Effective date

For students starting from MT 2020

Detail of change

[1.16] 12./13./14./15. Relevant options offered by other Faculties as agreed with the Course Convenors. The teaching and assessment of these options will follow the provisions and requirements as set by the Faculty offering the option.

14. Another option as approved by the course convenors.

Explanatory Notes

The second year of the MPhil in English (Medieval period) allows students to follow a wide range of specialist research interests, generally taught in bespoke 1:1 tutorials. Following requests from students and staff, Teaching Committee recommended that a generic option be provided to permit students to follow specialist medieval subjects not specified in the main list.
