Congregation 4 November

The following resolution will be deemed to be approved at **noon on 4 November** unless by that time the Registrar has received notice in writing from two or

more members of Congregation that they wish the resolution to be put to a meeting of Congregation.

Voting on a Resolution authorising space in the Tinsley Building to the Mathematical, Physical and Life Sciences Divisional Office

Explanatory Note

As required by section 4 of Statute XVI, approval of this resolution is requested because of the size of the proposed space allocation.

The Mathematical, Physical and Life Sciences Divisional Office currently occupies space at 9 Parks Road, a Grade II-listed former residential property with limited accessibility and which constrains the Divisional Office's ability to collaborate effectively. Upon completion of the Life and Mind Building, the Departments of Biology and Experimental Psychology will vacate approximately 764 sqm net usable area within the Tinsley Building, which is considered well-suited to meet Divisional Office requirements. Relocation to this space will allow the Divisional Office to adopt increased open-plan and hot-desk working practices for its 85 staff, provide modern meeting rooms with audio-visual technology, improved accessibility, and co-locate divisional support functions more effectively. The reallocation supports the University's strategic estate plan by consolidating administrative services into higher quality, more efficient space and releasing 9 Parks Road for alternative use.

Text of Resolution

That approximately 764 sqm net usable area within the Tinsley Building (building 345) be allocated to the Mathematical, Physical and Life Sciences Divisional Office for a non-time-limited period, commencing 1 December 2025 or from the date of release by the Departments of Biology and Experimental Psychology, whichever is sooner.

Meeting information

Members of Congregation are reminded that any two members may, not later than 27 October, give notice in writing to the Registrar that they wish to oppose or amend the resolution above (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned the resolutions shall be declared carried, and the meeting may be cancelled.

as of the close of the nomination period on Thursday 30 October. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#). If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors.

Period of office

In accordance with [Congregation Regulations 2 of 2002](#), in any election where vacancies are to be filled for periods of different length, the elected candidates shall hold office so that the tenure of those who receive more votes shall be longer than that of those who receive fewer votes; but if the election is uncontested or if two candidates receive the same number of votes, the candidate senior in academic standing shall hold office for the longer period.

For further information, please contact the [Elections Officer](#).
