Gazette publication arrangements

We are continuing to publish the *Gazette* in digital format only, as a result of ongoing COVID-19-related working restrictions. Arrangements for archival copies will be made at a later date.

We will continue to send emails to our online subscribers, as well as to our print subscribers, where we have an email address for them, so that they continue to receive the *Gazette* in an available format.

If you are a print subscriber and do not wish to receive such emails, or if you would like to set up a new email subscription, please visit www.staffsubs.ox.ac.uk if you are a current member of staff; otherwise, please email gazette@admin.ox.ac.uk.

University Calendar 2020–21

The online version of the 2020–21 *University Calendar* has been published at <https://gazette.web.ox.ac.uk/university-calendar>. It will be updated on a termly basis.

The print version will be published later in Michaelmas term. Because the *Calendar* is now available online to all staff, and because many copies of the *Calendar* were being printed needlessly, we are continuing to restrict print distribution to those individuals who are unable to access the online edition. All library copies will still be printed and distributed.

The nomination period for these elections closed at 4pm on 29 October. The following elections will be contested and the results determined by an electronic ballot of the eligible electorates. The ballots will be administered by Civica Ltd (CES Votes) on behalf of the University of Oxford. Eligible voters were sent an email with further instructions on Tuesday, 10 November. Voters may wish to read the candidates' statements before completing their electronic vote. The voting period will close at **4pm on 26 November**. The results will be announced on the University website as soon as possible thereafter <https://governance.web.ox.ac.uk/current-elections> and published in the 3 December issue of the *Gazette*.

For further information, please contact the Elections Officer (<mailto:shirley.mulvihill@admin.ox.ac.uk>).

Council

- One of four members of Congregation elected by Congregation not necessarily being a member of any division and not in any case being nominated in a divisional capacity, to serve until the start of MT 2024 [*vice* Professor Sir Rory Collins, St John's, Clinical Medicine]

The following nominations have been received:

Professor Myles R Allen, BA DPhil Oxf, Linacre, Faculty of Physics and School of Geography and the Environment

Nominated by:

N Leimu-Brown, Principal of Linacre, Department of Plant Sciences
I Tracey, Warden of Merton, Nuffield Department of Clinical Neurosciences
K Blundell, St John's, Department of Physics
D Dorling, St Peter's, School of Geography and the Environment
C Hepburn, St Edmund Hall, School of Geography and the Environment/Smith School of Enterprise and the Environment
R Khosla, Somerville, School of Geography and the Environment/Oxford India Centre for Sustainable Development
B Müller, Wolfson, Environmental Change Institute/School of Geography and the Environment/Faculty of Philosophy
K Nobre, St Catherine's, Department of Experimental Psychology
L Rajamani, St Peter's, Faculty of Law
H Waters, Estates Services

Candidate statement:

The implementation of the University's Sustainability Strategy and the recent Congregation motion on fossil fuel divestment will be key issues for Council over the coming years. I have been deeply involved in both developments. As a Professor of Geosystem Science in the School of Geography and the Environment and Director of the new cross-Divisional Oxford Net Zero initiative, with a long-standing association with the Department of Physics and former student of Physics and Philosophy, I have links to Social Sciences, MPLS and Humanities Divisions. Our research in the 2000s identified the need for net zero carbon dioxide emissions to halt global warming, and I have been working on the implications ever since. I am proud that our University is working towards an ambitious commitment to net biodiversity gain and net zero emissions, and that we are taking an evidence-led approach to prioritise real impact over image. Crucial strategic questions remain open, such as how we navigate a commitment to net zero emissions with our status as a global university committed to a universal and open academe and increasing geographical diversity in staff and student recruitment. On divestment, discussions with students and colleagues on this issue over recent years led to the Oxford Martin Principles for Climate-conscious Investment that form a key component of the Congregation motion. As a former ULNTE, I recognise the need to support those on research-intensive careers, and as a beneficiary of early enlightened decisions on parental leave, I feel particularly strongly about accommodating colleagues' caring responsibilities.

Professor Sir Rory Collins, MB BS Lond, BSc Washington DC, MA MSc Oxf, St John's, Faculty of Clinical Medicine

Nominated by:

M Snowling, President of St John's, Department of Experimental Psychology
 Sir John Bell, Christ Church, Medical Sciences
 T Boyt, Reuben
 F Essler, Worcester, Department of Physics
 C Fabre, All Souls, Faculty of Philosophy
 M Freeman, Lincoln, Dunn School of Pathology
 H Hamerow, St Cross, Faculty of History
 G Johnson, Christ Church, History of Art Department
 K Nobre, St Catherine's, Department of Experimental Psychology
 G Scream, University College, Head of Medical Sciences Division

Candidate statement:

I have served as an elected member of Council on behalf of Congregation since Michaelmas 2016, representing Council on the Planning and Resource Allocation Committee and the Personnel Committee.

My focus has been on encouraging the University to do all it reasonably can to support all of its staff (both academic and non-academic), trying to ensure that its investment in "physical capital" (buildings, equipment) is matched by a similar enthusiasm for investing in its people ("human capital"). In particular, I've been closely involved in the University's decisions to interrogate and address gender-specific salary disparities, to identify gaps in child-care provision, and to commit explicitly to protecting pension rights.

In 2013, I established the Nuffield Department of Population Health (NDPH) to deliver research that has a major impact on population health around the world, as well as to develop the next generation of researchers. I have been committed to ensuring that everyone in NDPH has the opportunity to fulfil their potential (e.g. supporting staff to go on the Women Transforming Leadership Programme) and removing obstacles to doing so (e.g. obtaining good child-care provision on Old Road Campus), as illustrated by NDPH's gender-equality at all staff grades.

I'm seeking re-election to Council because it is very likely that the next few years will be particularly difficult due to the impact of Brexit, COVID-19 and USS pension issues, making it more important than ever to make the case for the University's resources being used effectively to support its most precious asset... its people.
