REFLECTIONS

The college's collection of medieval textiles and some of its silver will be displayed 2-5pm on 5 March in the Garden Quad Reception Room. The college has commissioned two new silver artworks, repurposing silver from the college's existing collection. One of these pieces, by Maria Hanson and Chris Knight, is entitled *Here I am*: it will embody a sense that the silver is intertwined with, and reflects, the evolving community of the college. Accordingly, for this small exhibition, we have selected pieces from the collection which metaphorically mirror the people and community of the college over past centuries.

Deadline

Advertisements are to be received by **noon on Wednesday** of the week before publication (ie eight days before publication). Advertisements must be submitted online.

Publication

The *Gazette* is only published online, except for library and archive copies. Charges for all adverts have been reduced to reflect this.

Charges

Non-commercial advertisers: £10 per insertion of up to 70 words, or £20 per insertion of 71-150 words.

Commercial advertisers: £20 per insertion of up to 70 words, or £40 per insertion of 71-150 words.

Advertisers may also purchase advertising space for a whole academic year (a minimum of eight insertions per term) at a discount of over 50% on the individual advertisement rate: £9.50 per insertion of up to 70 words, or £19 per insertion of 71-150 words.

See our website for examples of whether an advertisement is considered commercial or private: <https://gazette.web.ox.ac.uk/classified-advertising-gazette>.

Online submission and payment

Advertisements must be submitted and paid for online, using a credit card or debit card, through a secure website. For details, see <https://gazette.web.ox.ac.uk/classified-advertising-gazette>.

Extracts from the terms and conditions of acceptance of advertisements

General

1. Advertisements are accepted for publication at the discretion of the editor of the *Gazette*.

Note. When an advertisement is received via the online shop, an acknowledgement will be emailed automatically to the email address provided by the advertiser. The sending of this acknowledgement does not constitute an acceptance of

the advertisement or an undertaking to publish the advertisement in the *Gazette*.

2. The right of the *Gazette* to edit an advertisement, in particular to abridge when necessary, is reserved.
3. Advertisements must be accompanied by the correct payment, and must be received by the deadline stated above. *No refund can be made for cancellation after the acceptance of advertisements.*
4. Once an advertisement has been submitted for publication, no change to the text can be accepted.
5. Voucher copies or cuttings cannot be supplied.

Charges

6. Two separate charging arrangements will apply, for commercial and private advertisers. The rates applicable at any time will be published regularly in the *Gazette*, and may be obtained upon enquiry. The rates, and guidance on applicability of each rate, are also available online. The editor's decision regarding applicability of these rates to an individual advertiser will be final.
7. Particular arrangements apply to advertisers who declare their intention to advertise for a full academic year ("whole-year advertisers"), and receive a discount on their advertisements for doing so:
 - a. With effect from January 2022, whole-year advertisers must pay for the year's advertisements upfront via the University's online shop and may opt for 24 insertions (8 per term), 27 insertions (9 per term) or 34 insertions (all issues).
 - b. Whole-year advertisers whose arrangements were entered into before January 2022 may only withdraw their advertisements partway through the year upon payment of the difference between the discounted rate and the standard rate for each advertisement which has already been published. If such payment is not received by the University of Oxford, the advertiser remains liable for the number of insertions and the discounted rate originally agreed.

Disclaimer

8. The University of Oxford accepts no responsibility for the content of any advertisement published in the *Gazette*. Readers should note that the inclusion of any advertisement in no way implies approval or recommendation of either the terms of any offer contained in it or of the advertiser by the University of Oxford.

Advertisers' Warranty and Indemnity

14. The advertiser warrants:

- a. Not to discriminate against any respondents to an advertisement published in the *Gazette* on the basis of their gender, sexual orientation, marital or civil partner status, gender reassignment, race, religion or belief, colour, nationality, ethnic or national origin, disability, age, or pregnancy.
- b. That the advertisement does not contravene any current legislation, rules, regulations or applicable codes of practice.
- c. That it is not in any way illegal or defamatory or a breach of copyright or an infringement of any other person's intellectual property or other rights.

You are advised to view our full Terms and Conditions of acceptance of advertisements. Submission of an advertisement implies acceptance of our terms and conditions, which may be found at <https://gazette.web.ox.ac.uk/terms-and-conditions-acceptance-advertisements>, and may also be obtained on application to gazette@admin.ox.ac.uk.
