Consultative Notices

Call for nominations for Honorary Degrees to be conferred at the Encaenia in 2019, and for Degrees by Diploma

Honorary degrees are conferred at annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred.

The deadline for nominations to be considered for Encaenia 2019 is **29 June**.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. The Committee appreciates the time taken by members of Congregation to bring names to its attention. It will be re-considering names brought to it in the last three years and hopes to receive a wide and diverse selection of new names to add to those.

When considering possible honorands, the committee will focus on individuals in the following categories:

- 1** those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford;
- 2** those distinguished in the visual, literary, musical and performing arts;
- 3** those distinguished in business and industry;
- 4** those who have played a distinguished role in public life, for example in contributing to progress and change in society;
- 5** those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced and diverse list, which takes account of the global dimension that characterises this University's activities.

Lectures

It has adopted a target that half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees at the Encaenia in 2019 and for degrees by diploma should be submitted on the approved application form, which requires the name of the nominee and a short supporting paragraph. Further information and copies of the form are available at www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs (single sign-on required) or from the Secretary to the Honorary Degrees Committee (ellen.hudspith@admin.ox.ac.uk, (2)80092). The completed form should be returned to the Secretary by email by **29 June** under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee. The committee will report to Council in September and October and a list of honorands will be put to Congregation in Hilary term 2019.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the University Calendar and on the aforementioned website.

The honorands at Encaenia 2018 will be:

Rt Hon Lord (David) Neuberger of
Abbotsbury
Professor Mary Beard
Sir Matthew Bourne
Professor Helga Nowotny
Professor Robert Putnam
Martin Scorsese
Rt Hon Lord (Nicholas) Stern of Brentford
