Council of the University

Changes in Regulations

Council has made the following changes in regulations, to come into effect on **5 August**.

(a) ICTC Regulations 1 of 2002

Explanatory Note

A number of minor changes to the ICTC Regulations are proposed. One of the amendments takes the form of a new paragraph 7 (3) which provides that users are not permitted to use University IT or network facilities 'with the intention of drawing people into terrorism (contrary to the University's statutory duty under Prevent)'. This change is proposed in order to give effect to paragraph 27 of the Prevent Duty Guidance for Higher Education Institutions in England and Wales under which the University is expected to include 'specific reference' to the Prevent duty in its policies relating to the use of IT equipment. Further minor amendments are proposed to update the regulations to reflect current working practices and terminology and to replace references to out-of-date policies and external bodies following review by the IT Services Senior Management Team.

Text of Regulations

In ICTC Regulations 1 of 2002, concerning the use of IT facilities, delete existing regulations 5-14 and substitute (new text underlined, deleted text struck through):

5. (1) Persons Individuals may make use of university facilities only with proper authorisation.
- (2) "Proper authorisation" in this context means prior authorisation by the appropriate officer, who shall be the Chief Information Officer or his or her nominated deputy in the case of services under the supervision of IT Services, or the nominated college or departmental officer in the case of services provided by a college or department.
- (3) Any authorisation is subject to compliance with the University's statutes and regulations, including these regulations, and will be considered to be

terminated by any breach or attempted breach of these regulations.

6. (1) Authorisation will be specific to an individual.
- (2) Any password, authorisation code, etc. given to a user will be for his or her use only, and must be kept secure and not disclosed to or used by any other person individual. Exceptions may be made for accounts set up specifically to carry out business functions of the University or a unit within it, but authorisation must be given by the head of the unit.
7. Users are not permitted to use university IT or network facilities for any of the following:
- (1) any unlawful activity;
- (2) the creation, transmission, storage, downloading, or display of any offensive, obscene, indecent, or menacing images, data, or other material, or any data capable of being resolved into such images or material, except in the case of the use of the facilities for properly supervised research purposes when that use is lawful and when the user has obtained prior written authority for the particular activity from the head of his or her department or the chairman of his or her faculty board (or, if the user is the head of a department or the chairman of a faculty board, from the head of his or her division);
- (3) with the intention of drawing people into terrorism (contrary to the University's statutory duty under Prevent);
- (34) the creation, transmission, or display of material which is designed or likely to harass another person individual in breach of the University's Code of Practice Policy and Procedure on Harassment;
- (45) the creation or transmission of defamatory material about any individual or organisation;
- (56) the sending of any e-mail that does not correctly identify the sender of that e-mail or any message appearing to

originate from another individual, or otherwise attempting to impersonate another individual attempts to disguise the identity of the computer from which it was sent;

(67) the sending of any message appearing to originate from another person, or otherwise attempting to impersonate another person that attempts to disguise the identity of the computer from which it was sent;

(78) the transmission, without proper authorisation, of e-mail to a large number of recipients, unless those recipients have indicated an interest in receiving such e-mail, or the sending or forwarding of e-mail which is intended to encourage the propagation of copies of itself;

(89) the creation or transmission of or access to material in such a way as to infringe a copyright, moral right, trade mark, or other intellectual property right;

(910) private profit, except to the extent authorised under the user's conditions of employment or other agreement with the University or a college; or commercial purposes (including advertising commercial services) without specific authorisation;

(110) gaining or attempting to gain unauthorised access to any facility or service within or outside the University, or making any attempt to disrupt or impair such a service;

(121) the deliberate or reckless undertaking of activities such as may result in any of the following:

- (a) the waste of staff effort or network resources, including time on any system accessible via the university network;
- (b) the corruption or disruption of other users' data;
- (c) the unauthorised access, transmission or negligent loss of data;
- (d) the violation of the privacy of other users;
- (e) the disruption of the work of other users;

- (f) the introduction or transmission of a virus or other malicious software into the network;
- (132) activities not directly connected with employment, study, or research in the University or the colleges (excluding reasonable and limited use for social and recreational purposes where not in breach of these regulations or otherwise forbidden) without proper authorisation.
8. Software and computer-readable datasets made available on the university network may be used only subject to the relevant licensing conditions, ~~and, where applicable, to the Code of Conduct published by the Combined Higher Education Software Team ("CHEST")~~.
9. Users shall treat as confidential any information which may become available to them through the use of such facilities and which is not clearly intended for unrestricted dissemination; such information shall not be copied, modified, disseminated, or used either in whole or in part without the permission of the person individual or body entitled to give it.
10. (1) No user may use IT facilities to hold or process data relating to a living individual save in accordance with the provisions of current data protection legislation (which in most cases will require the prior consent of the individual or individuals whose data are to be processed).
- (2) Any person individual wishing to use IT facilities for such processing is required to inform the University Data Protection Officer in advance and to comply with any guidance given concerning the manner in which the processing may be carried out.
11. Any person individual responsible for the administration of any university or college computer or network system, or otherwise having access to data on such a system, shall comply with the provisions of the Information Security Policy and Data Protection Policy 'Statement of IT Security and Privacy Policy'.
12. Users shall at all times endeavour to comply with policies and guidance issued from time to time by IT Services to assist with the management and efficient use of the University's I&T facilities.
13. Connection of any computer, whether college, departmental, or privately owned, to the university network is subject to the following additional conditions:
- (1) (a) Computers connected to the university network may use only network identifiers which follow the University's naming convention, and are registered with IT Services.
- (b) The University's Trade Mark and Domain Name Policy specifies, *inter alia*, that all university activities (other than those within OUP's remit) should be presented within the ox.ac.uk domain. Any exception to this requires authorisation as defined in that Policy.
- (2) (a) Owners and administrators of computers connected to the university network are responsible for ensuring their security against unauthorised access, participation in 'denial of service' attacks, etc. In particular they are responsible for ensuring that anti-virus software is installed and regularly updated, and that rules and guidelines on security and anti-virus policy, as issued from time to time by IT Services, are followed.
- (b) The University may temporarily bar access to any computer or sub-network that appears to pose a danger to the security or integrity of any system or network, either within or outside Oxford, or which, through a security breach, may bring disrepute to the University.
- (3) (a) Providers of any service must take all reasonable steps to ensure that that service does not cause an excessive amount of traffic on the University's internal network or its external network links.
- (b) The University may bar access at any time to computers which appear to cause unreasonable consumption of network resources.
- (4) (a) Hosting Web pages or other network-accessible media on computers connected to the university network is permitted subject to the knowledge and consent of the department or college responsible for the local resources, but providers of any such Web pages or other media must endeavour to comply with guidelines published by IT Services or other relevant authorities.
- (b) It is not permitted to offer commercial services through Web pages supported through systems connected to the university network, or to provide "home page" other IT facilities for any commercial organisation, except with the permission of the Chief Information Officer (IT Services); this permission may require the payment of a licence fee.
- (5) Use of file-sharing technology and participation in distributed file-sharing networks may be subject to additional regulation and restriction in order to prevent excessive use of university network resources, or the use of those resources for purposes unconnected with the University. If a user has any reason to suppose that an application employs peer-to-peer (p2p) or other file-sharing technology, they should seek the advice of the IT officer responsible for the college or departmental network on which they propose to use the software.
- (6) (a) No computer connected to the university network may be used to give any person individual who is not a member or employee of the University or its colleges access to any network services outside the department or college where that computer is situated.
- (b) Certain exceptions may be made, for example, for members of other UK universities, official visitors to a department or college, or those paying a licence fee.
- (c) Areas of doubt should be discussed with the Chief Information Officer Head of IT Services.
- (7) Providing external access to University network resources for use as part of any shared activity or project is permitted only if authorised by the IT Committee (ITC), and will be subject to any conditions that it may specify.
- (8) If any computer connected to the network or a sub-network does not comply with the requirements of this section, it may be disconnected immediately by the Network Administrator or any other member of staff duly authorised by the head of the college, section or department concerned.
14. (1) If a user is thought to be in breach of any of the University's statutes or regulations, including these regulations, he or she shall be reported to the appropriate officer who may recommend to the appropriate university or college authority that proceedings be instituted under either or both of university and college disciplinary procedures.

(2) Access to facilities may be withdrawn under section 412 of Statute XI pending a determination, or may be made subject to such conditions as the Proctors or the Registrar (as the case may be) shall think proper in the circumstances.'

(b) Holding of outside appointments and conduct of outside work

Explanatory Note

The following changes remove the requirement to seek the consent of the Conflict of Interest Committee for the holding of executive directorships, and specify that approval from the head of department (or equivalent) is required for the holding of executive and non-executive directorships.

The opportunity is also taken to amend the staff groups covered by the regulation, substitute 'academic year' for 'calendar year', state that approval of outside appointments must be sought in advance, add to the examples of responsibilities normally associated with the scholarly work or academics, and replace the terms 'chairman' with the gender-neutral term 'chair' and 'CUF lecturers' with 'associate professors who are mainly employed by colleges'.

Text of Regulations

1 Delete existing Council Regulation 5 of 2004, concerning the holding of outside appointments and conduct of outside work, and substitute (new text underlined, deleted text struck through):

1. (1) All University academic and academic-related employees, with the exception of CUF lecturers associate professors who are mainly employed by colleges, shall obtain approval from their head of department (or equivalent) for the holding of any outside appointment (including executive and non-executive directorships on the boards of external organisations, spin-off companies and, for this purpose, University subsidiaries), and for undertaking other outside activities (including consultancies) which require a commitment of time that otherwise might reasonably be expected to be devoted to University duties.
- (2) If the head of department (or equivalent) has an interest in the appointment or activity under paragraph (1), the application for approval shall be made to the person at the next higher level of authority. In most cases this will be the head of division.
- (3) Council shall establish the line of approval under paragraph (1) for senior

officers of the University by standing order.

2. Such approval is not required for:

- (1) the holding of the office of Proctor or Assessor;
- (2) the holding of the office of internal or external examiner in any examination;
- (3) clinical work, where this is already set out in the terms and conditions of employment of staff with clinical responsibilities;
- (4) activities or responsibilities normally associated with, or arising from, scholarly work which do not involve a formal and continuing contract (including, for example, serving as a grant reviewer, or as a member of an editorial board, or the board of a learned society, or being a member of a research advisory body, or government sponsored committee, or participating in practice runs for the REF, or giving occasional guest lectures, or one-off lectures with an honorarium);
- (5) activities or responsibilities which are neither paid nor require the commitment of time that might otherwise reasonably be expected to be devoted to university duties;
- (6) participation in public duties (such as acting as a school governor or as a magistrate), which shall be undertaken in accordance with such guidance as may be published on the Personnel Services website from time to time.

3. Approval may be granted for outside work and the holding of outside appointments, without any deduction from salary, subject to the following conditions:

- (1) the application shall be made on the appropriate form in advance of the commencement of the appointment;
- (2) the employee's line manager where relevant and head of department (or faculty board chairman in non-departmentally organised subjects) must sanction the application before the appointment may commence: where the employee is a head of department (or faculty board chairman), the head of division shall be responsible for granting this sanction;
- (3) the employee must make a conflict of interest declaration on the application form;
- (4) the *total* commitment to such outside work and appointments must not exceed thirty days in any calendar academic year (subject to regulation 4 below):

where consent is given ~~under regulation 5 below~~ for the holding of a directorship, the employee shall have an ongoing obligation to consult both the head of the department (or faculty board chairman in non-departmentally organised subjects) and the head of the division concerned if there is any indication that the thirty-day period may need to be extended in order that the employee might perform his or her statutory and common law duties as a director;

(5) the employee shall comply with the Regulations relating to the Use of Information Technology Facilities;

(6) the employee shall comply with the University's Consulting Policy and Procedures;

(7) the employee shall not use University facilities, including email or mailing addresses, in connection with the outside appointment without the permission of the head of department or faculty board chairman (who should consider any VAT implications and who may levy a charge at the appropriate economic rate);

(8) the employee shall consult the Conflict of Interest Committee if in the ongoing performance of the outside work or appointment he or she at any time perceives a conflict or potential conflict with his or her duties to the University, or with the wider interests of the University.

4. Approval for cases where the proposed commitment exceeds thirty days may still be sought: in such cases the department or faculty board shall refer the request to the divisional board, and if it is approved a deduction from salary shall be made. (Partial or full secondment may be more appropriate for particularly time-consuming outside appointments.)

~~5. No employee of the University shall hold any executive directorship without the express consent of the Committee on Conflict of Interest, as well as of his or her head of department (or equivalent):'~~

2 These regulations shall be effective from 1 October 2016.

- ~~(10)~~(12) Theology and Religion.'

(e) Law Faculty Board

Explanatory Note

These changes to the membership of the Law Faculty Board, made on the recommendation of the Law Faculty Board and the Social Sciences Board, reflect the creation of a new Institute of Human Rights, the Director of which will be an *ex officio* member of Law Board, and the need to resolve the conflict arising from having *ex officio* positions within the 'ordinary' and 'official' categories. This therefore reduces the number of 'official' and 'ordinary'

members by the number of *ex officio* members.

Text of Regulations

1 In Council Regulations 19 of 2002, concerning Faculty Boards, delete existing regulation 12 and substitute (new text underlined, deleted text scored through):

'12. (1) The number of official and ordinary members of each faculty listed in regulation 7 shall be as follows:

	<i>Official members</i>	<i>Ordinary members</i>
Law	8 ⁴	18 ¹⁰
Theology and Religion	6	10

save that, if in the case of any board the number of persons qualified under regulation 8 above to be official members of the board is less than the number specified in this regulation 12, then the number of official members of the board shall be that smaller number.

(2) In addition, the following 12 Faculty Officers shall be members of the Law Board *ex officio*:

Dean of the Law Faculty (Chair of the Law Board)

Vice Dean (Vice-Chair of the Law Board)

3. Director of the Institute for European and Comparative Law; and
4. Director of the Oxford Intellectual Property Research Centre.

²Of whom seven shall be, *ex officio*:

4. Associate Dean for Graduate Studies (Taught);
5. Associate Dean for Undergraduate Studies in Law;
6. Associate Dean for Development and Communications; and
7. Associate Dean for Research.'

2 These regulations shall be effective from 1 October 2016.

(f) Board of the Faculty of Medieval and Modern Languages

Explanatory Note

The following change, made on the recommendation of the Medieval and Modern Languages Faculty Board, amends the membership of the Faculty Board to (i) include a number of *ex officio* members; and (ii) increase the number of elected members from the Spanish sub-faculty from one to two.

Text of Regulations

1 In Council Regulations 19 of 2002, concerning Faculty Boards, delete existing regulation 24 and substitute (new text underlined, deleted text struck through):

'24. The Board of the Faculty of Medieval and Modern Languages shall consist of:

(1)–(5) the chairmen of each of the Sub-faculties of French, German, Italian, Russian and Other Slavonic Languages, and Spanish;

(17) the Jesus Professor of Celtic or his or her nominee;

General Purposes Committee of Council

Changes in Regulations

The General Purposes Committee of Council has made the following changes in regulations, to come into effect on

5 August.

(a) Saïd Business School and Business Advisory Council

Explanatory Note

The following changes allow for a sole corporate trustee of the Saïd Business School Foundation and replace references to 'chairman' with the gender-neutral term 'chair'. This follows a decision, which has been endorsed by the Saïd Business School Board and the Social Sciences Divisional Board, to incorporate the Foundation and, in doing so, replace the individual trustees with a sole corporate trustee (with individual directors). Representation for the University and the Benefactor will remain on the same basis, that is with an equal number of directors for both.

Text of Regulations

In Council Regulations 25 of 2002, concerning trusts, amend §324 as follows (new text underlined, deleted text struck through):

'§324. Saïd Business School and Business Advisory Council

1. (1) In the light of the munificent benefaction of £20m by Mr Wafic Rida Saïd ("the Benefactor") for the University's School of Management Studies, the school shall be named the Saïd Business School.

(2) The school shall promote study and research within the field of Management Studies.
2. The academic direction and day-to-day management of the school shall be entirely and exclusively the responsibility of the University.
3. (1) The office of Dean of the School, who shall be called the Peter Moores Dean, shall be held for a period of five years, or such other period as Council may determine from time to time, and may be renewed for such periods thereafter.

(2) The appointment of the Dean shall be made by Council, on the recommendation of the Social Sciences Board, with the approval of the Saïd Business School Foundation, such approval not to be unreasonably withheld.

4. (1) There shall be a School Board consisting of:
 - (a) a representative of the University appointed by the Vice-Chancellor;
 - (b) a representative of the Social Sciences Division appointed by the Head of the Social Sciences Division;
 - (c) the Chairman of the Business Advisory Council;
 - (d) the Peter Moores Dean (or the Head of Department, where appointed in lieu of the Peter Moores Dean);
 - (e) the Associate Dean of Executive Education;
 - (f) the Faculty Dean;
 - (g) the Chief Operating Officer;
 - (h)-(i) two members appointed by the Head of the Social Sciences Division, following consultation with the Chair of the Business Advisory Council, as representatives of the business and SBS alumni communities;
 - (j) a person appointed by the Benefactor or his successor in title;
 - (k)-(m) three members elected by the Faculty Forum from among its members.

(2) The first chairman shall be appointed for an initial period of two years from amongst the members of the board by the Head of the Social Sciences Division, upon the recommendation of the board following its inaugural meeting. Thereafter, the board shall elect its own chairman for a period of three years. In no case shall the chairman be the Peter Moores Dean.

(3) The period of office for appointed and elected members shall be three years. Appointed and elected members may be re-appointed or re-elected for one further term of office.

(4) The board may co-opt up to two additional members, on condition that the board shall always ensure by the use of its power of co-optation that the overall range of activities and concerns is as fully represented within the total membership of the board as is reasonably practicable.

(5) The broad functions of the board shall be to oversee, manage and regulate the School and OSBS Limited's strategy, budgets and senior appointments, and make such recommendations to the University as appropriate.

(6) The board shall delegate the day-to-day running of the School to the Peter Moores Dean.
5. (1) There shall be a Business Advisory Council consisting of:
 - (a) the Vice-Chancellor;
 - (b) a person appointed by the Benefactor or his successor in title;
 - (c) the Peter Moores Dean of the Saïd Business School;
 - (d) the Associate Dean of Executive Education;
 - (e) the Faculty Dean;
 - (f) the Chief Operating Officer;

and not fewer than fifteen persons drawn from the international business community, appointed by the School Board, following a nominations process carried out by the Chair of the Business Advisory Council and in consultation with the Dean.

(2) The Business Advisory Council shall appoint a chairman from among its members.

(3) The period of office for appointed members shall be three years. Appointed members may be re-appointed for one further term of office.

(4) The functions of the Business Advisory Council shall be to advise the School Board on the needs of the business community in respect of business education, research, and training, corporate engagement and careers. Explanatory Note

The following amendments record that, for administrative efficiency, the Bannister Bequest, Cowley Bequest, Jenkins Bequest, Lewis Milne Bequest, Sanderson Bequest (Lady Sanderson), Sowers Bequest and Vaisey Endowment Fund, referenced in individual regulations for the 'Bodleian Library', are aggregated with the Bodleian Fund within the University of Oxford Development Trust Fund. (e) The prize shall be awarded by the curators on the recommendation made by a panel of two judges to be appointed by them on each occasion on which the prize is offered.

Winstedt Bequest

The bequest of the late E.O. Winstedt, which was accepted by Decree (4) of 16 October 1956, shall be used, as to capital and income, at the discretion of the Curators of the University Libraries for the upkeep, improvement, and maintenance of the Bodleian Library.

Consultative Notices

Higher Studies Fund

On 31 May, the General Purposes Committee (GPC) agreed to streamline the group of sub-funds within the Higher Studies Fund ('HSF') by transferring responsibility for two Bodleian funds to the Bodleian Libraries and a travel fund supporting the study of economics of developing countries to the Social Sciences Division. The outcome would be to have a single fund supporting 'higher studies' managed by the HSF Board, and one fund managed by the Social Sciences Division. In order to facilitate these changes, GPC passed a resolution for the purposes of section 282 of the Charities Act 2011 ('the Act'). The approval of GPC and the resolution passed for the purposes of the Act shall be effective 15 days after the date of publication of this notice unless written notice of a resolution, signed by at least 20 members of Congregation and calling upon Council to withhold such approval and such resolution, has been given to the Registrar by **noon on 1 August**. If no such notice is received, a filing will be made with the Charity Commission. The full text of the resolution is set out below.

GPC agreed to **resolve**, on behalf of the University as trustee of the HSF, (i) pursuant to section 282 of the Charities Act 2011, to spend the capital of any permanent endowment within the Bodleian Funds A & B; (ii) to apply all the assets of the Bodleian Funds A & B by transferring them into the Bodleian Fund of the University of Oxford Development Trust to be held as expendable endowment; and (iii) pursuant to section 280 of the Charities Act 2011, to amend the administrative provisions of the HSF by the deletion of clause 6 of the HSF trust deed.

Consolidation of Department of Education Trust Funds

On 27 June, the General Purposes Committee (GPC) approved on behalf of Council the consolidation of four small trust funds in order to simplify administration and reduce management fees. Two of the funds are already held for the general benefit of the department, and two are held for restricted purposes of the department. In

order for the funds with restricted purposes to be consolidated, GPC passed a resolution for the purposes of section 268 of the Charities Act 2011 ('the Act'). The approval of GPC and the resolution passed for the purposes of the Act shall be effective 15 days after the date of publication of this notice unless written notice of a resolution, signed by at least 20 members of Congregation and calling upon Council to withhold such approval and such resolution, has been given to the Registrar by **noon on 1 August**. The full text of the resolution is set out below.

GPC agreed to:

(i) **note** that the gross income of each of the following funds (the 'Funds') in its last financial year did not exceed £10,000, that the Funds do not hold any designated land and are not companies or other bodies corporate, that the Funds hold permanent endowment, and that therefore the Funds comply with the requirements of the Charities Act 2011:

(a) Sadler, Churton Collins, Smith, Cartwright, and Pickstock Fund

(b) Estlin Carpenter Fund

(ii) **resolve** for the purposes of sections 267–274 of the Charities Act 2011 that all the property of the Funds should be transferred to the University of Oxford Development Trust, to be held in its Continuing Education Fund, GPC being satisfied that:

(a) it is expedient in the interests of furthering the purposes of each of the Funds for its property to be transferred as set out above; and

(b) the Continuing Education Fund of University of Oxford Development Trust has purposes that are substantially similar to all of the purposes of each of the Funds

(iii) **resolve** that the resolutions at (ii) above be notified to the *University Gazette* and, provided that no notice of a resolution calling upon Council to annul or amend the proposals is received by the Registrar by noon on the eleventh day after the day on which the proposals are

published, resolve that copies be sent to the Charity Commission together with a statement of the University's reasons for passing them. If the Charity Commission requires further steps to be taken the Trusts Administrator is authorised to take such steps as are necessary. Once the above resolutions take effect the Trusts Administrator is authorised to take such steps as are necessary to transfer the property of the Funds in accordance with the above resolutions and any guidance given by the Commission for the purposes of the Charities Act 2011.

Oxford Learning Institute

TRAINING FOR ADMISSIONS INTERVIEWING

The Oxford Learning Institute will offer the following training opportunities to those involved in undergraduate admissions interviewing in 2016:

- 1** Non-tutored online course: offers a comprehensive overview of the undergraduate admissions process, preparing tutors for theoretical and practical aspects of selecting undergraduate students.
- 2** Tutored online course: presents the same material as the non-tutored course. In addition, on the tutored course, participants submit a draft interview plan and receive feedback on it from an online tutor.
- 3** In-person interviewing practice sessions: these allow tutors an invaluable opportunity to put what they have learned from the tutored online course into practice, planning and undertaking a practice interview with a current Oxford undergraduate in the applicant role. These are conducted in subject area groups and supported by facilitators who are experienced interviewers.

The online Admissions Interviewing courses, developed in partnership by the Oxford Learning Institute and Undergraduate Admissions and Outreach, are the established means of training those who are new to interviewing for undergraduate admissions at Oxford and for those who would like to keep informed as to changes in policy and practice in this area. Any person who will be interviewing and who has responsibility for admissions decisions for the first time should complete the tutored online course, and may also wish to attend an optional interview practice session, for which the tutored online course is a prerequisite.

Others who assist with the admissions process (graduate students who take notes, for example) should take part in the non-tutored online course, which covers the same material as the full course, without the need to submit written exercises and without tutor support.

We also recommend experienced interviewers follow the non-tutored version of the online course as a refresher to ensure they are up to date with changes in admissions policy and practice. In response to feedback from tutors, this year we will be including a 'what's new' feature on the contents page so colleagues can navigate easily to modules which have been updated.

Practice interviews offer an optional extra learning opportunity. To qualify to take part in practice interviews, participants must complete the tutored online course by a deadline three weeks beforehand.

We advise all teaching staff in colleges who have not been involved in interviewing or have not previously taken this course to ask senior colleagues whether they will be expected to interview this year and should therefore enrol. Departmental teaching staff may also wish to seek advice from line managers or mentors on whether they are likely to be invited to become involved in admissions this year. Many who do not have a formal college association are nonetheless frequently invited to take part in college admissions processes because of their specific disciplinary expertise.

Please go to the Learning Institute website at www.learning.ox.ac.uk/admissions to find further helpful information about the courses and to make a booking by following the links.
