in relation to the many other areas of excellence across the university. In an increasingly interconnected world I believe that the university, as a global academic leader, should have a strong and coherent focus on developing equitable partnerships with academia across lower and middle income countries. As a member of council, I would actively promote and support the development of a strong university wide strategic focus on such partnerships.

**Professor Jonathan Michie**, MSc Lond, MA DPhil Oxf, President of Kellogg, Department for Continuing Education

*Nominated by:*

Baroness Helena Kennedy of the Shaws,  
Principal of Mansfield, Faculty of Law  
Sir Andrew Dilnot, Warden of Nuffield,  
Blavatnik School of Government  
Professor P A Madden, Provost of Queen's  
The Rt Hon Dame Elish Angiolini,  
Principal of St Hugh's, Faculty of Law  
Professor M J Snowling, President of St  
John's, Faculty of Psychological Studies  
Dr S Goss, Wadham, Faculty of  
Physiological Sciences  
Professor K J Humphries, All Souls,  
Faculty of History  
Professor W S James, Brasenose, Faculty  
of Physiological Sciences  
Professor S L Mapstone, St Hilda's,  
Faculty of English Language and  
Literature  
Professor C J Wickham, All Souls, Faculty  
of History

*Candidate statement:*

I'm Director of the Department for Continuing Education and President of Kellogg College; my experience in these roles means I can bring a fresh perspective to the deliberations of council regarding the future direction of the University. I'm fully supportive of the University's Five-Year Strategic Plan, which, beyond teaching and research embraces a commitment to civic engagement. As Professor of Innovation & Knowledge Exchange, I believe in the importance of interdisciplinarity and widening engagement activities which look outwards beyond academe.

The growth in the activities and reach of the Department for Continuing Education over the past seven years means Oxford is leading developments in this area globally. I'm committed to strive for recognition of how such activities can increase the diversity of the student body and enrich the culture of the University - and the lives of participating students, plus through media and other

channels, influence policy makers and politicians.

As head of house, I participate in Conference of Colleges. I'm a co-opted member of the Social Sciences Divisional Board and also serve on the following University Committees: Education, Finance, Student Number Planning, Student Fees & Support, Impact & Knowledge Exchange, and the Board of the Natural History Museum. I'm Treasurer to the Oxford Society [the University's alumni association].

Beyond Oxford I serve on the Council of the Academy of Social Sciences (whose Audit & Risk Management Committee I chair), Finance Committee of UCAS, Economic Advisory Board of Defra, and the UWC Council, as Chair of Governors of UWC Atlantic College.
