Call for nominations for Honorary Degrees and for Degrees by Diploma

The Committee on Honorary Degrees is seeking honorary degree nominations – nominations can be made by current members of staff and students via an online form: <https://forms.office.com/e/u1kmkyKYmR>.

the conferment of honorary degrees be women and/or from minoritised groups. Nominators are therefore encouraged to propose individuals of conspicuous distinction with particular reference to diversity.

When considering possible honorands, the Honorary Degrees Committee will focus on individuals:

- of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford;
- distinguished in the visual, literary, musical, and performing arts or in sports;
- distinguished in business and industry;
- who have played a distinguished role in public life, for example in contributing to progress and change in society;
- who have made a significant contribution to the activities of the University of Oxford – such individuals would normally also fall into one of the categories above.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee.

Within those categories, the Honorary Degrees Committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University’s activities.

Further information is available at <https://governance.web.ox.ac.uk/committee-on-honorary-degrees>. Lists of previous recipients for the last 10 years are available at www.ox.ac.uk/news-and-events/The-University-Year/Encaenia.

When a degree is conferred upon a royal personage or upon the head of a foreign state it will be conferred by diploma.

While nominations may be submitted throughout the year, the deadline for nominations for Encaenia 2026 is **10 April 2025**. Nominations are kept under consideration by the committee for 3 years (the year of nomination, plus 2 years) so only need to be resubmitted if there has been a significant change in the case for the nomination.
