**Title of Programme/ Name of Regulation**  
Honour School of Molecular and Cellular Biochemistry

**Brief note about nature of change:** Minor changes to Part II assessment and to make the language gender neutral.

**Location of change**  
In *Examination Regulations 2019*  
[https://examregrs.admin.ox.ac.uk/Regulation?code=hsomandcellbioc&srchYear=2019&srchTerm=3&year=2018&term=1](https://examregrs.admin.ox.ac.uk/Regulation?code=hsomandcellbioc&srchYear=2019&srchTerm=3&year=2018&term=1)

**Effective date**  
For students starting from MT 2017 (Part II) and MT 2018 (Part I)  
And  
For first examination from 2020-21

**Detail of change**  
Amend citation reference 1.2 as follows (new text underlined, deleted text struck through):  

2. No candidate shall be admitted to examination in this school unless the candidate has either passed or been exempted from the First Public Examination.

Amend citation reference 1.5 as follows (new text underlined, deleted text struck through):  

5. No candidate may present him or herself for examination in Part II unless the candidate has been adjudged worthy of Honours by the examiners in Part I.
Amend citation reference 1.6 as follows (new text underlined, deleted text struck through):

6. A candidate will not be classified for Honours until he or she the candidate has completed all parts of the examination and has been adjudged worthy of Honours by the examiners in Part I and Part II of the examination.

Amend citation reference 1.8 as follows (new text underlined, deleted text struck through):

8. A candidate adjudged worthy of Honours in Part I and Part II may supplicate for the Degree of Master of Biochemistry, provided he or she the candidate has fulfilled all the conditions for admission to a degree of the University.

Amend citation reference 1.9 as follows (new text underlined, deleted text struck through):

9. A candidate who passes Part I or who is adjudged worthy of Honours in Part I of the examination, but who does not enter Part II of the examination, or who fails to obtain honours in Part II, may be allowed to supplicate for the degree of Bachelor of Arts (pass or unclassified Honours as appropriate), provided he or she the candidate has fulfilled all the conditions for admission to a degree of the University; but such a candidate may not later enter or re-enter Part II or supplicate for the degree of Master of Biochemistry.

Amend citation reference 1.32 as follows (new text underlined, deleted text struck through):

Project work: The project will be carried out over 23 weeks, normally in the extended Michaelmas Term, Hilary Term and the first three weeks of Trinity Term unless permission to alter these dates is obtained from the Department.

Amend citation reference 1.40 as follows (new text underlined, deleted text struck through):

Two hard copies and one electronic copy (ideally on CD or USB memory stick) of the work are to be submitted to the Chair of Examiners, Honour School of Molecular and Cellular Biochemistry, Part II, c/o the Examinations Schools, High Street, Oxford by Coursework must be submitted via WebLearn (according to the instructions set out in the letter to candidates from the Chair of Examiners), not later than noon on Thursday of the first week of Trinity Full Term of the Part II year, together with a statement certifying that the work is the candidate's own work or indicating where the work of others has been used. No work will be accepted if it has already been submitted, either wholly or substantially, for an Honour School other than Molecular and Cellular Biochemistry, or for another degree of this University, or for a degree of any other institution.

Add citation reference 1.41 as follows (new text underlined):

Candidates may be examined viva voce.
Explanatory Notes
