# Elections

## Elections

9 June

Please note: in the lists below, the names listed are simply those of the persons currently in office, whose terms of office are now coming to a close (thereby prompting all the vacancies now advertised for election).

### Call for nominations

The nomination period for the elections below will close at **4pm on 12 May**. For further information, please contact [elections.office@admin.ox.ac.uk](mailto:elections.office@admin.ox.ac.uk).

### Council

- One member of Congregation elected by Congregation from members of the faculties in the Divisions of Mathematical, Physical and Life Sciences and of Medical Sciences, to serve until the start of MT 2026 [*vice* Professor Fabian Essler]
- One member of Congregation elected by Congregation from members of the faculties in the Divisions of Humanities and of Social Sciences, to serve until the start of MT 2026 [*vice* Professor Aditi Lahiri]
- One member of Congregation, not necessarily being a member of any division and not in any case being nominated in a divisional capacity, who shall be elected by Congregation, to serve until the start of MT 2026 [*vice* Tania Boyt]

Nominations from a diverse range of Congregation members are encouraged, particularly those from underrepresented groups.

The terms of reference and membership of Council are set out in Statute VI (<https://governance.admin.ox.ac.uk/legislation/statute-vi-council>). Council is chaired by the Vice-Chancellor and meets on Mondays of Weeks 4 and 9 of each term (Week 8 in Michaelmas term) and in July and September. Meetings begin at 2pm and usually last for two

to three hours. Members of Council are the University's charity trustees and have a responsibility for ensuring that Council conducts itself in accordance with accepted standards of behaviour in public life, embracing selflessness, integrity, objectivity, accountability, openness, honesty and leadership. They must also play an appropriate part in ensuring that the business of Council is carried out effectively, efficiently and in a manner appropriate for the proper conduct of public business. Key skills include the ability to see issues from all angles, to discuss and question without being adversarial, to accept collective responsibility for decisions and to exercise common sense across a broad range of matters.

Elected members of Council will ordinarily be expected to serve on a small number of other committees (typically between one and three, usually including at least one of the main committees of Council, ie Education Committee, General Purposes Committee, Personnel Committee, Planning and Resource Allocation Committee, Research and Innovation Committee).

For further information, please contact Lara McCarthy ([lara.mccarthy@admin.ox.ac.uk](mailto:lara.mccarthy@admin.ox.ac.uk)).

### Committees reporting to Council or one of its main committees

#### VISITORS OF THE ASHMOLEAN MUSEUM

- One member of Congregation from the Medical Sciences Division elected by Congregation, to serve until the start of MT 2026 [*vice* Professor Martin Burton]
- One member of Congregation from the Mathematical, Physical and Life Sciences Division elected by Congregation, to serve until the start of MT 2026 [*vice* Professor Chris Lintott]

Further information on the Visitors can be found at: <https://governance.admin.ox.ac.uk/legislation/council-regulations-2-of-2019#collapse1420131>.

The Visitors are responsible, under Council, for the safe keeping, preservation, orderly administration and general policy of the museum. The board meets five times a year and meetings usually last three to four hours. The role of the Congregation-elected members is to represent their division in the museum and represent the museum within their division. The board would welcome members with an understanding of the potential of the University museum and its collections to support the University's teaching and research agendas. The museum is currently engaged specifically with two areas which may be of relevance to candidates from the Medical Sciences Division - social prescribing and developing a secure evidence base for the beneficial impact of museums and cultural institutions for mental health and wellbeing.

For further information, please contact the Secretary ([xa.sturgis@ashmus.ox.ac.uk](mailto:xa.sturgis@ashmus.ox.ac.uk)).

#### NOMINATIONS COMMITTEE

- Two members of Congregation elected by Congregation, to serve until the start of MT 2025 [*vice* Professor Helen McShane and Professor James Naismith]

The role of the Nominations Committee is to recommend candidates for external membership of Council, and to keep under review the criteria for the selection and election of members. Candidates should have an understanding of the work of Council and of the qualities required in an external member. The committee has ten members, including three members of Council (two external), the Assessor, two representatives of the faculties and four members of Congregation elected by Congregation. The committee meets on an *ad hoc* basis when a vacancy arises on Council; this means that there

will sometimes be lengthy periods between meetings followed by a more intense period of activity, with several meetings and interviews taking place in a single term.

The terms of reference and membership are set out at <https://governance.admin.ox.ac.uk/legislation/part-26-nominations-committee>. For further information, please contact the Secretary ([rebecca.thomas@admin.ox.ac.uk](mailto:rebecca.thomas@admin.ox.ac.uk)).

#### NOMINATING COMMITTEE FOR THE VICE-CHANCELLORSHIP

- Two persons, not also being members of Council, elected by Congregation, to serve until the start of MT 2029 [*vice* Professor James Naismith and Dr Sam Wolfe]

The Nominating Committee for the Vice-Chancellorship reports to Council with a recommendation that a named individual be appointed as the next Vice-Chancellor. Council then submits to Congregation the name of the individual proposed for appointment. The membership of the committee includes members representing different elements of the University, including Conference of Colleges, the academic divisions and Congregation, as well as members appointed by Council. The committee is currently concluding the nomination process for the next Vice-Chancellor and in the normal course of events would not be expected to meet again until the next Vice-Chancellor is coming to the end of their seven-year term.

Further information on the committee can be found in regulation 6 of Council Regulations 21 of 2002 (<https://governance.admin.ox.ac.uk/legislation/council-regulations-21-of-2002#widget-id-1426076>).

For further information, please contact Antony Willott ([antony.willott@admin.ox.ac.uk](mailto:antony.willott@admin.ox.ac.uk)).

#### PANEL FOR CONSTITUTING THE VISITATORIAL BOARD UNDER STATUTE XII PART C

- Three members of Congregation required to engage in academic teaching and/or research either by their written contracts of employment or by established and agreed practice elected by Congregation, to serve until the start of MT 2026 [*vice* Professor Helen McShane, Dr Elizabeth Ewart and Dr Tom Sanders]

The Visitation Board is able to hear employment matters (complaints and dismissals) where there is a question of academic freedom to be resolved, though for a first hearing the staff member may elect to have the matter heard by an employment review panel instead. The board consists of four members selected from a panel of twelve members of Congregation, who must be engaged in teaching or research. The chair is an external appointee who brings legal experience and an external voice to the panel. The Visitation Board meets rarely (the last time was in 2016); it previously had a wider remit but this was significantly limited when Statute XII was amended in 2017. However, being a panel member is an important role as it is essential that the University is able to form a board so that a hearing can take place if required.

The terms of reference and membership are set out at <https://governance.admin.ox.ac.uk/legislation/statute-xii-academic-staff-and-the-visitorial-board#widget-id-1383011>.

For further information, please contact the Secretary ([rebecca.thomas@admin.ox.ac.uk](mailto:rebecca.thomas@admin.ox.ac.uk)).

**PREVENT STEERING GROUP**

- Five members of Congregation elected by Congregation to serve until the start of MT 2025 [*vice* Dr Liam Gearon, Harris Manchester; Dr Eveline D James, Business Administration; Dr J B Katz, St Anne's; The Revd Canon Dr Judith D Maltby, Corpus Christi; and Professor Lucia Zedner, All Souls]

The Prevent Steering Group is responsible for: (i) ensuring that appropriate policies and practices are in place to comply with the Prevent Duty guidance in a risk-based, proportionate manner; (ii) monitoring the University's implementation of the Prevent Duty; and (iii) advising Council on the implementation of the Prevent Duty, such that Council is able to comply with the requirements of the monitoring authority (Office for Students). The Steering Group is currently chaired by the University Registrar and comprised of representatives from the academic divisions, elected members of Congregation, UAS and the Oxford University Student Union. Meetings are held in Michaelmas and Trinity terms and usually last for around one hour.

The terms of reference and membership are set out at <https://compliance.admin.ox.ac.uk/prevent/steering-group>.

On 31 May 2016, Congregation approved 'That the University's Prevent Steering Group be afforded with a minimum of five elected members of Congregation by 0th week MT 2016'. This election will be conducted under the regulations set out in Part 8 of Congregation Regulations 2 of 2002 (<https://governance.admin.ox.ac.uk/legislation/congregation-regulations-2-of-2002#collapse1396971>).

For further information, please contact the Secretary ([sarah.cowburn@admin.ox.ac.uk](mailto:sarah.cowburn@admin.ox.ac.uk)).

**Divisional Boards****MATHEMATICAL, PHYSICAL AND LIFE SCIENCES BOARD**

- One person elected by and from among the members of the Faculty of Mathematics to serve until the start of MT 2024 [*vice* Professor Balazs Szendroi]
- One person elected by and from among the members of the Faculty of Materials to serve until the start of MT 2026 [*vice* Professor Nicole Grobert]
- Two persons elected by and from among the members of the Faculty of Biology to serve until the start of MT 2026 [new positions]

*Note:* Amendments to regulation 10 of Council Regulations 17 of 2002, to reflect the creation of the new Department of Biology following the merger of the existing Departments of Plant Sciences and Zoology (see [Gazette No 5314, 27 May 2021, p431](#)), will be effective from 1 August 2022. Within that context, the division would welcome continued representation on the board by elected members from both the existing Faculties of Plant Sciences and Zoology.

The board meets twice a term (on Fridays of Weeks 2 and 7) with meetings lasting for up to two hours. The Mathematical, Physical and Life Sciences (MPLS) Board is the primary legislative body for the division, but also acts as a forum for strategic discussion and a conduit for leading and facilitating change. Recent meetings have included sessions on inclusive leadership, environmental sustainability, and a 10-year vision for MPLS. Each meeting starts with a short 'science highlight' from a department which showcases the excellent research found across the division and reminds the board why we are all here.

MPLS welcomes nominations from staff who would bring a diversity of points of view to discussion. That might include, but is not limited to, working in an interdisciplinary research area, perspectives gained from working

outside Oxford, or staff at earlier career stages or from under-represented groups.

For further information, please contact the Divisional Registrar ([tracy.gale@mpls.ox.ac.uk](mailto:tracy.gale@mpls.ox.ac.uk)).

**SOCIAL SCIENCES BOARD**

- One member elected by and from the academic members of the Faculty of Law, to serve until the start of MT 2024
- One member elected by and from the academic members of the Department of Politics and International Relations, to serve until the start of MT 2024
- One member elected by and from the academic members of the Saïd Business School, to serve until the start of MT 2024

Under the regulations governing the composition of divisional boards, the above vacancies fall within the single constituency of 'three persons elected on a rotational basis by and from academic members of the following units of the division, with each person serving a two-year period of office: (a) the Department of Economics; (b) the Department of Education; (c) the Faculty of Law; (d) the Department of Politics and International Relations; (e) the School of Geography and the Environment; (f) the Saïd Business School'. ## General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in Council Regulations 14 of 2002 (General Regulations of Council for Committees (<https://governance.admin.ox.ac.uk/legislation/council-regulations-14-of-2002>)). Current members seeking re-election are also asked to check for specific restrictions on consecutive service. For further information, please see the eligibility (<https://governance.admin.ox.ac.uk/elections-by-congregation#collapse1580081>) and amendments to nominations (<https://governance.admin.ox.ac.uk/key-election-stages-and-procedures#collapse1577651>) sections within the Information about University elections (<https://governance.admin.ox.ac.uk/information-about-university-elections>) pages of the Elections website (<https://governance.admin.ox.ac.uk/elections>).

## Candidate's statement

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought. In the event of a contested election, these statements will be published both online and in the *Gazette*.

## Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. An email with further instructions will be sent to eligible voters on Wednesday 25 May, using the email addresses provided in the electronic register of Congregation (NB with few exceptions, notably clinical staff, this will be the work address ending 'ox.ac.uk'). Candidates' statements will also be published in the *Gazette* dated 26 May. Voters may wish to read these statements before completing their electronic vote. The voting period will close at 4pm on 9 June.

## Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on Thursday, 12 May. When required, places will be allocated according to academic standing, as defined in Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing (<https://governance.admin.ox.ac.uk/legislation/council-regulations-22-of-2002>). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

## Period of office

All vacancies are from the beginning of MT 2022 unless otherwise stated. In accordance with Congregation Regulations 2 of 2002, in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.

## Extracts from the terms and conditions of acceptance of advertisements

### General

1. Advertisements are accepted for publication at the discretion of the editor of the *Gazette*.

**Note.** When an advertisement is received via the online shop, an acknowledgement will be emailed automatically to the email address provided by the advertiser. The sending of this acknowledgement does not constitute an acceptance of

the advertisement or an undertaking to publish the advertisement in the *Gazette*.

2. The right of the *Gazette* to edit an advertisement, in particular to abridge when necessary, is reserved.
3. Advertisements must be accompanied by the correct payment, and must be received by the deadline stated above. **No refund can be made for cancellation after the acceptance of advertisements.**
4. Once an advertisement has been submitted for publication, no change to the text can be accepted.
5. Voucher copies or cuttings cannot be supplied.

#### **Charges**

6. Two separate charging arrangements will apply, for commercial and private advertisers. The rates applicable at any time will be published regularly in the *Gazette*, and may be obtained upon enquiry. The rates, and guidance on applicability of each rate, are also available online. The editor's decision regarding applicability of these rates to an individual advertiser will be final.
7. Particular arrangements apply to advertisers who declare their intention to advertise for a full academic year ("whole-year advertisers"), and receive a discount on their advertisements for doing so:
  - a. With effect from January 2022, whole-year advertisers must pay for the year's advertisements upfront via the University's online shop and may opt for 24 insertions (8 per term), 27 insertions (9 per term) or 34 insertions (all issues).
  - b. Whole-year advertisers whose arrangements were entered into before January 2022 may only withdraw their advertisements partway through the year upon payment of the difference between the discounted rate and the standard rate for each advertisement which has already been published. If such payment is not received by the University of Oxford, the advertiser remains liable for the number of insertions and the discounted rate originally agreed.

#### **Disclaimer**

**8. The University of Oxford accepts no responsibility for the content of any advertisement published in the *Gazette*. Readers should note that the inclusion of any advertisement in no way implies approval or recommendation of either the terms of any offer contained in it or of the advertiser by the University of Oxford.**

#### **Advertisers' Warranty and Indemnity**

14. The advertiser warrants:
  - a. Not to discriminate against any respondents to an advertisement published in the *Gazette* on the basis of their gender, sexual orientation, marital or civil partner status, gender reassignment, race, religion or belief, colour, nationality, ethnic or national origin, disability, age, or pregnancy.
  - b. That the advertisement does not contravene any current legislation, rules, regulations or applicable codes of practice.
  - c. That it is not in any way illegal or defamatory or a breach of copyright or an infringement of any other person's intellectual property or other rights.

*You are advised to view our full Terms and Conditions of acceptance of advertisements. Submission of an advertisement implies acceptance of our terms and conditions, which may be found at <https://gazette.web.ox.ac.uk/terms-and-conditions-acceptance-advertisements>, and may also be obtained on application to [gazette@admin.ox.ac.uk](mailto:gazette@admin.ox.ac.uk).*
