Council and Main Committees

Council of the University

Changes in Regulations

Council has made the following changes in regulations, to come into effect on **8 May**.

Regulations for College Contributions

Explanatory Note

The following changes, made on the recommendation of the College Contributions Committee after consultation with the colleges, (i) raise the tax threshold from £35m to £45m, and (ii) increase the size of the next three tax bands from £3m to £9m, in respect of the accounts for 2014/15 and the contributions payable in March 2016. The changes are made to reflect inflation and restore the intended progressive nature of the tax calculation. While the College Contributions Committee remains obliged to review taxation annually, its current expectation is that this would be the last change proposed for the current scheme (under which the final contributions are payable in March 2018).

The opportunity is taken to correct a cross-reference which was overlooked in a previous revision.

Text of Regulations

1 In Council Regulations 1 of 2014, concerning college contributions, delete existing regulation 4(4) and substitute (deleted text struck through, new text underlined):

'(4) The bands and rates for the contributions payable in ~~2013/14~~ 2015/16 based on the account for the year ending on the prior 31 July, shall be as follows:

<i>On the first £3545 million of taxable assets</i>	<i>NIL</i>
<i>On the next £93 million</i>	<i>0.10 per cent</i>
<i>On the next £93 million</i>	<i>0.20 per cent</i>
<i>On the next £93 million</i>	<i>0.30 per cent</i>
<i>On taxable assets over £4472 million</i>	<i>0.36 per cent</i>

2 Ibid, delete regulation 4(6) and substitute (deleted text struck through, new text underlined):

'(6) In the absence of any recommendation for change under the provision of regulation

4.(5) above, the bands and rates set out in regulation 4.(4) above shall be used to calculate the contributions payable in ~~2014/15~~ 2016/17 and each subsequent year ~~up to and including~~ 2017/18, in each case based on the account for the year ending on the prior 31 July.'

3 Ibid, delete the Schedule and substitute (deleted text struck through, new text underlined):

General Purposes Committee of Council

Changes in Regulations

The General Purposes Committee of Council has made the following changes in regulations, to come into effect on **8 May**.

Establishment of the Mabel Churn Scholarship Fund

Explanatory Note

These regulations establish the Mabel Churn Scholarship Fund to establish a scholarship at St Cross College for a postgraduate student to study and conduct research into retinal diseases and to disseminate the useful results of such research.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §220 as follows, and renumber existing §220 onwards by plus one:

'§220. Mabel Churn Scholarship Fund

1. The University receives with gratitude the sum of £550,000 from the Trustee of the Mabs Mardulyn Foundation to be held as permanent endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Mabel Churn Scholarship Fund ("the Fund").

2. The University shall retain as permanent endowment those of the assets in the

Fund which are contributed on the express understanding that they are to be treated as permanent endowment ("the Permanent Endowment").

3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, to establish a scholarship at St Cross College for a postgraduate student to study and conduct research into retinal diseases which cause blindness amongst elderly persons and to disseminate the useful results of such research to public bodies, institutions and charities who are concerned with the cure and/or treatment of such diseases for the public benefit.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Governing Body of St Cross College.

5. The University may in its absolute discretion in the period ending 21 years from 6 March 2015, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund any amount required to discharge expenses properly incurred by the University when acting on behalf of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1-10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

- (1) cease to be exclusively charitable according to the law of England and Wales; or
- (2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

Proposals for Honorary Degrees to be conferred at the Encaenia in 2016, and for Degrees by Diploma

Members of Congregation are encouraged to suggest the names of people on whom such degrees might be conferred. Encaenia honorary degrees are conferred at the University's annual ceremonial event and degrees by diploma are conferred on heads of state and royalty. When considering possible honorands, the Honorary Degrees Committee will focus on individuals in the following categories:

1 those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford

2 those distinguished in the visual, literary, musical and performing arts

3 those distinguished in business and industry

4 those who have played a distinguished role in public life, for example in contributing to progress and change in society

5 those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within those categories the Honorary Degrees Committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University's activities. The Honorary Degrees Committee has adopted a target

that half of the final list of names proposed to Congregation for the conferment of honorary degrees be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward. Further information is available from the Secretary to the Honorary Degrees Committee (contact details are given below).

Nominations for honorary degrees at the Encaenia in 2016 and for degrees by diploma should be submitted on the approved application form. The form can be downloaded from www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs (single sign-on required).

Alternatively, copies may be obtained from the Secretary to the Honorary Degrees Committee (tel: (2)80199, email: felicity.burchett@admin.ox.ac.uk). The completed form should be sent to the Secretary to the Honorary Degrees Committee, University Offices, Wellington Square, or by email to felicity.burchett@admin.ox.ac.uk by **8 May**, under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the Honorary Degrees Committee, which submits its report to Council at the beginning of Michaelmas term. After discussion, Council will report back to the Honorary Degrees Committee, which will arrive at a list of honorands to put to Congregation.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred may be found in the 2014-15 University *Calendar*, pp539-543.

This year's honorands are:

Professor Wallace Broecker
 Professor Dame Ann Dowling
 Professor Sir Richard Evans
 Dame Hilary Mantel
 Jessye Norman
 Professor Ruth Simmons
 Professor Sir Magdi Yacoub

General Notices

Holding of outside appointments

All staff are reminded of the guidelines for holding outside appointments and the conduct of outside work, which were published in full in the *Gazette* of 15 January 2015 and are published on the Personnel Services website at www.admin.ox.ac.uk/personnel/staffinfo/academic/approvaltoholdoutsideappointments.

New Examination Regulations website

The new Examination Regulations website was launched on 20 April with an updated look, structure and functionality. The new website retains the same homepage address as the previous version - www.admin.ox.ac.uk/examregs - but links to specific sets of regulations have changed. Feedback on the new site can be provided to examregs@admin.ox.ac.uk. At the same time, this year's print run of *Examination Regulations* will be substantially reduced, reflecting staff and student preference for web-accessible material, and responding to the demand to reduce the environmental impact of publication; the expectation is that the print edition will be discontinued in 2016.

Building Access Forum

A Building Access Forum will be held 12.15-1.45pm on 7 May at Estates Services. Staff members with a disability are invited to attend and give their opinions on disabled access within University buildings. There will be presentations and a Q&A with the architects of two upcoming building projects, as well as the chance to shape the Disability Philosophy document, which benchmarks good practice and is issued to all new projects. If you would like to attend, please email access.guide@admin.ox.ac.uk for confirmation and further details. Lunch will be provided.

Convocation 19 June

Election of the Professor of Poetry

An election by Convocation will be held in Trinity term 2015 in order to elect the Professor of Poetry, to hold office for four years from the first day of Michaelmas term 2015. A meeting of Convocation will be held on Friday, 19 June 2015, to announce the results.

DUTIES AND STIPEND OF THE PROFESSOR

The duties of the professor are: normally to give one public lecture each term; to deliver an inaugural lecture; normally to offer one more event each term; to give the Creweian Oration at Encaenia every other year (a duty established by convention); each year, to be one of the judges for the Newdigate Prize, the Lord Alfred Douglas Prize and the Chancellor's English Essay Prize; every third year to help judge the prize for the English poem on a sacred subject; and generally to encourage the art of poetry in the University.

The professor receives a stipend of £12,000 per annum plus £40 for each Creweian Oration. The professor may hold the post in conjunction with another professorship or readership within the University. The post enjoys an association with All Souls College but there may be occasions when the postholder is offered an association by another college (eg if the postholder has a prior association with another college).

Further particulars of the professorship are available on the University website (www.ox.ac.uk/poetryprofessor2015). Informal enquiries about the post may be made to the Chair of the Faculty of English (seamus.perry@ell.ox.ac.uk).

ELECTION PROCEDURES

Eligibility to vote in this election

All members of Convocation who wish to vote in this election must first register their intention to vote (see 'Voter registration' below).

Convocation consists of all the former student members of the University who have been admitted to a degree (other than an honorary degree) of the University, and of any other persons who are members of Congregation or who have retired having been members of Congregation on the date of their retirement.

Membership of Convocation is conferred automatically to members of Congregation whose names have been entered in the Register of Congregation and to degree holders after having attended a formal degree ceremony (either in person or *in absentia*). Those wishing to verify their current status as members of Convocation are asked to contact their college secretary or departmental administrator.

The functions of Convocation are set out in the University Statutes (www.admin.ox.ac.uk/statutes/780-121.shtml).

Eligibility to stand for election

The single criterion for eligibility, in addition to not having held the Professorship on a previous occasion, is that candidates be of sufficient distinction to be able to fulfil the duties of the post.

Eligibility to nominate in this election

All members of Convocation are entitled to nominate a candidate in this election (see 'Nominations' below). Please note that members also wishing to vote must also register their intention to vote (see 'Voter registration' below).

Nominations

Nominations by 50 members of Convocation other than the candidate (who need not be a member of Convocation) must be received by the Elections Office at the University Offices, Wellington Square, up to **4pm on Wednesday, 6 May**. Copies of the nomination form may be downloaded from the University website (www.ox.ac.uk/poetryprofessor2015) or obtained from the Elections Office (email: poetry.election@admin.ox.ac.uk). UK Brain Bank for Autism and Related Developmental Research, JR

The developing brain is altered in autism but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do - and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See www.brainbankforautism.org.uk for information and to register as a donor.
